OCTOBER 28, 1908.

The period of leniency toward trusts, anarchists, bovocotters, blackmailers, abductors etc., etc., has passed. The people must have protection for their lives and property, and the government should lengthen its cords and strengthen its stakes so as to meet the requirements of existing conditions.

The statement of the South's prosperity, in another column, by Reuben Foster, a business man of keen foresight and much experience, is quite encouraging. There is no doubt the entire South is in a prosperous condition, probably greater than at any time since the war, and any one who is a regular reader of the newspapers can not fail to see it. Although Mr. Foster does not mention Salisbury, she has made as much, and probably more, real progress within the last few years as any town in the South, and we feel confident she will keep up the pace.

Crescent.

Examination week has passed and every one has done exceedingly well.

Flake Reid is on the sick list.

The two literary societies gave a public debate Friday night, the question for discussion being: Resolved, "That the influence of the literary men has been greater upon the nations of the world, than the influence of the statesmen." The speakers for the affirmative, or Philomatheans, were, G. C. Fisher, J. W. Propst and E. S. Bradley. For the negative, or Demosthenians, Jehu Shaver, W. R. Arthurs and H. L. V. Shinn. After a long and interesting discussion the judges decided in favor of the affirmative. Quite a good crowd out.

Rev. J. M. L. Lyerly spent the week in Newton, on church business.

The missionary band will give a public entertainment Sunday night.

J. Lawson Klutz and Dave Trexler are building a dormitory on South Main street.

Luther Safrit is home this week with chills and fever.

The writer expects to spend two weeks at home.

Ridge Road.

Farmers of this section are busy picking cotton, gathering corn and sowing wheat.

The latest red June apples reported anywhere in this community, were taken from Bud Klutz's orchard on October 3rd. Pretty good for Uncle Bud to have June apples in October.

David Lemley, one of Morgan township's aged citizens, was buried at St. Matthew's last Tuesday. Mr. Lemley had been very feeble for some time before his death.

P. N. Trexler and family recently visited A. T. Klutz.

Misses Nancy Jane Frick and Josephine Trexler attended the harvest home festival at Lower Stone.

The Sunday school and choir at St. Matthew's are making preparations for a Christmas celebration.

Marshall and Luther Jones, of Faith, recently visited at Samuel Bame's.

Sallie, the daughter of Mr. and Mrs. J. F. Morgan, has been quite sick for the past few days. We hope her speedy recovery.

Rev. F. M. Harr, who has accepted a call to the pastorates of St. Matthew's and St. Peter's churches, will preach his first sermon at St. Matthew's on the second Sunday in November. All are invited to bring baskets full of something good to eat to the parsonage, on Friday before the second Sunday, for the purpose of giving Mr. Harr a pounding.

The people down here in the piney woods are going to live for awhile, because 'simmons are plentiful, gobbers are ripe and sweet potatoes will soon do to dig.

Tell Klutz has the fattest 'possum reported in this community.

Moses Goodman and family visited at Samuel Bame's last Sunday.

Supt. Ramsour Denies It.

With reference to the published story of the padding of pay rolls, on the Asheville division of the Southern, the Asheville Citizen of yesterday has the following:

"So far as could be ascertained there were no developments yesterday in the alleged padding of pay rolls of the Asheville division of the Southern Railway.

"However, there were corroborative reports of the story given in the Citizen of Wednesday and intimations that the Southern railway was attempting to keep the matter secret.

"Superintendent Ramsour, of the Asheville division, returned Wednesday from Washington, where he spent the past day or two. He states that there is nothing whatever in the story as published yesterday. He said to a representative of the Citizen when asked for statement of the allegations as to padded pay rolls.

"There is nothing whatever in the story, not one word of truth, and no foundation in fact for it. There has been no trouble with the pay rolls of the Asheville division whatever since the O. D. Guire trouble. This is all the statement I care to make regarding the publication."

"Mr. Ramsour, naturally, being in charge of the Asheville division affairs for the Southern should know what the facts are in the case in question.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. C. A. Stilson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

Tried The Amonia Route.

Gaston, N. C., Oct. 22.—Yesterday afternoon about 2 o'clock G. M. McLaughlin, one of Gaston county's well known citizens, after employing eleven means whereby his family was induced to leave home for a visit among friends, made a desperate attempt to take his life by drinking one half pint of amonia.

Before committing the act Mr. McLaughlin, in full view of a colored servant held up the bottle of amonia and said:

"I am going to drink this," to which the negro servant replied: "What are you going to do that for?"

The depraved man answered that he was tired of life and wanted to die. The negro girl greatly terrified and with wild excitement, gave the alarm and physicians were hurriedly summoned who greatly relieved the suffering man.

Today it is learned that the injured man, while considerably better, is suffering intense pain and is in a very critical condition. Mr. McLaughlin has been in bad health for something over a year and this is the reason assigned for his attempted suicide.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, after a book is sent them.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
