SALISBURY AS A MARKET.

Thirty-Five Porkers Killed in One Day by a Salisbury Butcher.

"Don't tell me that you haven't one of the liveliest cities in the South," said Mr. David G. Baillie, one of New York's prominent journalists, yesterday afternoon.

Mr. Baillie had just been to Jackson's meat market and had admirably commented on the appearance of the market. Mr. Jackson was receiving a few wagon loads of butchered pigs and I asked him how many he had killed yesterday.

"We butchered 35 hogs to-day," he said, "averaging 150 pounds each and the probabilities are that we will have to butcher again tomorrow."

When it is considered that Salisbury has four meat markets the significance of this fact can be more readily comprehended. It means that 5,000 pounds of pork will be sold in the city to-day by one dealer alone and that Salisbury is really and truly one of the liveliest towns in the State.

HEADACHE POWDERS DID IT.

Mr. Watson's illness caused by use of Headache Powders.

Mr. James L. Watson, who was taken so seriously ill at the Southern depot Thursday night, was able to be out a short while yesterday morning.

It is thought Mr. Watson's illness was caused by headache powders—he having taken three during the afternoon.

He is not at all well yet, though very much improved over his condition Thursday night.

A NEW ORDER.

A lodge of the order of the Knights of Kadosh was instituted in Salisbury last night by Mr. J. A. Wall, the organizer, and started off with a good membership. The following officers were elected: Chancellor, A. L. Smoot; Vice-Chancellor, Jno. M. Julian; Recorder, Clinton N. Brown; Treasurer, O. S. Gallimore; Master of Arms, D. M. Brown; Guard, W. A. Anthony; Watchman, H. L. Rusher; Chaplain, R. L. Shaver; Medical Examiners, Dr. J. W. Long and Dr. J. B. Council.

This is an insurance order and carries life insurance at a remarkably low cost to its members.

LITTLE BLUE HAS RECOVERED.

Comes Back from Baltimore, After Treatment there of Several Weeks.

After spending several weeks in the Pasture department of the College of Physicians and Surgeons, at Baltimore, little John Blue returned to Salisbury Thursday night.

This boy, it will be remembered, was bitten by a dog that was pronounced mad, and a popular subscription was made up to send the boy to Baltimore for treatment. His grandfather, Mr. Henry Blue, has been with him. Blue is entirely well and out of danger of any harm from the dog bite.

A NEW GRANITE COMPANY.

A STRONG PARTNERSHIP IS FORMED.

Mr. J. C. McCaless, of Salisbury, and Mr. W. F. Buckley, of New York, will operate several Quarries.

One of the strongest partnerships ever formed to work the great granite property in Rowan county was made at New York this week.

The company as at present constituted will consist of Mr. J. C. McCaless, of this city, who has been actively engaged in working several quarries for many years, and Mr. W. F. Buckley, a prominent and wealthy New Yorker.

Mr. McCaless has been in New York since Sunday and only returned home yesterday, after forming this partnership. He informs us that a little later on a chartered company will be organized and the work of getting the granite out extended even beyond the degree contemplated by Mr. Buckley and himself.

The company will be known as the Dunn's Mountain Granite Company and Mr. McCaless will be manager.

These gentlemen will have one of the finest granite properties in the world to operate on and they will at once put in every appliance and all the modern machinery necessary to get the granite in a marketable condition. A big force of hands will be put at work and it is quite likely that from the quarries of these gentlemen the granite sales of Rowan county will be doubled.

While in New York Mr. McCaless had a specimen of the Rowan granite tested by the firm of Steinback & Co., Importers of Marble and Mosaics and Stone Workers. The granite was pronounced the superior of any in the world in point of quality and strength.

Mess. McCaless and Buckley will have their New York office at No. 3 Broad street.

A MAN OF GOOD JUDGEMENT.

The Raleigh Post Felicitates Mr. Klutz on His Good Judgement.

Says the Raleigh Post of our townsman, Hon. Theo. F. Klutz: "The South, as well as this State, is fortunate in having upon the Census Committee of the House a gentleman of rare tact and good judgement in Hon. Theo. F. Klutz. His reasons given through the Washington correspondent of The Post yesterday morning, for supporting the Hopkins apportionment measure are sound, and we are pleased to believe, from his statement, that he thinks that bill, or something equally as conservative and fair to all sections, will prevail."

Marriage.

On December 19, 1900, at 6.30 p. m., at the residence of the bride's parents, Mr. Fred W. Pirie, of Henderson, N. C., and Miss Josie, the youngest daughter of Prof. and Mrs. L. H. Rothrock, were united in matrimony by Rev. E. W. Leslie, pastor of the bride.

Mr. and Mrs. Pirie left on the 8 o'clock train for a visit to Henderson, N. C., among relatives of the former.

