Every Advertiser in The Crescent earns a red letter from the people of Spencer. The paper is for Spencer's development and advancement, and it should be supported by every one who takes a pride in Spencer or wishes its people well.

It pays to advertise. But it pays immensely to advertise in The Spencer Crescent. The people of Spencer have bought, installed and own a modern newspaper and job printing plant, and your patronage is solicited in return for Spencer's.

A BUSINESS PROPOSITION

OF THE

Brown-Palmer Clothing Stock

"Force 'em---Clean Up and Clean Out" is the order now given. It will be surprising---the more so as you look---to see the very Newest Weaves and Styles, in such a tremendous assortment, being so slaughtered by the Force of Necessity, born of unsettled conditions and the uncertainty as to what the immediate future will bring forth. While the wearer still has the whole Summer ahead of him, our time for making a profit has now passed. "Force 'em Out" is the command.
