Learned ItIf you suffer from backache,
There is only one way to cure it.
The perfect way is to cure the kid-
neys.A bad back means sick kidneys.
Neglect it, urinary trouble follows.
Doan's kidney pills are made for
kidneys only.Charles L. Neilson, of Troutmans,
Fredell county, N. C., writes: "I want
to say a few words in praise of Doan's
Kidney Pills, as they are the only
thing that ever gave me relief from
kidney troubles in my case, and they
finally affected a permanent cure. I
have tried dozens of other so-called
kidney cures without any effect, but
three boxes of Doan's Kidney Pills
entirely cured me. I recommend
Doan's Kidney Pills to all my friends
who complain of kidney trouble or
backache, and am very glad to do so
on every occasion."Plenty more proof like this from
Salisbury people. Call at the Salis-
bury Drug Co.'s store and ask what
their customers report.For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.
Remember the name—Doan's—and
take no other.**Trees That Make a Noise.**
A curiosity is known in the tropics
as the sand bark tree and also as the
monkey's dinner bell. It has a round,
hard shelled fruit about the size of an
orange, which when ripe and dry
bursts open with a sharp noise like
the report of a pistol. Its juice is
poisonous. The South American tramp
tree might furnish a band with
musical instruments, inasmuch as its
hollow branches are utilized for horns
and also for drums.**His Better Experience.**
"Can't you swallow even a sugar
coated pill?"
"No. You see, the blamed thing
seems to take its coat off before start-
ing on its trip."**A New Business**I have again located in Salis-

CAROLINA TAILORING CO.

A Nice Point of Law.During Queen Victoria's reign one of
the solicitors of the queen who had
jurisdiction over capital cases chanced
to be a man named Bacon. By a curi-
ous chance a man named Hogg was
condemned to death under his juris-
diction. The day before the execution
Hogg sent for his executioner, Bacon.
The prisoner pleaded for interference
in his case because of his claims of re-
lationship to Bacon. The solicitor, al-
ways ready with a reply, answered:
"I have no proof of our relationship.
You are doubtless mistaken. At any
rate, the execution must take place, for
only in that way can matters be set
right. Hogg is not Bacon until it is
dead." It is said the prisoner laughed
in spite of himself.**The King of Mollusks.**The king of mollusks lives in the In-
dian and south Pacific oceans. He at-
tains to a weight of 500 pounds and the
shell is of the bivalve kind, and the
shape is about the same as that of our
common fresh water mussel. The gi-
gantic tridacna is the largest mollusk
known to have lived on the earth since
the silurian age. It is found on the
bottom of the shallow parts of the
ocean, and the large individuals have
no longer the power to move about.
They lie on one side, and all about
them the corals build up until King
Tridacna is sometimes found in a well-
like hole in the coral formation.—St.
Nicholas.**BITS FROM THE WRITERS.**The people who have a chance are

speculation.—Anthony Hope.A true patriot does not hate the for-

ment a man has £20 clear to leave he
will begin spending money on testa-
mentary disposition. I have even
known a small farmer whose savings,
after the realization of his property
and the payment of his just debts,
could not have exceeded a £10 note
to spend £8 or £4 a year over a course
of thirty years in having fresh will
drawn up. As a matter of fact, when
he died at last a will was in force iden-
tically the same as the first one I had
drawn up for him thirty years before.
He had saved the money he spent
with me and had put it out at com-
pound interest he would have had a
very snug sum—well on toward four
figures—to add to his estate."**Wanted Details.**The schoolteacher was describing her
encounter with an impertinent tramp.
"And then," said she, "I fainted."
"Wit yer left or wit yer right,
