THE HOMICIDE OF SUNDAY.

An Eye Witness Says Mr. Grubb Only Protected Himself.

Mr. H. Clay Grubb is still in the Lexington jail but habeas corpus proceedings have been instituted and those who are most familiar with the case say he will be released within the next few days.

Last night an eye witness to the tragedy made a statement to the Sun reporter. His name is omitted inasmuch as he will be a witness at the habeas corpus proceedings.

The gentlemen in question says that he was at Mr. Grubb's home last Sunday and that Mrs. Grubb asked Mr. Grubb to drive to the church.

Mr. and Mrs. Grubb drove in one buggy and were in front of our informant and Mr. Dan Wilson.

They drove between the school house and church. Mr. Grubb turned and circled and drove back, looking for a place to hitch his horse.

In the meantime the Sun's informant had alighted and was in the act of hitching his horse when the shooting began.

Before he drove to the tree when he had started to hitch he saw Davis standing 15 or 20 steps from the school house door.

Just as the shooting began he saw Davis throw his right hand to a hip pocket and his left hand in front of his face.

He then staggered and fell. Davis was walking towards Grubb before the shooting began.

An interesting feature of the case is the fact that on last Saturday Davis told three prominent citizens of Lexington that there would be a shooting at Piney Church Sunday.

Other parties in the presence of whom he had made a statement against Grubb will be examined.

A CLEAN SWEEP

JAPS HAVE THEIR WAY ALL BUT ONE POSITION GONE.

The Russians Have Other News at St. Petersburg. Russian General Claims Several Victories.

St. Petersburg, Oct. 18.—Lieut. Gen. Sahharoff reports under today's date as follows: The Japanese yesterday evening attacked our right flank in considerable force but was repulsed.

We pushed forward and occupied positions at Shalantsi. A number of corpses were buried at Putiloff Hill. The enemy is now concentrating in large numbers against our centre.

There was no fighting on our left yesterday. It is noteworthy this dispatch makes no mention of the decided Russian success reported in dispatches from Mukden.

The last clause of the dispatch acts as a denial to the report that the Siberian regiments operating on the Russian left yesterday captured twenty-four Japanese guns.

Rome, Oct. 18.—A dispatch from Tokio to Calasia Militarist states that Oyama has asked for seventy thousand reinforcements. The dispatch also stated that Gen. Slossel, in command of the Russians at Port Arthur, has prepared to abandon the town, docks and fortifications with the exception of Liao Tsipian, where there are provisions and munition to last ten thousand men six months.

London, Oct. 18.—The St. Petersburg correspondent of the Exchange Telegraph Company writes that the general staff has received a telegram stating that the Russian right on the 17th advanced and drove out of the Japanese from six positions. The Russians captured sixteen guns and eight Maxim's. The battle still rages.

Vienna, Oct. 18.—Vigorous attempts are being made by the Russian court party to undermine the position of the Minister of Interior, Prince Mirsky, with the Czar. These officials represent that Mirsky's views are subversive to all previous traditions of the government.

In an audience with the Czar, Mirsky defended his program and offered his resignation which was not accepted. It is believed that his position has been greatly strengthened.

London, Oct. 18.—The correspondent of the Reuter Telegram Company with General Oku's army reports that the Japanese are now in possession of the entire Russian line except a small hill at the Russian left. The Russian centre, he says, retreated in disorder.

London, England, Oct. 18.—Baryon Hayashi, the Japanese minister, this afternoon gave out the following dispatch, received in Tokyo: Field Marshal Oyama: "Monday night the enemy twice made fierce assaults on the front of the right column of our left army. They also made smaller assaults in the direction of our central and right armies. We repulsed them all. The enemy retreated, leaving many corpses on the field."

SERVICES SUNDAY AFTERNOON.

Meeting at the First Baptist Church Draws Large Crowd.

Sunday was a red letter day in the spiritual life of the First Baptist church of this city.

Yesterday morning Rev. R. D. Haymore took for his text the last clause in Jeremiah, 51:60, "And let Jerusalem come into your mind."

After impressing upon his hearers the dignity of the church he placed it upon a pedestal, raising it far beyond any other organization in the world.

A faithful, consecrated, loyal church member will say: "I care not where God's churches lift their towering spires in air, I only know I cannot drift beyond its love and care."

He urged church members to raise their heads and proudly own their relationship to the church of the living God, and never live in a manner that would bring shame to their church.

At the close of the sermon, which was a masterly effort, an invitation was extended for sinners to come forward for prayer. About twenty came, giving their hand, thus acknowledging their willingness to become Christians.

Large congregations were present at both the morning and evening services. Services will be held today at 3 p. m., and this evening at 7:45.

Whereas, death has removed from our Tribe our honored friend and brother Watson Thomason, be it

Resolved, That Saponno Tribe No. 33 I. O. R. M., does hereby express its sense of the loss of a friend and brother whom it deeply mourns.

One who was a true friend to the Tribe and its individual members. Always kind and pleasant to those whom he came in contact with, and one who was admired by all who knew him for his true manly qualities.

Resolved, That in his death his family has lost a kind, loving and indulgent husband and the Tribe an esteemed brother and the community a worthy citizen.

Resolved, That this Tribe extends to the bereaved wife and family its heartfelt sympathy in their sorrow and affliction and commends them to the Great Spirit who watches over and protects all.

Resolved, That these resolutions be spread upon our records and that our charter be draped for thirty days, and that we wear the usual badge of mourning for thirty days, also a copy be sent to the family of deceased and to the Salisbury Sun for publication.

PRIZE FIGHTER KILLS NEGRO.

Joe Walcott Shot and Killed Friend by Accident Today.

Boston, Mass., Oct. 18.—Joe Walcott, the negro prize fighter, shot and killed Nelson Hall, also a negro, at negro dance at University Hall this morning.

There is little doubt in the minds of the police that the shooting was purely accidental. Walcott was showing friends a new magz'ne revolver he had when the gun went off, the bullet piercing Walcott's hand and striking Hall, killing him almost instantly. Walcott is held.

NORFOLK'S BIG HIT. Dolly Varden Captivated a Big Audience in Norfolk.

The Norfolk Dispatch says of Dolly Varden which appears in Salisbury Friday night: The strongest singing company that has been seen in light opera in Norfolk for several seasons last night presented "Dolly Varden" at the Academy of Music to an audience of comfortable proportions, which insisted on encore after encore for the numerous tuneful selections that contribute so materially to the success of the production.

Besides being singers of remarkable ability the principals and chorus make up a decidedly capable acting company and, on the whole, it must be said that "Dolly Varden" was sung last night better than on the occasion of Miss Glaser's visit. The production is well worth seeing and well worth the price of admission. A large audience saw the matinee performance and again tonight the opera will be repeated to excellent business.

ELECTION PROSPECTS. Taggart Makes No Forecasts, But Republican Managers Do.

New York, Oct. 17.—"I could not be better satisfied with the prospects for Judge Parker's election," said Chairman Taggart at Democratic national headquarters today. When asked if he could give any figures or name the States which he depended upon to elect his candidate he said: "I have never in all my life given out figures before election. I do not believe it is good policy. The national committee will doubtless discuss the advisability of such a course this campaign, but it is quite doubtful if we shall make public any estimates."

"If we do give out any they will be Mr. Taggart's own figures and no bluster."

A Bright Young Man. Spartanburg, S. C., Oct. 17.—Ralph Rogers, the 18 year old son of Rev. W. A. Rogers, the financial agent of Wofford College, died last night from a pistol wound in the head.
