

CALIFORNIA

Do you want to live where the climate is mild the year round—where labor is never oppressed by stress of weather, and where animal vitality is never lost by mere conflict with cold?

Do you want to live in a region where the resources are more varied than in any other equal area in the world, where the division of great ranches affords a fine opportunity to get a small farm that will assure you a competence?

Do you want to live where, with a minimum of labor, you can grow profitable crops of grapes and small fruit, oranges, lemons, olives, prunes and almonds, alfalfa and grain, where crops are sure, business is good and capital easily finds profitable investment?

Then go to California, where both health and opportunity await your coming.

The Chicago, Union Pacific and North-Western Line

is the most direct route to the Pacific Coast, and there are two fast through trains daily via this line, over the famous double-track railway between Chicago and the Missouri River. One-way Colonist tickets are on sale daily, March 1 to May 15, at the rate of \$33.00 from Chicago, with correspondingly low rates from all points, give you an unusual chance to make the trip.

\$33

These tickets are good on daily and personally conducted excursions, on which a double berth in a Pullman tourist sleeping car from Chicago costs only \$7.00. Round-trip tickets are always on sale from all points at reduced rates via the

Chicago & North-Western, Union Pacific and Southern Pacific Railways.

BIG CROWD AT MANNING

Manning, April 1.—Yesterday and last night at the Salem school house was the happy and joyous scene of the greatest and most complete commencement exercises ever held by the Salem school, or any other rural school in old Rowan county. The exercises were perfect from beginning to end. The students acquitted themselves so nicely as to win the praise and admiration of all present, and upon and their proficient teacher, Mrs. L. H. Brown, who is one of the very best teachers in Rowan county and a most estimable lady, were showered the heartiest congratulations of the many distinguished visitors and critics audience present.

The people came by loads from every nook and corner of the county and many from other counties and by 7 o'clock an audience of fully 1,000 people were facing the handsomely decorated stage eager for the opening.

The main feature of the first part of the program was the speech of Prof. R. G. Kizer, Supt. of the county school. His speech of one hour was the strongest and most powerful plea in behalf of the betterment of the rural schools ever listened to by a county audience. The major part of his talk was especially applicable to district No. 5—the Salem school, which woefully behind the times in regard to her school building. The thoughts and suggestions dropped by Prof. Kizer, found lodgement in the hearts of at least some of his hearers and in due time we hope will bring forth the much desired point. The Prof. received many warm and hearty congratulations from our people upon his most excellent address. The remainder of the exercises of the evening consisted of recitations, declamations, songs, dialogues &c., and all were very nice and well arranged.

The chief attraction of the occasion was the balloon ascension at 4:30 which was a complete success, and was witnessed by hundreds of people. As the majestic and lovely balloon made of National colors, red, white and blue, soared heavenward a mighty shout went up from the people whose eyes were riveted on the balloon until it appeared the size of a gallon jug suspended from the sky.

At 6:30 the Chestnut Hill band put in its appearance down street and as they struck up a popular selection, was greeted by shout of the immense throng on the grounds like almost

to a rebel yell. This excellent band with its select and popular music contributed largely to the success of the occasion they were heartily cheered for their soul-inspiring music. 10:30 entire night exercises were splendid in every particular. Special mention should be made of the girls who took part in the drills, pantomimes, &c. After the teacher thanked the vast crowd for their kind and considerate attention and most excellent behavior and the rendition of Dixie by the band the audience was dismissed. All went away expressing themselves as delighted and amply paid for their coming. This ended the best, greatest and grandest occasion of the kind ever held in old Rowan, and praise and honor is due the teacher, the pupils and people of the community for this splendid and most successful occasion.

Prof. Branch Craig, formerly of Salisbury, but now superintendent of schools in the city of Tucumcarr, N. M. was present and by invitation made a most excellent and interesting talk on the management and workings of the schools in that far-away state.

After Prof. Kizer closed his speech, and to exhibit the deep interest manifested in the school by our people. Money sufficient to secure a fifth free rural library was raised on the spot thus giving each school in Lock township a library.

Prof. Kizer who is a close observer of things pertaining to school said to your correspondent that this occasion eclipsed anything of the kind he had seen in twenty years. He was very profuse in words of praise and commendation for our school exercises &c.

To show a small degree their love and esteem for their teacher the pupils presented her with a large and very handsome photo album. Also a nice picture frame. W. L. S.

EFFORT TO RAISE \$5,000

(From The Sun of Saturday)
Next week a determined effort is to be made by the Spencer Y. M. C. A., to raise the money necessary before work can be commenced on the next building. As soon as \$5,000 is raised the Southern will begin putting up the building and so the Y. M. C. A. are not going to lose any more time than can be helped. About \$900 has already been promised but as subscriptions always shrink when it comes to collecting them, it is proposed to have the full \$5,000 subscribed, exclusive of the amount already promised.

G. C. Huntington, state secretary, and A. C. Bridgeman, assistant state

secretary, will arrive in Spencer Monday morning and spend the week making a systematic canvass. Every house will be visited as it is hoped that the response will be general and that everybody, no matter how limited his means, will contribute according to his ability. It would be hard to find a more praiseworthy enterprise than the one for which the subscriptions are to be made, and as the Southern has agreed to do so large a share, there ought to be little difficulty in raising the rest.

