9. All persons shall keep in good repair all ways or roads used as entrances to private property and crossing the sidewalks. When such crossings shall be out of repair so as to injure the sidewalk, the town marshal shall notify the owner or person having charge of the property to which such crossing is an entrance, to put the same in good repair, in five days, and upon failure to do so the town marshal shall cause the same to be done, whereupon the cost of said repairs and a fine of 50 cents shall be imposed upon said delinquent.

An Explanation.

What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember, a few years ago the word Malaria was comparatively unknown, —to-day it is as common as any word in the English language; yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and malaria are intended to cover what our grandfathers called biliousness, and all are caused by troubles that arise from a diseased condition of the liver, which, in performing its functions, finding it can't dispose of the bile through the ordinary channel, is compelled to pass it off through the system, causing nervous troubles, malaria, bilious fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.
