We will note first that our old farmer, B. C. Trexler, is getting along fine with his crops and will reap his abundant crop of wheat this week, very likely he will run two reapers.  
Lylerly & Peeler have purchased the largest wagon that has ever been in our country and have moved a boiler, the weight being 18,000 lbs.  
Our farmers are improving their farms very much, so much that four new reapers have been bought in our vicinity this season.  
Wheat threshing in the near future. The big "Butterworth" owned by the John crowd will go out better equipped this year than ever before.  
Our people are hoping for excursions to run to various places this season viz: Asheville, Norfolk and Wilmington.

Some remodeling and two coats of paint is being put on St. Peters church. J. D. Brown has the contract. The southern conference will convene there this July.  
Rev. Morgan preached his first sermon at Christiana church last Sunday. Mr. Morgan has a fine delivery and preached an excellent sermon.
