GREAT BARBECUE DAY

RED MEN HAVE A BIG DAY.

A Gala Occasion at the Home of Mr. Burgess Owens.

Sapona Tribe No. 33, enjoyed a feast that is unparalleled in the record of fraternal minglings in Rowan county, Wednesday at the home of Mr. Burgess Owens, five miles from Salisbury.

As early as 5 o'clock members of the Tribe could be seen wending their way to the forest to hunt for and kill any game that might be coming their way.

At 1 o'clock the Sachem summoned his warriors and braves and the Tribe assembled and the Sapona Tribe war dance was given as never before seen in this section.

Every one present enjoyed the occasion very much, and there was nothing to mar the pleasure of any on this memorable occasion.

This organization has been since its inception trying to inculcate in the hearts and minds of its members a social and fraternal spirit, and the efforts put forth in this direction have not been in vain.

The barbeques, barbecues and social entertainments have been the means of bringing the members of this Tribe in closer touch each one with the other than they could be devised.

"The social side of lodge membership is often neglected, when it should be always one of the foremost parts of the meeting on each stated sleep, and not only there but in the life outside the council chamber it should form an important part.

Mr. P. H. Henley, of Locke township, who was in Salisbury Wednesday, reports the wholesale slaughter of his poultry Tuesday night by minks.

"It is not generally known," said Mr. Henley, "that the mink always catches a chicken on the back of the neck and retains its grip until it has sucked the blood from the body.

Doesn't Respect Old Age. It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills.

Only Makes a Bad Matter Worse. Perhaps you never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of a drastic cathartic like the old fashioned pills only makes a bad matter worse.

THE ALDERMEN WIN.

SPENCER TAX CASE PASSED ON.

The Supreme Court Renders a Decision Favorable to the Aldermen.

Spencer, Nov. 16.—Information was received here today that the Supreme Court has rendered a decision in favor of the town of Spencer in the action brought several months ago by J. P. Wingate, J. D. Dorsett, D. C. Eagle, and others, of this place, in an effort to restrain the town from the collection of its taxes.

It was announced at 10:30 a. m. by one of the "swiftest runners" that the hunters and scouts were on their way from their expedition laden with game—rabbits, squirrels, etc.
