THE PAVEMENT.

They took a little gravel And they took a little tar, With various ingredients Imported from afar. They hammered it and rolled it, And when they went away They said they had a pavement That would last for many a day.

But they came with picks and smote it To lay a water main; And then they called the workmen To put it back again, To run a railway cable

They took it up some more; And then they put it back again Just where it was before.

They took it up for conduits To run the telephone, And then they put it back again As hard as any stone. They took it up for wires To feed the 'lectric light, And then they put it back again, Which was no more than right.

Oh, the pavement's full of furrows! There are patches everywhere; You'd like to ride upon it, But it's seldom that you dare. It's a very handsome pavement, A credit to the town;

They're always diggin' of it up Or puttin' of it down.

This is the fate of sufferers from Kidney trouble, as the disease is so insiduous that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the

impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It in-creased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago. June 11, 1902. Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."
