What a beautiful world this would be if natural flowers would only grow to resemble their pictures in the seed catalogues.

A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with germs became bald in six weeks' time.

It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ which act is successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide. Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., 512ch.

Tensure of Boss Rule

No ruler is so valuable as a political boss. There are no legal or constitutional forms which must be gone through with to bring about his deposition. He is boss only so long as the mass of the people are either willing that he should rule or unwilling to take the trouble to dethrone him. With all the criticism and attacks upon the forms of popular government is what the people make it. They will usually get as poor a government as they will put up with, just as a man in private life gets as little for his money as he is willing to accept.—New York World.