Mr. Pirie is an employee of the Union Copper Company, of Gold Hill, and is a worthy young man, while the bride is a pretty and accomplished young lady. Our best wishes attend them.

BEAUTIFUL HOME WEDDING.

Mr. W. A. Anthony and Miss Lottie Fleming Married Thursday.

The marriage of Miss Lottie Fleming to Mr. William A. Anthony was solemnized at the home of the bride yesterday at noon, Rev. J. L. Deaton, of China Grove, officiating.

The union of these young people will be of great interest to the members of their social circle.

The attendants were: Maid of honor, Miss Lottie Fleming, a sister of the bride.

Best man, Mr. Henry K. Finger, of Salisbury.

Bridesmaid, Miss Lula Anthony, of Pine Log, Ga., a sister of the groom.

Groomsman, Mr. James Corriher, of Saw, N. C.

Early in the morning the groom, accompanied by the best man and bridesmaid, took his departure from Salisbury to the home of the bride, where he was met by many friends and relatives.

While the wedding march was being rendered by Miss Carrie Fleming, a sister of the bride, the bridal party entered the parlor, which had been tastefully decorated for the occasion, and were met by Rev. Mr. Deaton, who pronounced the couple man and wife after the impressive Lutheran ceremony.

Congratulations were extended to the couple after which the party retired to the beautifully decorated dining room, where the table was groaning under a bountiful supply of nicely arranged edibles. A most excellent repast was served after which the party returned to the parlor and enjoyed a few hours of social entertainment.

The bridal party made their departure for the home of Mess. Finger and Anthony, in this city, where a reception was given.

The bride and groom left on the 8:30 train yesterday morning for Atlanta and other Southern cities, after which they will be given a reception at the home of the groom's parents, Pine Log, Ga., and they will return to their home in Salisbury.

CHRISTMAS EXERCISES.

AT THE GRADED SCHOOL YESTERDAY.

Exercises Held in Every Room Preparatory to the Closing of School For The Christmas Holidays.

One of the most interesting events that has ever occurred at the white graded school of Salisbury occurred yesterday when the exercises preliminary to the closing of the schools for Christmas holidays were held.

Owing to the fact that there is no auditorium in connection with the graded school building the exercises were held in each room separately and it was therefore impossible for one to take in the work as a whole.

The work in every department, however, was thorough and reflected great credit not only on the participants but on the faithful corps of teachers as well.

The graded school has never before been so prosperous as during this year and the character of work being done is exceedingly gratifying to the friends and patrons of the school.

Dr. J. F. Griffith was elected as the representative to the grand lodge, which meets at Raleigh in January.

The very valuable services of Prof. R. G. Kizzir, who has so faithfully and efficiently served the lodge in the capacity of secretary, and the promptness and faithfulness of F. M. Tarrh, Esq., tiller, were recognized by the lodge in a very substantial manner in the form of a Christmas gift to each of these gentlemen.

MR. BRYAN AN EDITOR?

The Charlotte News Wants him and Writes Announcement.

Hon. W. J. Bryan, twice the Democratic candidate for the Presidency of the United States, has been invited to make Charlotte his home and to become editor of the Charlotte News and Times-Democrat. According to an announcement made officially in the News, a letter containing "An Attractive Offer" has been mailed to Mr. Bryan by W. C. Dowd, the editor and proprietor of these papers. In his editorial columns, Mr. Dowd says the "splendid advantages offered by this city (Charlotte) and this section are set before Mr. Bryan, its wonderful growth and progress, and its unequalled attractions on account of location, natural resources, etc., for the publication of a great newspaper. It may be mentioned, in parenthesis, that these "unequalled" attractions are shared, if not indeed rivalled, by Salisbury. The News says that it "hopes on its own account, and on account of its city and State and section, that Mr. Bryan will give this proposition favorable consideration."

The Truth-Index joins in the hopes and wishes of the Charlotte News. In the event of his settling in Charlotte, we trust you will be our Charlotte correspondent.

The News asks the public to "take notice that Mr. Walter J. Woodall is no longer connected with the News as associate editor or in any other capacity." The retirement of Mr. Woodall has seemingly opened the way for the engagement of Mr. Bryan.

Bryan and Cleveland.

Atlanta, Dec. 20.—Hon. W. J. Bryan in a telegram today to the Atlanta Journal declines to express himself upon Cleveland's statement to be published in the Saturday Evening Post, and which appeared this morning in newspapers receiving the dispatches of the Associated Press. Mr. Bryan says: "Your inquiry received. Until Mr. Cleveland sets forth definitely what he considers 'Democratic principles' there is no necessity for comment."

"The rank and file of the party expressed themselves in '96 and 1900, and I have no doubt that they will continue to express themselves on the issues as they arise."
