

BIG GAME

awaits the man, woman or child who hunts here for bargains.
Why the way we are selling

Dry Goods, Millinery, Shoes, Clothing, Gents
Furnishings, Trunks, &c.,

ought to create, as Old Uncle Remus said, a lively time in the briar patch.

Our sale of Sample Shoes is still creating quite a stir in the shoe business, and the price on these sample shoes and oxfords is much cheaper than you can buy regular stock at. Come look 'em over; plenty of good bargains yet.

Millinery Department

Now if there is anything in fame we have certainly become famous as milliners. We have in charge of this department a trimmer with the most exquisite taste and talent to be found anywhere in the State, and you will find here a gorgeous display of correct styles at reasonable prices.

OESTREICHER'S

Great Rebuilding Sale of Seasonable
Merchandise.

The front of our store will soon come down.
Builders and workmen will soon begin work.

Before the old front is torn down, to be replaced by one which will be more modern and an ornament to Salisbury, we shall find it necessary to condense goods as much as possible. It means that we must turn into cash the biggest part of our stock of Dry Goods, Notions, Mattings, Carpets and Rugs within the next two weeks, or else take the risk of having a good many of our goods ruined by dust. But we'd rather cut the prices and give our customers the full benefit.

Sale Begins Tuesday, April 19th,
and ends Saturday, April 30th.

All goods, with the exception of R. & G. Corsets, Coats Spool Cotton and Spool Silk, are included in this price cut.

We call special attention to our big stock of MATTINGS, CARPETS, RUGS.

A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time. It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished by the application of Newbro's Herpicide. Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect." Sold by leading druggists. Send 5c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Brain Leaks.

Time here means eternity here. Seeds of doubt never fail to sprout.

Sin is always willing to compromise.

A fool and a slot machine make a good pair.

There is nothing quite so tiresome as the man with a grievance.

We pay men to make us laugh, but we can be grouchy for nothing.

Kind words are cheap, but often they accomplish more than money.

Of course boys will be boys, but that is no reason why they should not also be gentlemen.

Some men can give a dozen excuses for doing wrong and cover up the one reason for doing right.

Some men who take great care to tie their neckties straight pay very little attention to the straightness of their business methods.—The Commoner.

FLESH FORMING FOOD NEEDED.

Druggist T. F. Klutz & Co. Says Hal of Salisbury Ought to use Mion-na.

"We do not think," said Druggist Theo. Klutz & Co. to a SUN reporter, "that Klutz & Co. are making too strong a statement when they say that fully half of the people of Salisbury ought to use Mion-na, the flesh forming food. 'I do not mean by this,' he continued, "that 50 per cent of the people are thin and scrawny but I believe that every other person troubled with a weak stomach or does not get proper nourishment from daily food.

"In all these cases, Mion-na will do a wonderful amount of good. It is not a liquid, but a concentrated flesh forming tablet, costing 50c a box. It does not contain alcohol; is easily taken. Just one small tablet before eating and you can enjoy a hearty meal with the knowledge that health and good flesh will return.

"We have sold a great deal of Mion-na and it is the only true and natural way to gain freedom from stomach trouble. We have so much faith in it that with every package we sell we give a guarantee to refund the money if it does not give perfect satisfaction. The thin and sick who buy Mion-na, take no risk whatever. If it does not give the desired health, we will refund the money without question or argument.

Sam Sticks to It.

Sam Marshall and Robt. Joyce, of Mt. Airy, were here this afternoon on their return from Statesville. Mr. Marshall sticks to it that the Republicans will have another candidate for Congress in the Eighth district. He thinks the convention will be held next month.—Winston Sentinel.

Serious Stomach Trouble Cured.
