to settle up [illegible], the following [illegible] sale, the [illegible] and near [illegible] of the [illegible] State.

[illegible] what I [illegible] home with [illegible] and lot of [illegible] large farms, and [illegible] garden, [illegible] fruit trees, [illegible] good timber. The whole [illegible] carefully [illegible] cultivated, [illegible] dwelling at all [illegible]

[illegible] Charlotte [illegible] half [illegible] middle [illegible] of good [illegible]

[illegible] of the Westside of [illegible] fourth mile [illegible] Depot, has near [illegible] and is [illegible] truck farming, [illegible] sales, fair grounds. There is one tract about ten [illegible]

[illegible] lots, 50x200 feet, [illegible] and Bank streets, in the [illegible] South Ward of Salisbury, adjoining the lots of James Lanneberry, D A Atwell and others.

[illegible] 50 acres of land on the Gold Hill or Stokes Ferry Road. Level [illegible], and on both sides of what is known as the Town Creek, just one mile from centre of town; about 35 acres of excellent meadow.

9th—187 acres. A very fine farm about three miles from Salisbury on the W N C R R, with 2 farm houses and other buildings, one good well of water. This tract has about 60 acres of the best of bottom land, most all [illegible] cultivation and would [illegible] fine tobacco and [illegible] land.

10th—100 acres on the Bringle's Ferry road, 14 miles from Salisbury, 3 from Gold Hill. All wood land.

GOLD MINE

11th—50 acres Placer gold mine [illegible], about 7 miles from Salisbury. This is valuable property. There are at least 10 acres on the place that will show gold to every shovel of surface dirt. There is also a vein of 12 or 15 inches showing gold. This property paid a Mr Goodman about ten thousand dollars some years ago by washing the surface not more than 150 feet square to a depth of 12 inches. With proper development I have no doubt but that it would be a fine paying property.

12th—1589 Acres. I have also a one-half interest in fine properties in the above number of acres in Rowan and three counties, having good veins of gold, silver, copper, iron, soapstone, roofing slate; also large vein of fine Jasper stone.

All of the above named properties are positively for sale on reasonable and easy terms. All persons who desire to invest in or purchase will please give me a call before buying.

As reference in regard to the above, see Proprietors NORTH CAROLINA HOTEL, J. S. McCubbins, Sr, Luke Blackmer, Esq, Davis & Wilkes, Bankers, and M I. Holmes, of Salisbury, N C, and S E Linton Esq, of Charlotte.

S. R. HARRISON.
