It is equal to 1,300,000 globes the si e of our earth, but owing to its lack of density its weight equals that of only 332,000 such masses. There is a curious grape-vine at Habersham Park, Georgia. It grows from a large oak tree about five feet from the ground. The tree is perfectly sound, and no roots of the vine are discernible. <u>A Wonder Worker</u> . Mr. Frank Huffmam, a young man of Burlington, O hio, states that he had been under the care of two prominent physicians, and used their treament he was not able to get ar und. They pronounced his case to be Consumption and in curable. He was persuaded to try Dr. King's New Discovery for Consumption, Coughs and Cold and at that time was not able to walk across the street without resting. He found, before he had used half of a dollar bottle, that he was much better; he continued to use it and is to day enjoying good health. If you have any throat	trial School for white boys.
