OESTREICHER'S

Great Rebuilding Sale of Seasonable Merchandise.

The front of our store will soon come down. Builders and workmen will soon begin work.

Before the old front is torn down, to be replaced by one which will be more modern and an ornament to Salisbury, we shall find it necessary to condense goods as much as possible. It means that we must turn into cash the biggest part of our stock of Dry Goods, Notions, Mattings, Carpets and Rugs within the next two weeks, or else take the risk of having a good many of our goods ruined by dust. But we'd rather cut the prices and give our customers the full benefit.

Sale Begins Tuesday, April 19th,

and ends Saturday, April 30th.

All goods, with the exception of R. & G. Corsets, Coats Spool Cotton and Spool Silk, are included in this price cut.

We call special attention to our big stock of MATTINGS, CARPETS, RUGS.

When you buy

Coal

buy the best coal. If you want a cheap grade you will have to go elsewhere, as cheap coal is the most expensive in the end. A big shipment of canal coal just received. Try some. It is fine.

Pointed Paragraphs.

All girls want to be wives before they are angels.

Somehow a fool man generally manages to get a sensible wife.

No man ever poses as a hypocrite when alone with his thoughts.

No woman knows as much about herself as her neighbors know about her.

A woman cares not who is talked about so long as she can do the talking.

Many a young man after going the pace finds himself on the other side of the bars.

It's easier to find out what a woman's new bonnet cost than it is to ascertain her age.

One-third of a doctor's bill is for the prescription and the other two-thirds for guessing at your ailment.—Chicago News.

Kansas will send to the St. Louis exhibition a twelve foot ox made wholly of Indian corn—red for the body, white for the horns, yellow for the tail. Secretary Wilson says it is to be "an agricultural poem" to beat anything in the line of fine art ever since the days of the butter woman at Philadelphia.

Sciatic Rheumatism Cured. "I have been subject to sciatic rheumatism for years," says E. H. Waldron, of Wilson Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been through cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by James Plummer.

Some people put a penny in the collection plate and then expect it to buy them a man in the skies.

Robbed the Grave. A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at all drug stores.

In the trial of a divorce suit in Brooklyn, N. Y., the other day evidence was brought out to show that the couple fought 364 times during the year.

Best Cough Medicine for Children.

When you buy a cough medicine for small children you want one which you can place implicit confidence. You want one that not only relieves but cures. You want one that is pleasant to take. Chamberlain's cough remedy meets all of these conditions. There is nothing so good for coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by Jas. Plummer.

DEMOCRATIC CONVENTION.

A Call for The Democratic Convention and Primary.

By virtue of the power vested in me as chairman of the Democratic Executive Committee of Rowan county by the members of said committee, I hereby give notice that a primary will be held at each voting precinct in the county on Saturday May 28th, and a convention at the court house in Salisbury June 4th, for the purpose of nominating the following officers:

- One State Senator.
- Two members of the House of Representatives.
- Register of Deeds.
- Sheriff.
- Treasurer.
- Coroner.
- Five commissioners.
- Cotton weigher.
- Magistrates and constables and for the transaction of such other business as may come before the convention. Every Democrat in the county is invited to attend the primary in order to secure a full and free expression of sentiment with reference to the candidates who will offer.

At a later date the places at which the primaries are to be held will be announced.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil. Did you ever see a rosebush which despite the most beneficent environment of soil-of sunshine-and of atmosphere, seemed never to achieve a healthy growth? A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect. You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc. You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Only 50 cents, guaranteed, at all drug stores.
