MODERN MASSACRE OF THE INNOCENTS

Warsaw Police Patrol Shoots Down Inoffending Workmen Quietly Parading

GORY BUTCHERY

Nearly 100 Persons Killed or Wounded—Bomb Throwing Follows at Night

Warsaw, May 2.—Nearly one hundred persons were killed or wounded in disturbances in various quarters of Warsaw today. The troops apparently were uncontrollable and violated all orders to act with moderation. They fired into crowds of demonstrators and workmen in retaliation resorted to the use of fire arms and bombs. Many women and children are among the dead and dying. What approaches a reign of terror exists tonight; the city presents a most gloomy aspect and the temper of the entire community augers ill.

May day opened with every prospect that the recent gloomy forebodings would find contradiction in a peaceful ending. Glorious weather ushered in the beginning of the celebrations and all factories, shops and offices of every description were closed. The streets were crowded from early in the morning with gallantly dressed people and troops. Children everywhere enjoyed themselves in the warm weather. The presence of uniformed soldiers and cavalry and the firing of the gun reminded of the danger.

No untoward incident was reported until afternoon. The first disturbances occurred between 1 and 2 o'clock p. m., when a procession of several thousand workmen carrying red flags marched along Zelazna street. The demonstration was quite orderly and proceeded without molestation for some distance. Suddenly several squadrons of Uhlans appeared but without interfering with the procession, and took up a position along the sidewalks while the workmen passed through the lines. Then a company of infantry approached from the front, and immediately the cavalry charged into the procession, driving it with the flat of their swords into a disorganized mass. When the cavalry withdrew the infantry fired a volley, whereupon the demonstrators turned and fled. The infantry continued to discharge volleys into the retreating, shrieking multitude. Thirty-one persons were killed and many wounded, and of the latter it is believed that fifteen will die.

The shooting is described as having been quite unprovoked. It has aroused the most intense indignation among all classes in Warsaw. Many of those who were killed or wounded were shot in the back, showing that they were running away when they were struck.

Another terrible scene was enacted at 5 o'clock p. m., at the corner of Zlota and Sosnora streets, when workmen fired from behind a wall at a patrol, which immediately opened fire on the passing crowds, killing or wounding twenty persons.

The first bomb throwing occurred at 9:35 o'clock tonight, when a bomb was thrown into a Cossack patrol near the Vienna station. Three Cossacks and one policeman were killed and two women who were leaving the station at the time were severely wounded by the explosion of the bomb. Cossacks and infantry fired a number of volleys, and it is reported that many persons were killed or wounded. Troops surrounded the whole neighborhood. It has been impossible up to the present time to secure accurate information as to the casualties in this affair.

At 10:45 o'clock p. m., disturbances broke out at the Zombokowska gate of the suburb of Praga, across the Vistula river. A great crowd had assembled there, threatening the troops, when Hussars fired upon the crowd and killed four and wounded many others.

It was reported by telephone from Lodz this afternoon that a crowd there had stoned a military patrol, whereupon the soldiers fired and killed two men and wounded a boy. Later a similar scene occurred in Baluki Square in Lodz, when two persons were killed.

In Lodz also, at 9 o'clock tonight, a bomb was thrown at a patrol, but it was not effective. The patrol fired into the crowd and killed three and wounded two persons.

A student who was disturbing proclamations in Wola, a suburb of Warsaw tonight, was killed by a patrol.

In Nawrot, street, Warsaw tonight, a patrol killed a woman. Today's bloodshed is likely to over seriously affect the situation and may cause a general strike. The temper of the people is at white heat and there is much apprehension regarding the possible events of May 5th, the 114th anniversary of the proclamation of the Polish constitution, when disturbances and demonstrations always occur. Tonight there is every indication of trouble. All the ground that had been gained since the disturbances of last January has now been lost. Passenger trains are leaving Warsaw tonight and these are crowded with refugees and manned by officials of the engineering departments, all the engine drivers, firemen and porters having quit work.

