The need is urgent, prudent counsel is expected, efficient practical and disinterested direction required. In union there is strength. In complete, established and harmonious union there is powerful good. Time is a great factor." ** The resolutions adopted by the Texas Farmers' Alliance convention ask con-	It appears from the report given out at the treasury department each day that nearly one-half of the interest due on or before July 1, 1891, on 4 per cents of 1967, and currency 6s has been pre-paid under the circular of September 6th, and the public announcement of September 15th. The new lottery bill, passed by con- gress, has struck a most deadly blow at the lottery companies. Prohibicing the mailing of letters addressed to lottery companies had no effect whatever; but this new haw will kill the elephant, for it pressible the mailing of it	and without any announcement of the csult, further proceedings were dis- based with, and the vote again recurred on approving Friday's j-urnal. Agreed o. Monday's journal was also approved without objection. The question then courred upon the first of the majority resolutions to unseat Venable. It was greed to. Then came the question on the seating of Langston, and it was carried on a division. The previous question was ordered and despite a protest from Mr. Kerr, of owa, that some reason for its adoption

Elliott and seating Miller was agreed to without division. Further proceedings were remarkably expeditious, and Mr. O'Ferrall, the lonely democratic sentinel, was absolutely powerless to check the majority in its full swing. The yea and nay vote declaring that Venable was not elected showed that there were 165 republicans in attendance, including those who did not vote, but were peried. It is somewhat of a coincidence that the two democrats unseated by the house

Tuesday-Venable, of Virginia, after a protracted fight, and Elliott, of South Carolina, without a word of discussion, went before their nominating conventions Wednesday.

In the senate, on Tuesday, Mr. Hale introduced a joint resolution, which was referred to the committee on public buildings and grounds, for the crection in the District of Columbia of a memorial building which shall be a suitable monument to the memory of U. S. Grant. The resolution authorizing the select committee on relations with Canada to continue its investigations during recess and report. At next session was agreed to. At 2 o'clock the senate went into executive session, at 4:20 the doors were re-opened and legislative business was proceeded with. After an hour devoted to the calendar, in which no business of public importance was transacted, the bill, with senate substitute, to define and regulate the jurisdiction of courts of the United States, was taken up. As no quorum voted upon it, the bill went over without action and the senate adjourned.

In the house, Bob Kennedy's speech, in which he denounced Senator Quay as a convicted criminal and a second Judas Iscariot, was stricken from the permapent Congressional Record, Wednesday morning, and the Ohio man was censured by a voce of the house. The resolution of censute reported from the judiciary committee passed by a vote of 151 to 35. Howwer, Kennedy did not retract a word he said. He was allowed twenty minutes in his own behalf, and in When the hour for the sitting of the that time he asserted that the charges court arrived, an immense crowd he had made were true, and he felt confihad collected before the court dent that the country would uphold him. house, ready to rush in the mo-Not a single democratic paper had commented favorably upon his speech, but hundreds of republicans had commended strongly his utterances in the memorable speech. He had also received thousands of letters from republicans all over the country commending him for what he had s id. Mr. Hitt, of Illinois, from the committee on foreign affairs, reported a resolution calling on the president for information relative to the killing of Gen. Barrundia. The resolution was adopted.

in the senate, on Wednesday, Mr. Frye offered a concurrent resolution (which was agreed to) directing, the secretaries of state, treasury, war and navy to examine, report and recommend the action of the international marine conference of February, 1890. An hour was devoted to bills on the calendar unobjected to. The house bill providing for the adjustmember of parliament for Dublin, and ment of accounts of laborers, workmen Mr. Halifax. Both had their heads cut and mechanics arising under the eight hour and came into the court with blood driplaw; and the bill to prevent the product of ing over their coat collars and faces. At convict labor being furnished to, or for last, however, the crowd was gradually the use of any department of the government, also the conference report of the house joint resolution to increase the number of the board of managers of the National Home for disabled volusteer soldiers and to fill vacancies in such board were discussed at length, but all went over without action. The senate bill to pay to the personal representatives of Captain John Ericsson \$13,930, found to be due him by a decree of the court of as short executive scool, journed. In the house, on Thursday, on motion of Mr. Lacey, of Iowa, a resolution was adopted directing the clerk of the house to forward to the governor of Arkansas, a copy of the resolution declaring that there was a vacancy in the second congressional district of that state. The house then proceeded to the consideration of the conference report on the land forfeiture bill. The conference report was adopted. Conference reports was also agreed to upon bills granting a pension of \$100 monthly to the widow of General Hartranft, and for the relief of settlers upon the Northern Pacific indemnity lands. Mr. Payne, of New York, chairman of the special committee ap-pointed to investigate the Silleot defalcation, called up the bill defining the duties of the sergeant at-arms. The bill enables the sergeant-at-arms to make a requisition directly upon the treasury for the pay and mileage of members, and constitutes him, in explicit terms, a disbursing officer, limiting his compensation to his present salary. The bill was passed. Mr. Boutelle, chairman of the committee on naval affairs, reported a bill appropriating \$1,000,000 to enable the secretary of the navy to purchase nickle ore or nickle metal for the manufacture of nickle-steel armor, and asked for

Gov. Campbell and Mayor Mosby delivered the welcoming addresses. and ex-President Rutherford B. Haves, president of the association, made a reply. The work of the congress will continue until October 1st. One hundred and fi ty delegates from all parts of the 'United States will be in attendance.

SIX MILLIONS

ARE THE LIABILITIES OF THE POTTER-LOVELL FIRM.

A Boston dispatch of Wednesday says The footings of the Potter-Lovell liabilities have been reached and the indebtedness of all kinds is found to have been about \$6,000,000. The direct indebtedness in banks is about \$3,000,600. The direct liabilities are large because of guarantees placed upon a great deal of the paper. Before any settlement can be reached, the amount of this guaranteed paper that will ultimately fall within the note brokers' liabilities must be first ascertained.

Orders have been issued by the German Emperor that those members of the aristocracy who have married the daughters of trades-people shall be excluded from the court receptions. This, the Emperor says, is not that he objects to trade, but to the mercenary spirit of those who propose such alliances.