PETITION TO GOVERNOR

(From The Sun of Saturday)
D. V. Peal, who has been circulating a petition for the pardon of his son Adam who was convicted of an assault on a man named Josey at last September term of court now has the petition ready to send to the governor. The petition is a very strong one and it is believed will secure for young Peal his freedom.

It is signed by all the gentlemen of the bar, the county officers, the jurors who convicted him and the solicitor who prosecuted him and ask for absolute pardon.

Messrs. J. J. Robinson and G. H. Rusher, of the Spencer, force are on duty today on account of illness.

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold or bronchitis.

WE'LL SEND YOU A SAMPLE FREE.

GOVERNOR GLENN SPEAKS

Raleigh, N. C., April 1.—Governor Glenn left this morning for Guilford College where he delivered an address at noon at the closing exercises of the graded school there.

Nothing has been heard today in the executive office from Washington as to the South Dakota bond matter.

Raleigh, N. C., April 1.—The corporation commission announces the appointment of Jno. W. Aycock, at present cashier of the bank of Wayne, Goldsboro, as state bank examiner to succeed J. O. Ellington resigned. He was selected out of fifteen applicants and will qualify today. The position pays \$2,000 and all expenses Aycock is thirty years old and has been in the banking business twelve years, having commenced as a runner or collector.

Jno. W. Aycock the new bank examiner will not arrive until Monday from Goldsboro to qualify before the Corporation Commission. There are 220 banks in the state which the law requires shall be examined at least once each year.

Attorney General Gilmer left last night for Washington for the purpose of making final settlement of the South Dakota bond judgement, today being the day on which settlement must be made or the railroad stock put up as security and advertised for foreclosure sale. There is still hope of securing a compromise of the judgement which amounts to \$227,000.

The Executive committee of the board of trustees of the University of North Carolina met at noon yesterday in the executive office of the Governor and received formal notice of the proposition of Andrew Carnegie to give \$50,000 for a new library building at the University provided the University would raise an additional \$50,000 with which to endow the library. Members of the committee are confident that the endowment can be raised among the alumni and friends of the University.

Announcement is made that the hearing of the contempt proceedings against the mayor and aldermen of Durham in the Pettigrew street right of way litigation with the Southern has been postponed until April 11th. The hearing was to have been today. It is probable that the differences will be settled in the meantime out of the

WORKINGMEN'S DIRECTORY

Will Contain Names of Every Union Man in Salisbury and Spencer

(From The Sun of Saturday)
A complete directory of the workingmen of Salisbury and Spencer is being prepared by R. H. Matthews and C. H. Goodman, as representatives of the unions of the two cities. The directory will contain the name of every union man, his place of business, occupation, street and number of his home address, and number of the union to which he belongs. As there is no directory of any sort in either Salisbury or Spencer now, the work will possess great value. It will be a book about 6 by 10 inches and about an inch thick, and will contain advertising matter as well. As the edition will consist of 1,800 copies, its advertising value is apparent. The price will be made as low as can be done and there is bound to be a great demand for copies, because of its utility to practically everybody who is at all brought into contact with anyone outside his immediate circle. The enterprise is certainly most commendable one and fills a long felt want.

PAVING CONTRACTS LET

(From The Sun of Friday)
The mayor and board of aldermen met last night.

The object of the meeting was to discuss street improvements and consider the different proposals submitted for this work.

The proposal of C. Markly of Roanoke, Va., was unanimously accepted and he was awarded a contract for \$25,000 worth of macadam, including curb setting and grading, macadam and gutters.

Mr. Markly was also given an additional contract for vitrified brick streets the work to begin at the Southern Railway line on Council street, up Council to Main and up Main to Fisher. It was decided that Mr. Markly's terms, specifications and brick were the best submitted.

No other business was transacted by the board.

This street improvement will be a great thing for Salisbury and will do more to beautify the town than anything that could be done.

Especially do Main and Council streets need repairing and they should be the best in the city. A stranger on coming to town gets his first impression of Salisbury from Council street and if his opinion of the place is to be governed by what he sees it must be admitted that it will be anything but good.

The work being done on Fulton street, is making it by far the prettiest residence street in town and a few more of them fixed up in the same shape would be greatly appreciated by the people.

The big guns always look the quietest.

Many a love symphony hath been written in bank notes.

Everybody reads the Globe—\$1 year

CONFEDERATE REUNION

Annual Reunion of Confederate Veterans to be Held June 10th

(From The Sun of Saturday)
The annual reunion of the Confederate Veterans will be held at Ogan Church June 10.

These brave old followers of Lee are rapidly passing away and in a few more years these reunions will be no more.

Each year as they gather together some face is missing from the throng; another veteran has passed away, another well deserved cross of honor is buried beneath the sod pinned to the breast of a dead hero.

These reunions will soon cease but for generation after generation will be the memory of these brave men who fought so valantly for the lost cause be cherished by their children and grand children.

They fought for what they thought and still think was right and do not go to their graves unhonored and unsung.

Philosophers in their hearts hate philosophers.

Most engagements are enveloped in moonlight.

A rolling stone will require some polish.

REVIVO
RESTORES VITALITY

Made a Well Man of Me.

THE GREAT FRENCH REMEDY

produces the above results in 30 days. It acts powerfully and quickly. Cures when all others fail.