WITH THE BUSINESS MEN

Belk-Harry has a change of ad today, calling attention to Kobo and W. B. corsets. See page 8.

Saleeby's ice cream is not hot stuff but is the best in North Carolina, made out of pure fruit juices. He will be pleased to have you try it or will send any quantity, no matter how small or large, anywhere at short notice.

Walnut Bisque Sundal, the new drink at the Salisbury Drug Co., is all the rage, and justly so. It would make a booze artist swear off the tank and take to blowing in his filthy at the drug store, renews the youth of the aged, gives the girls an added bloom on their fair young cheeks and makes the men flourish like a green bay tree. 'Nuff said.

REAL RAIN IN CUBA.

(Boston Globe.)

The heaviest rainfall of short duration ever accurately recorded is said to have been the recent one at Santiago de Cuba. An English engineer found the rate to be more than four inches an hour, and between 7 and 10 o'clock in the evening a total fall of more than a foot was registered by the gauge. The storm covered an area of some 300 square miles and in some places was even heavier than at the point where the measurement was made.

TRIBUTES ARE PAID TO FITZHUGH LEE

Brief Services are Held in Church of the Epiphany in Wash- ington.

FUNERAL THURSDAY

Is Delayed That General's Son Who was in San Francisco May be Present

Washington, May 2.—An affectionate and imposing tribute was paid yesterday to all that is mortal of Brigadier General Fitzhugh Lee, U. S. A., retired. Formal funeral services over the remains will be held in Richmond Va., next Thursday. It was found necessary to delay them until that time, in order that the general's son, Lieutenant George Mason Lee, of the Seventh United States cavalry, who was in San Francisco with his regiment en route to the Philippines, might be in attendance. Brief services were held yesterday, however, at the church of Epiphany on G street, many of the personal and official friends embracing the opportunity thus afforded to pay a last tribute of respect to the memory of the distinguished dead.

Prior to the brief services the remains of General Lee, which had been lying in their casket in the Sunday school chapel of Epiphany church since their removal from Providence Hospital, were conveyed to the auditorium of the church. Throughout the night and day they were surrounded by a guard of honor consisting of members of the local camp of Confederate veterans.

The church services were conducted by the rector of Epiphany church, Rev. Randolph H. McKim, D. D., who is chaplain of the Washington camp of Confederate Veterans. He was officer in General Lee's old command in Civil war and the two were lifelong friends. The services were very simple, being in accordance with the burial service prescribed by the ritual of the Episcopal church. No funeral oration was pronounced.

The Church Thronged

The church was thronged with friends and acquaintances of General Lee and his family. Seats were reserved for the members of the Lee family and other relatives and for special invited officials and friends both from Washington and from Virginia. Among them was handsome wreath sent by the President and Mrs. Roosevelt.

While the church services were in progress the military and civic pageant, which was to escort the remains to the Pennsylvania railroad station for transportation to Richmond was formed on G. street Catholic church, under the command of Major Edward Burr of the corps of engineers, U. Veterans Guard of Honor

A detail of eight non-commissioned officers of the Seventh United States Cavalry acted as body bearers. Colonel John T. Callahan, commander, and the members of the camp of Confederate Veterans, constituted a guard of honor of the remains while they were being taken to the Pennsylvania station. The military escort consisted of a squadron of the Seventh Cavalry, a battery of field artillery, and two companies of engineers, U. S. A. Shortly after noon the cortege headed by a band, moved to the railroad station via Pennsylvania Avenue. In the column, in addition to the military contingent, were representatives of the civic societies, of which General Lee was a member.

At the church services representing the State of Virginia and the city of Richmond, were Lieutenant Governor Joseph E. Willard, Col. Jo Lane Stern, Colonel Robert E. Lee, Jr., Mayor Carlton McCarthy, Major E. T. D. Myers and others.

On arrival at the railroad station, the casket containing the remains was conveyed with due ceremony to the funeral car, in which it was conveyed to Richmond. The escort then was disbanded.

