NEWLAND CONFIDENT.

IS EXPECTING 2,000 MAJORITY.

The Democratic Nominee Figures on the Majority

W. C. Newland, E. q., the Democratic nominee for congress, was in Salisbury this morning, having coming down last night from Mooreville, where he and Mr. Blackburn spoke yesterday. No man in the United States is more confident of election than is Mr. Newland. Said he this morning: "My majority will be in the neighborhood of 2,000. I am not making any boast nor do I propose to be deceived by any false hopes. I have conceded everything reasonable in making my estimate and I feel no apprehension that the vote will even be close."

This afternoon, at 2 o'clock Messrs. Newland and Blackburn met in joint discussion at Enochville and tomorrow at the same hour they will speak at China Grove. Tomorrow night Mr. Newland will speak at the public square at 8 o'clock and Mr. Blackburn at Chestnut Hill.

A GROUNDLESS SCARE.

No Danger of Scarlet Fever in the Schools.

Superintendent Griffin says today that there is absolutely no reason for concern. The child has not attended school since last Friday and the case of scarlet fever did not develop until Wednesday. All parents who have felt any uneasiness over the matter are assured that there is no danger.

BELL COMPANY'S CHANGES.

New Manager Appointed and Mr. Heins Will Resign.

The Bell Telephone Company has named Mr. E. C. Land, of Reidsville, to succeed Mr. U. G. Scott as manager of the local system and Mr. Land has already assumed charge. Coupled with the announcement of Mr. Land's appointment is a statement from Mr. E. C. Heins, the popular inspector of the system, that he will tender his resignation at once. While not an applicant for the position of manager Mr. Heins feels displeased that he was unjustly treated when, after having done much to establish the Bell interests here, he was ignored in the selection of a manager.

CLEVELAND'S BIG DAY.

NEARLY 500 PEOPLE THERE.

Craige and Self Arouse the Democrats of That Section

Yesterday was a red letter day for the militant Democracy of Cleveland and in fact for all Western and Northwestern Rowan. A barbecue at Cleveland has become a feature of the Democratic campaign which has always been instrumental in awakening enthusiasm. Yesterday fully 500 people were assembled to hear the gospel of Democracy preached by Messrs. Locke Craige, of Asheville, and W. A. Self, of Catawba, who is the Democratic elector-at-large, spoke in the morning after being introduced by Mr. Burton Craige. Mr. Self devoted himself entirely to national issues and in a speech of one hour eloquently and ably defended the Democratic platform, at the same time scoring Roosevelt and Rooseveltism.

At 1 o'clock the barbecue, supplemented by a basket dinner was spread in a grove. There was more than sufficient dinner and a dinner of rare excellence it was, too.

At 1:30 o'clock Mr. Craige was introduced by Mr. W. Thomas Bost and for two hours his audience was all attention. The speaker was in his happiest vein and as he showed up the record of the Republican and Democratic parties on State and national issues he was heartily applauded. Mr. Craige's speech was one of the really great efforts of the campaign and did much good.

AS TO CROWDS.

Hon. Theo. F. Klutz Gets a New One From Daniel Hugh McLean.

"Speaking of the small audiences that have heard so many campaign speakers this year," said Hon. Theo. F. Klutz this morning, "reminds me of a conversation I had with Daniel Hugh McLean at Greensboro the other day."

"What sort of crowds do you have this year, Dan?" I asked.

"Well from three to five hundred."

"That's not true."

"Hold on, you speak harshly. I mean to say that I have never spoken to less than three people and certainly to not more than five hundred."

And Mr. Klutz admits that he had the small end of it.

MR. KERSCHNER DEAD.

RESULT OF INJURIES RECEIVED.

The Son of Rev. L. M. Kerschner Dies at Spencer.

Mr. Hirschman Kerschner, aged 18 years, son of Rev. and Mrs. L. M. Kerschner, of Spencer, died at an early hour this morning after a lingering illness of several weeks. The funeral will take place at the home at 2 o'clock Saturday afternoon, being conducted by Rev. Dr. Romple, of the First Presbyterian church, Salisbury. The interment will be in the Salisbury cemetery. As mentioned before young Mr. Kerschner, who was a young man of exemplary habits and character and highly esteemed by all who knew him, has been a sorely afflicted sufferer this year. Early in March he had the misfortune to fall under a moving passenger train near the Spencer station by which he lost one foot and a part of his leg from which injuries he never fully recovered, his illness drifting into a tubercular trouble. His parents, two brothers and a sister, who survive him have the sympathy of the entire community.

The police officers made a raid on the refreshment stands at the fair grounds today and arrested two or three people on the charge of selling beer. Warrants were served on Messrs. John Webber and Sydney Swigg, both of whom have been selling a liquid refreshment labeled malt. The malt was sold along with sarsaparilla, ginger ale and other drinkables at the refreshment stands, but the police officers assert that the bottles labeled malt contain nothing more nor less than a fair quality of beer. —Charlotte Chronicle.

EXPONENT OF NATURALNESS

One of the Charms of Miss Helen Grantly's Acting

Lovers of pure and wholesome comedy will find the object of their appreciation at Meroney's opera house on Monday night, 31st inst., when Miss Grantly will make her annual visit to this city, presenting a revival of her greatest success "Her Lord and Master."

Miss Grantly is a beautiful character in stage life and as a real, genuine, high class star, she has few equals at the present time. She has a large following in this city, and it is in good taste to prophesy that she will be given a most cordial greeting by local theatre goers. Miss Grantly is a most enthusiastic exponent of naturalness on the stage, and in "Her Lord and Master" finds full scope for this quality in the character of a vivacious American girl whose doting father, mother and grand-mother have spoiled her with a too indulgent overlooking of her many caprices.

