FARMERS COLUMN.

We have on exhibition in our office a turnip weighing 2 Iba., 9 ounces. Good for old Rowan.

The largest potatoes grown this ear can be seen at our office. Five of them weigh 64 pounds. They were grown by A. M. Cruse. He informs as that the five we have are an average of his crop, but that he has some that will weigh 21 pounds each. He has raised them at the rate of 300 hughels to the acre.