Mrs. Lee was accompanied on the special train to Richmond by her brother, Major B. H. Fowle, General Lee's brother, Captain D. M. Lee, Miss Virginia Mason Dorsey, Miss Laura Lee Dorsey, Dr. Robert F. Mason and Mr. and Mrs. Benjamin S. Miner. In addition to these members of the Lee family, many prominent army officers, including several who served in General Lee's seventh army corps during the Spanish-American War, also accompanied the funeral party to Richmond at one o'clock.

The body bearers of the Seventh Cavalry remained with the casket until Alexandria was reached.

There they were relieved by a detail of an officer and eight enlisted men of the Alexandria Light Infantry. In turn this detachment was relieved at Fredericksburgh by a similar detail from the Washington Guards, Company L, Seventeenth Virginia militia.

MT. ULLA NEWS

Mt. Ulla, May 2.—The most interesting item was the marriage of Mr. P. C. Lynn and Miss Lucy Sherrill. We thus lose our most popular young lady. We wish for the couple much happiness in life and hope they may be able to do much good in the world.

Rev. Mr. Branch the newly called preacher at Backcreek Church preached at this place last Sunday evening.

We are glad to note a new enterprise at Mt. Ulla, Mr. L. D. Hadson is putting in machinery at Melchor and Brown's Cotton gin to make brick who will need a number of hands. We trust they will make quite a success and we welcome any enterprise that will help build up our burg.

Some of our young people had a picnic on the Easter Monday and report a good time. "ULLA BEAR"

HAVE THEM COME HERE

Press Association Might Spend Day in Salisbury.

Dr. Chas. E. McIvers of Greensboro, is trying to make arrangements to have the Virginia Press Association spend the 4th, of July in this city.

The Virginia Press Association will meet in Asheville this year in joint session with the North Carolina Press Association on July 5 and 6, and Dr. McIvers is very anxious to have the Virginia editors in his town.

It would be well if Salisbury would endeavor to get them here for a day and show them the sights of our town and surrounding country.

It would be a great help to Salisbury and do more to advertise the town than anything else possibly could.

It is to be hoped that some of our leading citizens will heed this suggestion and make an effort to have this brainy body of the Old Dominion's sons spend a day here.

VAGUE RUMOR OF ELECTION TODAY

Nobody Knows, Nobody Voted, and Candidates Average About 2 Votes Each

DONE UNANIMOUSLY

Public Stays Away From Polls, Saloons Close and Repub- licans Look Sad

It was rumored about town today that a municipal election was being held but diligent inquiry on the part of The Sun failed to verify the report. Finally a disgusted saloon-keeper, on being asked why he was not dispensing red-eye or corn liquor at a dime per three fingers, announced that the reason for the same was that the election is being pulled off and all saloons therefore are closed.

There are presumably, polling places open in each ward and The Sun was informed by telephone at one o'clock by a hilarious Boyden man that up to date the returns from his ward—he did not say which—indicated that Boyden had a clear majority of two votes in the ward and was thus elected, unanimously, whether or not anybody voted in the other wards.

No red devils or other motor cars were needed today to drag the hesitating voter to the polls. People just naturally stayed away and did not seem to give a hurrah whether anybody were elected or not. The aldermanic candidates got scared that they might not get any votes at all and it is reported that each of them marched solemnly to the polls and cast a ballot for himself to make sure that there was one vote for him at any rate. Mayor Boyden drove about in a victoria but did not look worried and the two Republicans in town assembled on the court house steps and looked sad from sheer loneliness.

The ticket which, presumably, went through without any dissenting votes was composed as follows:

- Mayor: Archibald Henderson Boyden.
 - Aldermen:
 - South ward: C. L. Welch; W. H. Huff.
 - West Ward: W. C. Maupin; W. B. Strachan.
 - North ward: J. R. Shank, * J. E. Hennessie.
 - East ward: J. F. Ludwick; C. E. Robertson.
- * reelected.

