Our \$400 SELF PLAYER PIANO

Voting Contest is now on and the Piano will be given

Absolutely Free

to the young lady in Alexander County securing the greatest number of votes in our

Voting Contest

Here are the terms and conditions which make it possible for some young lady to secure this valuable prize:

Each yearly subscription counts 100 votes. Persons not now taking The Scout may subscribe and pay for a term of one or two years, but no longer. Present subscribers can renew or extend their subscriptions for one or two years, but no longer. Subscriptions may be taken anywhere in the United States or Canada. Every dollar paid on this contest must be accompanied by the name of some person to whom the Scout is to be sent for a term of one or two years. In other words, no money will be received without a subscription.

Any one wishing to place a friend in the contest can do so by paying one dollar for a subscription to The Mountain Scout. This gives your candidate 100 votes to start with. Then bring in every subscription you can secure and watch the standing of the contestants in the Scout each week.

A candidate can enter at any time and withdraw at any time; but one candidate will not be allowed to transfer her votes to another candidate.

Every subscription taken in this contest will be entered in a book kept for this purpose, with the name of the candidate for whom the votes are cast. This book will be kept open for examination by any of the candidates or their friends. The contest will be conducted with absolute fairness to all.

The Piano is now on exhibition at the

Adams Furniture Store

Send all subscriptions to THE MOUNTAIN SCOUT, Taylorsville, N. C.

Speaking of the war in Europe—but we're all tired of speaking of it, and of hearing, and reading, and of everything in connection with the odoriferous exhibition of scrambled humanity.

Every person who pays a dollar for this paper a year gets fifty-two golden opportunities for making and saving money. Every issue contains information that is worth more than a dollar to any subscriber, and often a single issue is the means of accumulating many dollars to the one who reads it. Can you afford to miss a good thing that costs but a couple of cents a week?

Son—"What is a liar, father?"
Father—"A war correspondent, my son."

Of course we will appreciate all of the good things you will say of us when we are dead, but we are a patient animal and in no hurry to start your eulogies.

There's a bully good bargain offered in this paper this week. Read the ads—dig it out—it may be just the one you are looking for. Always read the ads.

"By the time a man is 50 he knows he will never be rich," says an exchange. True possibly; but if every fellow who owes us a dollar would whack up we'd be a heap nearer the goal.

AT COST

For 30 days we will sell

Summer Underwear
White Dress Goods
Men's, Ladies' and Children's Slippers

also one lot of Men's and Boys' CLOTHING

AT Actual Cost

A Point of Wisdom

lies in the possession of money of her own. A saving bank account means a lot towards a woman's happiness. The Bank of Alexander is glad to open accounts with women. Those whose savings can only be small are welcomed as well as those with larger incomes.