An exceptional company will support Miss Grantly, while a carload of special scenery will add to the production.

QUIET TO-DAY.

ENGLAND IS SATISFIED

SO THE REPORT GOES NOW.

The King Lays Aside State Cares and Goes to the Races—A Meeting of the Cabinet Held Today.

London, Oct. 28.—Members of the British cabinet called together for the purpose of discussing the dispute between Russia and England, adjourned at 4:30 this afternoon. As the ministers were leaving the foreign office they were laughing and chattering, indicating that a peaceful settlement of the dispute with Russia had been reached. The Reuter Telegram Company states that England's demands upon Russia include a notice that unless satisfaction is given concerning the punishment of the officers of the Baltic fleet who fired on the British fishermen vessels of the Baltic fleet they will not be allowed to proceed beyond Tangiers.—After the cabinet meeting Lord Lansdowne held a long conference with Russian Ambassador Benckendorff, at which it is presumed the latter was informed of the result of the deliberations of the meeting. King Edward attended the races at New Market this afternoon. This is taken to indicate that the issues between England and Russia will be amicably adjusted.

St. Petersburg, Oct. 28.—There is no change in the situation regarding the dispute with England. All the officials fully credit the version of the firing on the British fishing vessels sent by Admiral Rodjstvenski, who is in command of the Russian Baltic fleet and everything awaits the Czar's action.

London, Oct. 28.—There is an absence of official news this morning regarding the situation created by the Russian Baltic fleet firing on the British fishermen, but the atmosphere is rapidly clearing and it is believed Lord Lansdowne, the Foreign Secretary, will be able to announce at the cabinet meeting today that a settlement of the difficulties is in sight. A dispatch to the Central News from Gibraltar says the British cruisers Lancaster, Suffolk, Doris, Hermes, Edimion and Thesus left there headed westward. It is believed their destination is Tangiers. A dispatch to the Exchange Telegraph Company says the cruisers have left Gibraltar for Vigo, Spain, where the Russian Baltic fleet is now at anchor. At the Russian embassy the following statement has been issued: "We are in constant communication with the British government and as the result of those communications the embassy hopes there will be a speedy and satisfactory settlement. The whole aspect of the situation has decidedly improved."

Madrid, Oct. 28.—A telegram from Vigo, Spain, reports that the Russian Baltic fleet departed today for the Far East.

Exonerates Wife on Stage.

Columbus, Oct. 27.—John Williams, known on the stage as Harrison J. Wolfe, agrins: whom an alimony decree of \$25 a week was given here yesterday, stepped before the curtain before the last act of "Hamlet" at the Grand last night and, referring to the decree, stated that he wished to say that all he had said reflecting on his wife's character was untrue. He had named a half dozen well known Columbus men as co-respondents.

We are ready to do that little job of printing for you.

MISS TROUTMAN DEAD.

A Resident of the County Died This Morning.

Correspondence of Sun. Faith, October 28

Miss Millie Troutman died this morning about 3 o'clock near Organ Church. She was a daughter of the late Monroe Troutman. Mr. Will Josey, of Marven, N. C. is moving to Rockwell, where he will engage in business. Mr. Fraley who lived near W. S. Brown's plantation, has moved to Faith near the granite works where he will be near his work. This is another family added to Faith population.

WON'T PROSECUTE YOUNG WOMAN

Merchants Who Lost Goods by Shop-Lifter Will Not Prosecute.

The merchants whose goods were taken yesterday and the day before by the North Carolina young woman will not prosecute her, says the Charlotte News.

Attorneys for the woman will appear before the recorder this afternoon and waive examination when the case is called and bond will be given for her appearance at the November term of the criminal court. When court meets then the merchants interested will join with her father in asking the solicitor not to prosecute. In this way it is hoped to keep the case from coming up for trial and the plan was adopted at a conference this morning between the father and his attorneys and the merchants. It is needless to say that full restitution for the stolen property has been made. The father is not only a man of wealth but a man of strictest honor and integrity, who would rather have had his very life crushed out than for this blow to have fallen upon him. The goods will be restored and all possible amends will be made.

The father is well nigh heart broken. He has had a happy home, not free from sorrow, for only recently death had entered the home and taken a child, but a home free from any stain of any kind, and free from the sorrow caused by sin. He says that he can see or offer no possible excuse for the girl's conduct except that she was temporarily unbalanced. The girl herself, is today completely prostrated and feels keenly the trouble she has brought upon herself and family and is suffering greatly. She will be taken home tonight.

686,000 SCHOOL CHILDREN.

Business was practically suspended, and the flags were half masted on the ships in the harbor. Thousands of people lined the route to the cemetery.

THEY HAD A SALISBURY OFFICE.

Mr. Grimes Will Make Full Settlement With Customers.

The brokerage business of Gattis & Grimes, which has enjoyed a good patronage here for the past twelve months, was closed yesterday, announcement being received of the failure of J. Walter Larabee & Co., of New York, with whom they were associated. It is said in this morning's papers that the firm failed for \$800,000.

Mr. Grimes said this morning: "As soon as I learned of the failure I gave notice to my patrons that the Salisbury office would be closed for a few days. All our Salisbury patrons will be paid in full and I will resume business shortly through new correspondents. I trust to retain the confidence of the Salisbury public in the future as I have in the past."
