

ABOUT THE SHOPS.

Lively Spencer. Politics Warm. A Great Ball Team There. Evangelistic Meeting.

Correspondence of the GLOBE.
 Spencer, April 14.—An enthusiastic and largely attended meeting of citizens of this place was held here last night with special reference to the coming municipal election to be held in May. A Democratic club was organized with a large membership and of which Mr. D. M. Miller was elected president and Dr. J. W. Carlton secretary. Great interest was manifested in the affairs of the town and in the election of a Democratic mayor and board of aldermen, this being the first election to be held in Spencer. A Democratic primary is called to be held on the 18th inst. for the nomination of a mayor and alderman. At the meeting last night the club unanimously endorsed the candidacy of Capt. B. P. Lively for mayor and also recommended D. W. Pethel for consideration in the primary. There will be a number of candidates for aldermen and among those receiving the endorsement of the club subject to the primary are the following: A. D. Smith, E. M. Patterson, J. C. Pennington, D. E. Kester, J. L. Pipkin, W. C. Houchins, J. W. Carlton, A. W. Hicks, R. O. Parvair, J. R. Thomas, H. T. Holsbuser, S. T. Dorsett, J. A. Holt and J. S. Eagle.
 Mayor Lively was chosen as chairman of a membership committee, and A. D. Smith chairman of a committee on public meetings. W. D. Pethel and Dr. J. W. Young were elected members of the Democratic Executive Committee of the town. The club will hold frequent meetings until after the municipal election and during the county and state campaign.
 It is known that the Democratic ticket will meet with opposition on the part of the Republican element, though it is claimed that only about one dozen votes can be cited, as there is not a colored family living in town, and that realizing the hopelessness of their cause the Republican leaders are seeking to eliminate politics and run a "city ticket" with a view of catching the "week kneed" voters.
 The town of Spencer has been greatly stirred during the past ten days by the special evangelistic meetings conducted by Mr. E. H. Fenny, of New York City. The meetings are being held under the auspices of the Spencer Railroad Y. M. C. A. It is learned that the services will be continued several days, changing from this place to Salisbury for the benefit of the Southern railway and others in that city.
 Spencer will have a strong base ball team this season, the organization of a club having already been effected with Engineer A. D. Smith as president. The club held a meeting last night looking to the arrangement of a series of games to be played in the near future. It will be remembered that the Spencer team won a valuable building lot situated in this place in a contest held in Salisbury on Labor Day in September. At the meeting last night, orders were given for uniforms and a movable fence for enclosing the park.

BETSY COMES OUT.

At Last Shows up to Correspondents. An Alligator at Millertown.

Correspondence of the GLOBE.
 Millertown April 19.—Farmers are busy now planting corn, cotton, etc., some are going to plant cotton that never planted any before.
 Wheat is looking fine in this section, oats look very well.
 Mr. Joseph W. Miller who operates a corn mill by a traction engine grinds every Friday in each week. Therefore all who wish him to do any grinding for them may carry it on Friday.
 Messrs. Jas. A. and Jas. Miller carried some fixtures of their saw mill to New London and had them repaired last Saturday.
 Mr. Filmore Ingram, of Davidson county, is having a nice residence put up on the old McAllister place about two miles below here.
 The young people had a picnic at Stokes ferry Easter Monday. Boat riding and fishing were the order of the day.
 There is an alligator down here in the mill pond, has been seen several times this spring, was first seen about two years ago by Jas. Miller. It is about three feet long and the boys say they are going to stay out of the creek this summer, or at least till the alligator is killed. No one knows how it got in there.
 Venus says we ought to see what a bundle of GLOBES come to Faith, and he ought to see what a bundle comes to Millertown too. Seems like some one is hitting Venus rather hard.
 Success to the GLOBE and its many readers. BETSY.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by all druggists. Only 50c.

Judge Peebles will on the 10th of May, institute proceedings against the Lambertson bar for contempt of court.

Edward A. Johnson, colored, of Raleigh, becomes president of the Coleman Manufacturing company to succeed the late Warren Coleman of Concord.

A Presbyterian church was organized at Gibson Mill, Concord, last week with 36 members. The new church will be called Westminster. Concord Presbytery, in session in Statesville several days ago, ordered the organization of the new church.

POLLY TALKS POLITICS.

The Anti-Saloon League Hard at Work. Fuit Crop is Injured.