CORONERS INQUEST

Held Yesterday—No Evidence Could be Collected.

The Coroners jury has investigated as thoroughly as possible the killing of Jack Camp the 13 year old boy who was killed at Rice's lumber yard a few nights ago.

The inquest was held yesterday but no evidence could be collected as to the preparation of the deed.

The jury's verdict was that the boy came to his death by a shot from a gun in the hands of an unknown party.

CLERKS TONIGHT

Retail Clerks will hold their regular meeting tonight at Machinist Hall. All members are requested to be present.

CHANGES IN LAKE LEVELS

(Cleveland Leader.)

There is nothing surprising in the announcement that Canadian commissioners who are investigating waters adjacent to the American-Canadian boundary line express deep interest in the effect many public and private improvements are having, or will have, upon the level of lakes and streams, the use of which the dominion holds in common with the United States. There would seem to be good reason for carrying into effect the suggestion heretofore made that a binational commission should be appointed that should have charge of the navigable waters under the dual sovereignty and without whose permission no noteworthy diversion of waters or change of levels would be possible.

OBITUARY—MRS. CAROLINE BOST

Manning, May 1.—Mrs. Caroline Bost died at her home Saturday night after a short illness with dropsy. Although she had been in failing health for a year, yet she did not take to her bed till a few days before her death. On Easter Sunday before she partook of the Lord's Supper around the family altar, and little did her pastor then think a week hence her spirit would be with God who gave it. At best our days are few and full of trouble. Mrs. Bost was born January 1 1831, being of age 74 years 3 months and 28 days. She is survived by one daughter, Mrs. L. W. Lingle and her aged husband who now is nearly eighty, and who for four years past has suffered the total loss of his eyesight. She also leaves six grandchildren, and four great-grandchildren. These with her many relatives and host of friends, mourn the loss of a kind Christian woman—a loss to us but her eternal gain. In 1850 she was married to Moses A. Bost and was the mother of seven children, all of which, with one exception have preceded her to the spirit world. She was received into the Lutheran church in infancy by baptism, was catechised and confirmed in Organ Church by the lamented Dr. Samuel Rathrock in 1846. She was at this time 15 years of age, and was one of a class of 75 young persons confirmed at this place and time. In this communion she was faithful and constant until death. Later she with her husband moved her membership to Salem. She was a devoted Lutheran, and to the very last was a faithful attendant upon public worship. In many respects she was an ideal church member, model Christian, devoted wife, kind mother, good neighbor and was blessed with a modest and reserved disposition. By her Christian character he taught others not so much by precept as by example, and the influence she exerted in the community, though silent, was effective, and will continue to bear fruit since she has passed away and there are but few to take their places. In such lives of faith and consecration is manifested the satisfying and sustaining power of the Gospel of Jesus Christ, and is fresh and inspiration for us yet in the flesh. Sunday at 4 p. m., a large concourse of people assembled to pay their last respects to her memory, and to testify to the esteem in which she was held as neighbor and citizen. The funeral services were conducted from the church by her pastor, Rev. H. A. Trexler, assisted by Rev. C. L. Miller, of Chestnut Hill. The interment was made in the cemetery near the church. Her place is now, we believe among them, "which came out of great tribulation. They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat; for the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters; and God shall wipe away all tears from their eyes."

May the hand of the Lord keep this bereaved family the aged husband and father and comfort all his loved ones.

Rev. N. D. Bodie, of the Union church, spent Wednesday night last with Rev. Trexler. He was on his way home from the Sherrill-Linn wedding at which he officiated.

Mrs. Tom Safrit and daughter Mrs. Dan Scheuck are visiting relatives in Cabarrus and lower Rowan.

There was a pound party at J. E. Briggs' last Wednesday night.

Mrs. H. A. Trexler will leave Friday for a several days visit with her parents at Barium Springs.

Sunday school will be re-organized at Salem next Sunday at 4 p. m.

Prospect is fine for a beautiful harvest of wheat, which is now heading out.
