MR. ROOSEVELT AND THE POPULISTS.

A few Rowan county Populists, it is learned, will vote for Roosevelt. Whether or not they know Mr. Roosevelt's opinion of a Populist we are unable to say. What he does think of them, however, is made clear in the following deliverance by Mr. Roosevelt in 1896:

"Thrift and industry are quite incompatible with true Populistic feeling. Payments of debt, like the suppression of rioting, is abhorrent to the Populistic mind. Such conduct strikes the Populist as immoral."

The Populist who can vote for Roosevelt after hearing this gratuitous insult can swallow any dose offered by party bosses.

The suggestion that a monument be erected at Raleigh to the late Gen. Ransom should have immediate and enthusiastic endorsement. We North Carolinians are too prone to allow the memory of our great men to perish.

After all is said it must be admitted that Mr. Bryan doesn't like Mr. Roosevelt even a little bit and we are no judge if the Nebraska tour of Indiana does not result in much good for Parker and Davis.

It is high time for the funny paragrapher to let up on the war in the far East. That 40,000 Russians were killed during the seven days' fighting last week is proof positive that this is no dress parade affair.

It is interesting to hear that the Socialists will have a ticket in this State. It will be many a long year, however, before socialism gets a hold on North Carolina.

Columbia and Panama are both agitated. Well perhaps that climate is no worse for our soldiers than that of the Philippines.—Cincinnati Enquirer.

Some Southerners there is no suiting. In South Carolina forty-four years ago everybody was objecting to the Republican party because it had elected Lincoln. Now Senator Tillman, in his last speech, objects to the Republican party because it is "no longer the party of Lincoln."—Philadelphia (Rep.) Press.

Tom Watson owns over one-third of the county in which he lives in Georgia, and was so poor as a boy that he couldn't go to college. This is an example that others besides Populists would like to imitate.—Philadelphia Inquirer.

The Hon. Sharp Williams, who has been out West looking over the situation politically, says "the Democratic chances are improving by jumps."

LOSSES OF RUSSIANS 40,000.

Frightful Record of Slaughter Received at Tokio.

Tokio, Oct. 16.—In the reports of the great battle which continue to arrive from the front, the most striking feature is the terrible record of the Russian dead. Before the severe fighting on October 10, General Oku's army buried 2,000, making the total number of Russians buried by the Japanese, with Nodzu's army still to hear from 6,500. Applying the usual calculation and making reasonable allowance for the fighting of the 14th and 15th, the Russian losses will exceed 40,000.

Fragmentary reports of Japanese casualties are coming in. General Oku up to and including October 14th, lost 3,500 men. Estimates of the total Japanese losses are not possible, but they are small in comparison with the frightful losses of the Russians.

During the five days from October 10 to October 14, inclusive, our losses were about 2,500 killed and wounded, officers included. During the four days from October 10 to October 13, the number of corpses left by the enemy and buried by us reached 2,000. The enemy's dead after the battle of October 14, were very numerous. The prisoners taken numbered 80.

The principal trophies were 30 guns and many rifles, uniforms and accoutrements. The latter are still uncounted.

Our Lands Increase in Value.

Recently there was a sale of lands at Jackson, the county seat of Northampton county, N. C., and the local paper says that good prices were received. One farm of 370 acres sold for \$6,000, or over \$16 per acre, while another of 170 acres sold for \$4,110, or over \$24 an acre. These two farms were assessed for taxation at only \$6 an acre, or less than one-third what they sold for. All lands in the South have been held at ridiculously low prices, as there was little demand for them. But now that the South is growing so rich and prosperous, there is a double reason why her lands should greatly enhance in value.—Richmond Times-Dispatch.

Necessity has forced many a woman, to go on the stage—and it should force lots of so-called actresses back to the laundry.—Chicago News.

Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Jas. Plummer.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by Jas. Plummer.

The government's crop report

estimates that the yield of corn this year will be 2,468,000,000 bushels, which would make it the second largest corn crop in the history of the country. The largest ever harvested was 2,243,000,000 bushels in 1892.

The thousands of members of fraternal bodies in this State will be interested in the following message from John Theobald, prominent Forester who lives at 1111 York Street, Cincinnati.

Mr. Theobald writes, "For five years, I suffered with stomach troubles, having all the distress and misery that afflict dyspeptics. I could not enjoy eating, thinking of the suffering that would follow. My food did not digest, and although I took all kinds of medicines, I found nothing to help me, until I used Mi-o-na. Thanks to this remarkable remedy, I am now a cured man and believe that it made a permanent and complete cure."
