## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medicinal triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a bottle of Swamp-Root sent to them, free of charge, if they will send a stamped envelope, with their name and address, and a few lines telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### Rock.

Farmers are plowing this morning though it is a little too wet.

There was a large funeral at Organ Church yesterday. Jacob Barger who died Monday night was buried. Mr. Barger has been in bed for five months. Bone erysipelas is thought to have been the trouble. Mr. Barger was well thought of by all who knew him, and leaves a large family and many friends to mourn his loss. He was sixty-three years old.

A few nights ago John Holschouser's horse got fast in the mud, or fell down on the Honey-cut hill, and Holschouser having imbibed rather freely, went off leaving the horse and buggy. The horse and horse was found by Chas. Smith, who dragged them out. The horse was dead when Smith

Rube Rothrock's corn has been getting away. Gill Mooney was caught going in the crib a few nights ago. As it was a family affair it was settled by compromise.

### DION.

### Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues.—Jas. Plummer.

### Rockwell.

The wheat has been somewhat damaged by the rain and cold.

There will be an entertainment at Bethany Academy, on Saturday before Easter, and Easter Monday: A nice time is expected, and everybody is invited.

There was plenty of rain last Sunday. We think it was no wonder, for one of Rockwell's best, and most industrious farmers has plighted his troth. The contracting parties were M. W. Stike leather, and Mrs. Coley, of Faith. Guess they will have plenty of beef to eat. It has been said that they were the happiest couple ever seen joined in the holy bonds of matrimony. Boys, there is some chance for us now, if all the old ones are gone. Think perhaps we will stand in right well. We extend the happy couple our congratulations and best wishes.

There will be communion services at Ursinus Reformed church, on the third Sunday in April. Preparatory services on Saturday night.

Some of our boys were talking about visiting the Organ Church neighborhood Saturday night and Sunday, but I guess it was too

rainy for them. They will probably go sometime in the future.

A large crowd gathered at L. W. Gant's Saturday night with their musical instruments and gave some nice music. Young people in this community have devoted much of their spare time to the practice of music, and are becoming quite proficient.

WAVAW.

### A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after a few days my stomach was restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet.—Jas. Plummer.

### Lisk.

Mr. Ed—Will you allow a new pencil pusher to come into your crowd, so I may try it again.

Owing to so much rain in this section for the last two weeks, the farmers are behind very badly with their farm work.

The wheat and oat crop in this section is looking very fine and if it don't frost to kill it, there will be a large crop raised.

Miss Avline Whitley, of this neighborhood, who has been confined to her bed for the last two weeks with grip, is able to be out again, we are glad to note. But she can't hardly make a shadow.

W. Love Kirk of this neighborhood, has purchased a fine team of mules. I tell you they are beauties.

P. C. Shaver & Co., are doing lots of sawing along now and they have a fine lot of logs on the yard.

Miss Sattie Taylor, the popular saleslady of the firm of Taylor & sons, of our town went visiting friends in the neighborhood of

## Tired Out

"I was very poorly and could hardly get about the house. I was tired out all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well."—Mrs. N. S. Swinney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about the grand old family medicine. Follow his advice and we will be satisfied.

J. C. Ayer Co., Lowell, Mass.

### Liberty X Road.

There will be a public debate at Liberty schoolhouse, on Friday night, April 10th. The subject for discussion is: Resolved that our forefathers were justified in driving out the Indians. This will probably be the last debate at this place for the season. The house will be called to order at 7:30 o'clock sharp. All are invited to come.

Roby Hill has planked in his house and lot. That's right. I heard him say he had to make some kind of a "gal" trap, and I expect that's it. Look out Princess.

Texas Jack will tell you of a wedding before long, if the boat don't rock too much.

C. G. Frick is talking of buying a plantation. Look out Mary.