Correspondence of the GLOBE.
 Gold Hill April 16.—The farmers through this section are on a hustle to get their corn and cotton planted.
 I don't think the acreage of cotton will be increased very much through this section of the country.
 The peaches, pears, plums and apples are all badly injured by the cold weather.
 The wheat crop through this section looks very promising now.
 Miss Flora Ritchie has just returned home from a two weeks visit at Spencer.
 Mr. A. M. Wilhelm, of Richfield, who has just returned from Richmond, Va., visited in this community recently. Mr. Wilhelm has been attending college at Richmond.
 The Sunday school at St. Matthews, reorganized the first Sunday in April with Dr. C. M. Poole as Supt., and G. A. Trexler as assistant.
 The Temperance forces will meet at Corinth Baptist church on Saturday night before the 4th Sunday in April, for the purpose of organizing an Anti-Saloon League. Rev. Mr. Black, the pastor of Corinth will make a temperance lecture. Rev. J. J. Eads, the pastor of the Gold Hill circuit, will be present and express his views on the subject, and Rev. F. M. Harr, pastor of St. Matthews is also expected to be present.
 Van Lee, the little son of Mr. and Mrs. A. T. Jackson, has been very ill for the last few days. We all hope him a very speedy recovery.
 Zeke broke the pictures of the Goodman Bros., saw mill works and big lumber yard the other day.
 W. N. Carter is putting up a saw mill at the Carter distillery place. That's right, we'd ten times rather see a saw mill to make lumber to build people homes, than a distillery to make whiskey to make people drunk.
 Several of the Jackson college students have been contemplating a trip to Davidson next Sunday. Reckon Polly will not be in the bunch though.
 Chalmers Wyatt has been at work along Ridge road for the past few days. POLLY.

THE CHINA GROVE BANK

Has had a Prosperous Year. Persons Coming and Going at China Grove.

Correspondence of the GLOBE.
 China Grove, April 19.—Misses Pauline Lentz, Mary and Cora Sifford spent last Thursday and Friday with Misses Ada and Anna Hoffman of Salisbury.
 Messrs. James and Julius Kirk, of Salisbury, were at home Sunday with parents.
 W. B. Lasley spent Saturday night and Sunday at home with his parents in Burlington. He returned Sunday night.
 Harry Hoover was with us Sunday. Returned to Salisbury Sunday night.
 Mr. and Mrs. C. E. Ludwig, near Mooresville, spent Saturday and Sunday with Mrs. Ludwig's father, S. A. Hoover.
 The annual meeting of the stockholders of the Bank of China Grove was held in their office on last Thursday. The work done during the past year is very encouraging. The outlook for the ensuing year is very bright. The business done in and around China Grove, should make the Bank of China Grove one of the most prosperous in the State.
 Miss Emma Rodgers, of Glass, spent yesterday and last night in town.
 Mr. R. Gray and Miss Mabel Bostian went to Charlotte last night. They will return today.
 Communion services were held at Mt. Zion Reformed church last Sunday, a large concourse of people was in attendance.

A Love Letter.

Would not interest you if you're looking for a guaranteed Salvo for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salvo cured me. It's the best Salvo on earth. 25c at all druggists."

ZEKE DEFENDS VENUS.

Thinks the Boys are too Hard on Him. A Base Ball Game That Didn't Happen.

Correspondence of the GLOBE.
 Dutch Creek, April 19.—The health of this community is good at present, but it is reported that Joseph Eagle has been exposed to small pox while visiting relatives in Concord last week. We hope no serious results will follow.
 The weather has been cold and frosty but the peaches are not quite all killed on Dutch Creek.
 Bull Hill and Liberty base ball teams met on the Liberty grounds Saturday, April 16th, to play a match game, but when the "Bullies" saw the Liberty boys in red, white and blue, they said that won't do. Got up your things boys lets go back to Bull Hill, we are beat already. With Sam Trexler in the box and Lyely to back stop, we can't make a run, so up with bats, mask and mit. The Bull Hill team hit the grit.
 J. A. Ribelin & Co., will move their saw mill on Dutch creek soon. They are operating near Spencer at present.
 Say boys don't make it so hot for Venus, or he will have to use asbestos gloves to handle his paper. I know his hands must be blistered already, give him a chance to ship another car load of rock or send off mill stones. Venus is quite a busy man. He passed through our town some years ago, buying up Indian arrows at 7 cents each. I know very well when I sold him a dozen or more, and he run short of change and I traded a nice stone for 10 cents and a good barrel.
 F. M. Tyack, the Garfield merchant, has just bought forty barrels of sugar. What country merchant can beat that?
 "What has become of Polly, of Ridge Road? Sissy, why don't you send up the news? Tell about those saw mill wrecks etc. If you don't do better some one else will have to report from your section. Yours truly, ZEKE.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by all druggists.

White Bronze Monuments.
 Artistic monuments cost no more than plain white ones. White Bronze is not porous, has no fissures, will not crack, will not absorb moisture, will not become moss-grown, and is endorsed by scientists as strictly everlasting.
 Those who are in need of monumental work will do well to write me for prices and sample of White Bronze.
