AND DIRETORY.

The case has tew, if any parallels. The doctor is of a prominent French Canadian family, and came to Winooski to practice three years ago. There he met Katharine Collins, a farmers daughter, noted for her beauty. Patanaude fell in stantly in love with her, and was so devoted in his attentions as to totally neglect his profession. He followed the girl like a dog. Again and again he protested his love, only to be scornfully refused. As usual, the woman loved another, but this did not deter the young Cana dian, and one day, when he was imploring her to "give him her heart," she replied that she would

QUORUM, Two Colored Republicans Seat ed in Their Places by the Grace of Speaker Reed. Washington, Sept. 23, '90

> This has been a great day for the colored man. Representatives Venable, of Virginia, Elliot, or South Carolina, were unseated by the Republicans and their places given to the col

the Republicans were guilty of the calculations based on these figures most arbitrary and flagrant viola-

tion of legislative ethics. The opposition were not permitted a single moment in which to defend their case. It was called up as soon as the Langston matter was disposed of, the previous question was ordered, and in thirteen minutes by actual count the deed

was done. Talk about despotism and Crom-There never was anything like it

in the history of American legis

lation. It was a biutal, wanton disregard of the rights of the mindrity.

VENABLE UNSEATED. The republicans succed to-day in securing a quorum. The Langston-Venable contested election case came up as the unfinished businsss. None of the Democrats were in their seats save Mr. O'Fer rall, of Virginia. The galleries

surrounding the chamber were packed with negroes. They wanted to see a white man ousted from his seat and a negro. who had no claim upon it, placed cur, and the companies paid hin therein. They had no hope that liberally for the information. In every two such instancee would occur. case the fires took place as predict One was sufficient to thrill their ted. The information was of course souls with honest delight, but two very valuable to the companies and was an expectation they had never dared to indulge. Speeker Reed put the motion on the resolution, declaving Langston entiled to Ven ab'e's seat.

A few Republicans, with a de cent regard for the legislative proppriettes refrained from voting.

The majority however, were trubled with no such sentimental consideration, and the motions were overwhelmingly.

Mr. Haughen, of Wisconsin, there upon escorted Langston to the bar of the House, were the oath of of fice was administered to him. Mr. Haughen is a naturalized Norwegian and a great stickler for

the rights of American freedmen. As the two threaded their way the benefit of the Soldier's Home. down the crowded aisle the ne groes in the gallery arose en masse and filled the air with their victorious shouts.

"GIVE US ANOTHER CASE." The induction of Laugston into office being completed there arose ducted it will no doubt be of great from the Republican side the cry,

"Give us another election case." Mr. Howell, the chairman of the Election Committee, did not disap point them. He had the Miller Elliot ca-e ready, and Speaker Reed ordered it to be called up.

raised the question of considera-The Speaker declined to entertain it. His blood was up and he

New York contains many a man who follows some queer occupation, I train. Baggage handled free. but perhaps none was more queer than that of a man who died recent- RAY VIEW HOTEL, ly and whose calling was to furnish 'tips" to insurance companies. The secret of his phenomenal success is at train and boat. No charge for convey mystery, as his methods were most carefully concealed. His business was run somewhat on the order of the commercial agencies, and called it the Public Adjusting Bureau. By some means he was able to furnish in advance correct information concerning fires about to ocit is said they profited by his predict tions in every case except one. that case the fire occured, as usual and the company lost money by falling to heed the warning. Whether he was in collusion with incendiaries or, ISAAC A. SUGG, not is unknown, as no evidence of crime could be obtained against

TO HARMONIZE REPUBLICS.

A number of prominent gentlemen in this vicinity are engaged in the work of bringing about an International Congress of Republics to be held in this country sometime in the future, perhaps in 1893. The idea is to have delegates from all the republics of the world and from countries that are not yet republics. S. T. BECKWITH, The purpose is to harmonize all re publics and to educate the inhabitants of other nations as to the rights as a people. The questions to be considered are important ones and if the congress is properly con- A. benfit. Mr. W. O. McDonald, who originated the idea, has submitted a list of questions to the committee which are of vital interest. Among them are the expansion of the Monroe doctrine, the disarnment of nations, the labor questions, &c. The committe will be increased to 100 members, to be selected from the most prominent citizens of New
