QUART BOTTLES. A MOST WONDERFUL CURE.

A Grand Old Lady Gives Her Experience. Mrs. Thankful Orilla Hurd lives in the beautiful village of Brighton week Mr. Brown was sick and gencians consulted. Fully 240 cysts for that insult and will meet you in Livingston Co., Mich. This venerable and highly respected lady was born in erally depressed, but the sickness were removed in one operation, and five minutes if you don't apologize. the year 1812, the year of the great war, in Hebron, Washington Co., New York. She came to Michigan in 1840, the year of "Tippecanoe and Tylei too." All her faculties are excellently preserved, and possessing a very re tentive memory, her mind is full of interesting reminiscences of her early life, of the early days of the State of Michigan and the interesting and remarkable people she has met, and the stirring events of which she was a wit | May each year, and has experienced | his strength and is in the best of Rev. Dr Gregory, one of the most ness. But nothing in her varied and manifold recollections are more mar this peculiar affliction ever since he spirits. velous and worthy of attention than are her experiences in the use of JOHNSTON'S SARSAPARILLA. Mrs. Hurd inherited a tendency and predisposition to scrofula, that terribly destructive blood taint which has cursed and is cursing the lives of thousands and marking thousands more as vice.

An Old Negro Preacher New London, Conn., Dispatch, 17th ims of the death angel. Transmitted from generation to generation, it is found in neary every family in one form or another. It may make its ap pearance in dreadful running sores, in unsightly swellings in the neck of have been the oldest negro preacher goltre, or in eruptions of varied forms. Attacking the mucous membrane, it in the country, died at his home in

and often is, the prime cause of consumption.

Speaking of her case, Mrs. Hurd says: "I was troubled for many years with a bad skin disease. My arms and limbs would break out in a mass of sores, discharging yellow matter. My neck began to swell and became very unsightly in appearance. My body was covered with scrofulous eruptions.

My escaped and for years much. My blood was in a very bad condition and my head ached severely was employed in a hotel in New York. He came to New London in at frequent intervals, and I had no appetite. I had sores also in my ears. I was in a miserable condition, I had tried every remedy that had been recommended, and doctor after doctor had failed. One of the best physicians in the best physicians to get and conductors were injured by the strikers.

In 1829 he escaped and for years was employed in a hotel in New York. He came to New London in Soft when to his surprise he day. Several substitute motormen and conductors were injured by the strikers.
