says the doctor to many of his lady patients, because he doesn't know of any medicinal treatment that will positively cure womb or ovarian troubles, except the surgeon's knife. ### REFLECTIONS OF A BACHELOR

From the New York Press  
It's a funny thing that no one ever saw a girl out driving with a one-armed man.

A woman thinks she has a good appetite when she wants to eat corn on the cob and vanilla ice cream with hot chocolate sauce.

The man who invented pianos for children to practice on over your head in a flat must get deeper into purgatory every year he stys there.

It makes a woman awful proud of her good influence to think that her husband has gone to the races and lost and then to find out he was only playing poker and won.

When a man sits at a girls feet under a tree and plays a banjo to her she thinks that it is the way they would go on doing after they were married and had seven children.

### Handicapped

Columbus Dispatch.

"Yes sir," said the pompous citizen, who rates himself at half a million, "I began life a barefooted boy, and see what I am today!"

"That's all right," replied the easy-going man, whose sole assets consisted of one wife, six children and nine dogs "You had a big advantage over me at the start."

"How's that?" queried the p. e. "You began life a barefooted boy," rejoined the other, "while I was compelled to begin as a barefooted babe. See?"

When you feel a sense of weight and oppression after meals it means indigestion. Hollister's Rocky Mountain Tea positively cures indigestion, constipation and stomach troubles. 35 cents, Tea or Tablets.

### Very Painful

Detroit Tribune.

"Maj. Bluffin tel us that he escaped out of one great battle with several hundred marks on his body."

"Ab, stings of the cruel bullets?"  
"No stings of the cruel horns." The major, in his haste to climb a tree, overlooked a white nest that was hanging above him."

Cures dizzy spells, tired feeling, stomach, kidney and liver troubles. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tablets.

### CURE FOR HAY FEVER

Theo. F. Klutz & Co., Say Hy-omei Will Give Relief--Sold Under Guarantee.

Theo. F. Klutz & Co. wish us to announce that when Hyomei is used as a preventative, or a cure, there will be no hay fever. They advise daily treatment with Hyomei for two or three weeks before the usual time for the annual appearance of hay fever. If this is done, the attack will be prevented. However, if the preventative treatment is not started soon enough, and the disease makes its appearance, use Hyomei six or seven times daily, and relief will be given at once.

There is no stomach dosing when Hyomei is used. Breathed through the neat pocket inhaler that comes with every outfit, its medicated air reaches the minutest air cells, killing all germs and soothing and healing the irritated mucous membrane.

The complete Hyomei outfit costs but \$1, extra bottles 50 cents. It is the only treatment for hay fever sold by Theo. F. Klutz & Co. under a guarantee to refund the money if it does not give satisfaction.

**Unreasonable Woman.**  
His wife asked him to read to her. Taking up the paper, he turned to the woman's page and started with the first article that attracted his attention. It was by a distinguished medical authority on the subject of correct breathing and began:

"As a means for preventing wrinkles in the face it is certain that the practice of keeping the mouth shut is one of the most positive."  
"That will do, sir!" she snapped. "I asked to be entertained, not to be insulted."—New York Press.
