Weather Forecasts.

Washington, D. C., June 9.—For North Carolina showers to-night or Thursday.

We noticed in the Ansonian that the tax listers of Anson county got together and agreed upon a basis of valuation for the property of the county. The best grade of mules and horses was fixed at \$250, cattle \$50, corn 80c bushel, wheat \$1.00 per bushel and other things in proportion. If property were valued at that rate in this county the rate of the tax levy could be greatly reduced and enough and more money would be raised than at the present rate.

We think the idea of arranging for a uniform basis of valuation is a good one. The property in many townships of Iredell county is not valued at much more than one half of the valuation of other townships. A uniform valuation should be given for the property throughout the county.

The devotion of the old Confederate soldier to the Lost Cause is something sublime. As the time since that terrible struggle lengthens, the chord that binds his heart to the cause and to his fellow comrades grows stronger. No matter what the difference in politics or religion or in the vocation of life the old soldiers have a tender affection for each other. Year by year their numbers grow less and year by year their devotion grows stronger. Every year they love to gather at their annual reunions and discuss those stirring times. Those brave hearts that once knew no fear are now growing old and feeble. May the God of battles grant them many more happy reunions and as one by one they pass over the river may they meet in the great reunion beyond and may the land they fought to protect blossom as the rose and their value and devotion be transmitted to succeeding generations.

Of Interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by all druggists.

USED ADDER TO ROB BANK.

No Arrests Yet, But Directors Make Defalcation Good.

A special from Williston says that Mr. Cleveland Fanning, a young man about 27 years old, was waylaid last night about three miles from Williston and shot from his buggy and instantly killed. The Barnwell county dogs chased the assassin to the Edisto river, where he escaped in a boat. Suspicion points to Addie Boylston, a brother-in-law of the dead man. Posses have been scouring the country all day. It is thought the murderer will be captured.
