A Little Girls Experience in Lighthouse.

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter, four years old. Last April she was taken down measles, followed with a dreadful cough and turning into a fever. Docher, but in vain, she grew worse rapidly, until she was a mere "handful of bone."-Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold. yet you may get a trial bottle free at Bogart's Drugstore.

early after the snow leaves.

zette a year.

When Short Hair Came Into Fashion.

Charles the V. is said to have first brought short hair into fashion, when, afflicted with severe headaches, he had his locks clipped as close as might be. The Cavaliers more than ever cherished their flowing curls, distinguishing themselves markedly from their opponents, the Parliamentarians, who shaved close, and earned the names of Crop-ears and Round-heads .- Ex.

Force of Character.

Character is made up of small duties faithfully performed-of selfdenials, of self-sacrifices, of kindly acts of love and duty. The backbone of character is laid at home; and whether the constitutional tendencies be good or bad, home influences will, as a rule, fan them into activity. "He that is faithful in little is faithful in much; and he that is unfaithful also in much."-

Remarks Derogatory to New Orleans,

London, April 28.—A Rome dispatch says that some stir has be en caeated there among visitors from the Southern part of the United States by derogatory remarks which the United States Consul General tered about New Orleans. The that city.

Truth and Honesty.

Truth and honesty show themselves in various ways. They characterize the men of just dealing, the faithful men of business, the men who will not deceive you to their own advantage. Honesty is the plainest and humblest manifestation of the principle of truth. Full measures, just weights, true samples, full service, strict fulfillment of engagements, are all indispensable to men of character .- Ex.

First Seagoing Vessel.

The first vessel, it is said, of which we have any description is the ark built by Noah under the directions of the Almighty. Assuming a cubit to be about 18 inches of our measure, its length was about 450 feet, its breadth about 75 feet and its depth about 45 feet, with an arch or round-up of the upper deck of about 18 inches .- Selection.
