

SPECIAL SALE —OF— MILLINERY!

TO BEGIN TUESDAY, 19TH.

All pattern hats and ready to wear hats will be put on sale at just half price for this week.

We don't want to carry over any old stock for next season, so we much prefer selling all trimmed hats at a great sacrifice now than to carry any over.

We have had a much better season than we expected for our first season, and our stock is all new and this season styles, and they all go now at half price except sailors and white duck hats. Why not get a new hat.

Commissioner's Re-Sale of Valuable Real Estate.
Under and by virtue of a decree of the Superior Court of Rowan county in the case entitled, Walter S. J. Wickmer, Shelton S. Blackmer and others, ex parte, the undersigned will sell at public auction at the court house door in the city of Salisbury on Monday the 18th day of August, A. D. 1904, commencing at the hour of 12 o'clock p. m. to the highest bidder, the following described real estate:

One Lady's Recommendations Sold Fifty Boxes of Chamberlain's Stomach and Liver Tablets.
I have, I believe, sold fifty boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these Tablets.
—P. M. Shore, Druggist, Rochester, Ind. The pleasant purgative effect of the Tablets makes them a favorite with ladies. For sale by Jas. Plummer.

The Japanese must be good farmers as well as good fighters. The 45,000,000 inhabitants live almost entirely on the productions of a cultivated area about one third the size of Illinois.

Brutally Tortured.
A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by all druggists.

Fought in Court—Got on Chain Gang.
A lively and exciting scene occurred in court here today when a man named Davis was on trial charged with assaulting one John Ballow with an axe. The defendant's brother, Osborn Davis, was in court and during the trial he attacked Ballow and before the combatants could be separated a number of blows had been struck. The judge ordered the man to jail for 20 days for contempt and also sent him before a justice of the peace on the charge of assault. The magistrate inflicted a sentence of 30 days and the costs. The prisoner was unable to pay the costs and 20 days more were added to his imprisonment.—Asheville Dispatch, 19th.

Sympathy naturally goes out to the wife of a candidate who finds her happy home turned into a hotel for the entertainment of persons who never pay.—Washington Post.

They tell us that the value of the farm products in the United States is approximately \$4,500,000,000. Thus the gentlemen, who at sundry times dream of forming a great co operative monopoly to control the product of the farm may make some estimate of the size of the job they are so fond of undertaking.

Night Was Her Terror.
"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at all drug stores.

Where Town Boys Can Get Valuable Lessons.
Every boy brought up in town ought, if it is practicable, be sent to the country at this season and let him spend some time with the boys who go to bed with the chickens and get up before they come down from their roost. It will help them to drive up the calves from the pasture, milk the cows, pick up apples and pull weeds with the hogs, ride a horse or a mule bare back to the field, get an introduction to a cotton hoe and learn to side a row of cotton. The town boy who will do this will make some friends who will stay with him as long as he lives. He will not only make friends, but will make customers for his business, whatever that may be, and learn some valuable lessons in the meantime.—Raleigh Times.
