JULY 14, 1903.

Double Execution.

Carbondale, Ill., July 10.—Fully 10,000 people gathered at Marion today to witness a double legal execution. All during the night trains brought people. All trains were crowded and the electric lines were packed. The knowledge became general that Sheriff Harris would execute the murderers, Graves and Price, at 9 o'clock. They passed a restless night and arose early. Both had embraced religion and were constantly attended by ministers. The men were led to the scaffold at 9:31. Both made short talks, warning young men of the fate that had overtaken them. The drop fell at 9:36. Price's neck was broken, but Graves was strangled to death.

A Dish of Carrots.

New carrots are among our most wholesome vegetables. They are delicious cooked as follows: Scrape lightly and cut into shreds; cook in salted water. Strain off the water, add a little onion juice and a lump of butter and return to saucepan until the butter is melted, shaking the carrots about in it until all are glazed. Pour into a hot dish for serving. If you have green peas boil a cupful of them and pour over the carrots when they are in the dish. It makes one of the prettiest of vegetable dishes and is as good as it looks.—Ex.

Conscience Fund Payments.

Washington, July 11.—A second installment of \$500, mailed at Boston, was received at the treasury today for the conscience fund. Like the similar amounts received yesterday, the contribution is in bills of \$100 each, and the envelopes and chirography are similar. Treasury officials are wondering whether Monday's mail will bring a third installment and how long the remittance will last before the man's conscience is appeased. No intimation was given of the manner in which the government was defrauded of this amount.

Promotion for Capt. Lamberton.

Washington, July 11.—It is currently reported in naval circles that Captain Benjamin P. Lamberton, who was Dewey's chief of staff in the battle of Manila bay and the companion of former President Cleveland on his game shooting expeditions, will succeed Rear Admiral Summer as commander of the South Atlantic naval station. Admiral Summer will be relieved in December and Captain Lamberton will become a rear admiral shortly thereafter.

Rev. N. D. Bodie and family were pleasant callers at the home of L. R. Lingle Sunday.

The singing class at Christiana will begin next Saturday, July 18. The new books will be ordered and we hope every one who expects to attend the singing class will be present.

Charlie Lingle has been sick for the past few days.

Look out boys, we think there is going to be a wedding in the neighborhood soon.

Little Maggie and Viola Lingle will take music this summer.

Rev. N. D. Bodie preached his first sermon at Christiana Sunday, July 12. Rev. Bodie delivered an excellent sermon and made a fine impression upon the large congregation present. His courteous and agreeable manners are also highly spoken of, as he made friends with all whom he came in contact.

MR. LINGLE RESIGNS.

Some Dissatisfaction in School District No. 8.—Another Meeting Called.

There seems to be considerable dissatisfaction in School District No. 8 over the appointment of school committeemen. On Saturday evening, June 27th, a meeting was held at the Holshouser School House for the purpose of selecting committeemen to be recommended to the County School Board for appointment. Those selected, Messrs. J. C. Holshouser, M. L. Lingle and A. W. Miller, were duly presented to the Board at its meeting, Monday and Tuesday, July 6-7. But for some cause the Board disregarded the request and appointed others, but while there is no ill feeling toward those appointed by Board, they and the action of the Board, it seems, is unsatisfactory with a considerable number of the patrons of the school district. We are told the Board will be asked to again meet and reconsider their appointments and that if relief cannot be secured it will be carried higher, and possibly other action taken. We have been handed the following notices for publication:

JUNO.

Salisbury, N. C., July 11, '03.

EDITOR TRUTH-INDEX:

Please allow me space in your columns to say a word in regard to the action of the County Board of Education, which met on July 6-7th, in regard to the appointment of school committeemen for District No. 8. In the first place the district built the school house without one cent of public money, the people of the District met on July 27th, 1903, and elected three men of good character to serve as committeemen, men who have the interest of the district at heart, the names of the committeemen were sent to the Board.

pointment which said Board refused to do, instead the Board appointed some whom the district would not endorse, determined to rule or ruin. Now isn't that a nice way for the Board to treat a district? It is said that some of the appointees appeared personally before the Board to secure appointment.

ANOTHER MEETING CALLED.

Notice is given that the people of the district will meet again on next Saturday, July 18th, at 9 o'clock, p. m., to take further action in regard to the matter. The district will not allow four men to rule, that being the number in district who are not satisfied. The writer does not wish to stir up strife in the district, but asks that we come together like men and abide by the majority, which every honest man should do. The writer will again write to your valuable paper the result of next Saturday's meeting.

Very respectfully,

A. L. LINGLE.

SCHOOL COMMITTEEMAN RESIGNS.

To the School Board of Rowan and all others whom it may concern: Having been appointed Monday, July 6th, a committeeman for school district No. 8, Geld Hill township, by the above named Board, and knowing the district held a meeting for the purpose and did select men for the position, I hereby make known my resignation of said position in the interest of fair play and hoping the wishes of the majority of the patrons will be granted as it is elsewhere.

Very Respectfully,

L. W. LINGLE.

Domestic Troubles.

It is exceptional to find a family where there are no domestic ruptures occasionally, but these can be lessened by having Dr. King's New Life Pills around. Much trouble they save by their great work in Stomach and Liver troubles. They not only relieve you, but cure. 25c. at all drug stores.

Married.

John L. Leach, of Greensboro, and Miss Annie Ribelin, of Salisbury township, were united in holy matrimony on July 8th, Rev. B. L. Brown officiating. The occasion was quite a pleasant one, and the best wisher of many friends go with the happy couple.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail.

free also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

FARMS FOR SALE.

(2) The big farm, 366 acres, belonging to J. A. Setzer, lying near the thriving village of China Grove, is offered for sale, Mr. Setzer being engaged in another business in Georgia. This place is in a high state of cultivation, has an abundance of timber and water on it, a large number of first-class dwellings, barns and other necessary out-houses on it, also well of good water and two creeks. 125 acres are open for cultivation and the balance is in valuable timber. It has a fine meadow and 25 acres of bottom land. A vein of gold and silver bearing ore runs through the place. Good wages can be had and have been made panning gold in the branch near by. In short this is one of the largest and most valuable places in the county. Price \$20 per acre.

(3) 100 acres, a portion of No. 2, will be sold separate if so desired. Same price as above.

(4) 40 1/2 acres, at Granite Quarry, right among the rocks, this county. This is good, level farm land with a good two-story dwelling, a barn and other out-houses, a well of splendid water, a good orchard of choice fruit, and about 15 acres of thick wooded land. This tract lies just to the left of the railroad, 1/4 of a mile from the postoffice. Owing to the many granite quarries at this point and the constant increase of workmen, the location and price of this property makes it an unusually choice investment. There is a good prospect of gold on the place.

(5) 60 1/2 acres, 1 mile of Granite Quarry, on the Yadkin Railroad. This tract is divided into three parts: a—20 acres, has a good two-story dwelling and outbuildings on it, about 10 acres timbered; price \$600. b—30 acres, 5 acres splendid meadow, fronts on Crane creek with enough water for a mill; price \$500. c—10 1/2 acres open land with 4 or 5 acres of good meadow, fronts on railroad; price \$200. This property can be bought as one tract if desired, or, if a larger farm is wanted, the 40 1/2 acres mentioned above, which adds 112 1/2 acres, a very convenient place.
