AMALGAMATOR

THAT SAVES ALL THE FREE GOLD, AT A COST OF NOT OVER 25 CTS PER TON.

It is fancied by a grateful patron that the next comet will appear in the form of a huge bucket, having "Golden Melancholy" inscribed upon it in bold characters. Whether this conceit and high compliment will be verified, remains to be seen, but Dr. Pierce will continue to send forth that wonderful vegetable compound, and potent eradicator of disease. It has no equal in medicinal and health-giving properties, for imparting vigor and tone to the liver and kidneys, in purifying the blood, and through it cleansing and renewing the whole system. For scrofulous humors, and consumption, or lung scrofula, in its early stages, its its early stages, it is a positive specific. Druggists.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We do desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower will make them free from disease, as when born. Dyspepsia and Liver Complaint are of direct causes of seventy-five per cent of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cts. Try it.
