NATURE SPARES

The Stricken Rose From Grief.
What a fortunate provision of nature it is that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

The Two Evils.
There's just two things that break up most happy homes," observed the Pöhlck philosopher.

"What's them?" inquired the Squeak philosopher.
"Woman's love for dry goods and man's love for wet goods, 'gosh!"—Washington Post.

Jack Ford—Did you see that girl cut as then? Frank Wilcox—I noticed she didn't bow. Jack Ford—And yet I saved her life! Frank Wilcox—How? Jack Ford—We were engaged, and finally she said she'd rather die than marry me, so I let her off.

Comforts the heart, strengthens the mind. Is good ill or well. Makes the face bright as the summer morn. That's what **Plummer's Rocky Mountain Tea** will do. Cures when all else fails. 25 cents.

SCROFULA One Cent a Word

FROM PARENT TO CHILD

The laws of heredity are invariable and the diseased blood of parents is handed down to children in the form of Scrofula. Being thus deeply rooted nothing can reach the disease but a constitutional remedy. The very foundation of the blood is diseased, and until it is purified and made strong, those who are born with a scrofulous tendency cannot have the blessing of robust health.

Cleveland, O., 122 Brownell St.
I inherited Scrofula from my ancestry, and this means, of course, weak, impure blood and a run-down, debilitated condition of the system. Treatment of physicians did not do me anything like the good S. S. S. did last winter when I took it. It promotes appetite and digestion, gives strength and energy, builds up the general health in every way, and in addition to being an excellent blood purifier it adds to its success as a remedy for Scrofula. It did more for me than anything I have used, and with pleasure I recommend it. S. S. S. completely cured me of this blighting disease.

MRS. LOUISE COHEN,
S. S. S., the king of blood purifiers, is the medicine that is required, because it changes the quality of the blood by cleansing it of all poisons and impurities, building it up and strengthening the entire system. When S. S. S. has restored the blood to a healthy condition and forced out the scrofulous deposits, there is a sure return to health. No remedy has ever been found to equal this great vegetable preparation for the cure of all diseases arising from a diseased or impure blood supply. If you have Scrofula or any tendency that way write us all about your case and we will send you a book describing the disease and give, without charge, any medical advice you may need.
