BOLD, ENTERPRISING, DEMOCRATIC.

John Sherman can talk more and say less than any man in public life.

Senator Hill continues to "saw wood," leaving his enemies to do all the talking.

Great Scott! Massachusetts has a band of "white caps." The old Puritan blood is telling.

The legislation of the Fifty-third Congress will prove that the Democratic party is the true and only people's party in this country.

It is difficult to say when a thing is finally settled in this country. The Supreme Court is to be given another "go" at the Geary Chinese law.

Advice to Congress has already been largely overproduced, but there are no indications of the shutting down of any of the advice mills.

That proposed contribution for the sock-gambling, but fighting descendant of Columbus reached the ridiculous stage before the cash was received, thanks to an outspoken press.

Every man who feels the financial pitch would do well to ask himself and answer honestly: Have my actions tended to inspire or to shake public confidence?

The doubt about tariff legislation which is alleged by republicans to exist is merely a chimera of their disordered minds. The tariff is going to be reformed by the Democratic Congress.

The day may come when the stenographers of the House of Commons will put in place of the customary "hear, hear," in the members' speeches, the number of black eyes and broken noses.

Sen. Vest is right in saying that the time has arrived when makeshifts should be cast aside and definite and decisive action be taken in financial affairs, and that is what the people expect the Democratic Congress to do.

Some editors are consistent for no better reason than that it helps them to whisk some of the party leaders over the head without calling names. Better a little inconsistency than an overstock of that brand of inconsistency.

There is entirely too much talk about conspiracy. No sane man really believes, whatever he may say, that one half of the citizens of the U. S. are conspiring with foreigners to ruin the other half. It is an absurdity as well as an impossibility.

New York has a society, formed to further the annexation of Canada, with a membership of 275. When Canada asks for annexation there will be no need for societies to help her get it. We want no unwilling citizens. Let Canada knock before the door is thrown open to her.

As a hair dressing and for the prevention of baldness, Ayer's Hair Vigor has no equal in merit and efficiency. It eradicates dandruff, keeps the scalp moist, clean, and healthy, and gives vitality and color to the hair. The most popular of toilet articles.

Bath Items. Misses Fannie and Olivia Patrick, of Chocowinity, spent Sunday in Bath.

Mr. W. L. Davis made a flying visit to his former home, Windsor, last week, glad to note his return.

The Schooner Industry, Capt. C. H. Brooks, owner, is being repaired at his wharf and will soon be ready for her regular trips.

Some of our townsmen are having fine sport with their hooks and lines. Quite a number of trout have been caught during the past week.

Our streets have been improved recently by filling in the low places and cutting down the hills. We look forward to great improvements in Bath for the next few months.

Long Acre Lines. Departed this life on Sunday, July 30th, Mrs. Rhoda A. Windley, in 76th year. She was our mother, and she was a model mother. She was a model professor of the Primitive Baptist faith. Her pastor said of her: "I am just as her pastor said of her: 'I am just as happy as I have an existence.'"

Modest, quiet, provident, persevering, tender-hearted and just, she has left us a priceless heritage in her example.

More persons than usual, we think, attended the August meeting at White Plains on Sunday. Washington, Pantego, Bath, Yatesville and other sections were well represented.

We noted Capt. Ellsworth, J. K. Hoyt, our old friend, C. E. Jordan, and many others from Washington, Hon. J. S. Marsh from Bath, and many prominent citizens from various sections. But what we realized more keenly than anything else was that our poor mother was not there and would never be there again.—W.

Greenville Items.

GREENVILLE, N. C., Aug. 8, '93.

There has been considerable rain of late but little damage to crops is reported.

Crops are good throughout the county and farmers have to complain of weather and low prices.

The two prize houses being built by the Greenville Tobacco Warehouse Company nearing completion.

The tobacco warehouses have already begun a fair business, and with its increased facilities, Greenville will be a better market this year than ever before.

There was a picnic at Falkland last Thursday, and a ball at night. There was a large attendance, quite a number from here being present. With the exception of a short interruption by a shower of rain, it was a most enjoyable affair.

Another batch of excursionists left last Saturday for a ten days sojourn at Ocracoke.

The County Commissioners were in regular monthly session yesterday. Only regular routine business was transacted.

Another party leaves tomorrow for the World's Fair. It will consist principally of business men who will take in New York for fall purchases on their return trip.

There were only thirteen marriage licenses issued during the month of July, six being whites and seven colored.

Work on the Presbyterian church to be built on Dickinson Avenue, will soon commence.

The boats were to make a through trip to Tarboro last week, which was the first in quite a while.

We hear that Tom Watson was not at Aulander on the 3rd and that Mr. Harry Skinner orated as usual. The thirtdites adopt many a ruse to get a crowd.

"Who will be postmaster here?" And echo answers, who? and Democrats answer, "when?"

Swan Quarter Items.

Miss Claudia Lincoln is in New Bern visiting the family of Mr. W. D. Barrington.

We are pained to hear of the death of Mr. Thos. Pugh, of Mount Pleasant. Truly a good man has gone to receive his reward.

We are delighted to see Mr. S. T. Beckwith, of Washington, in our town this week. He was accompanied by Mr. D. O'Neal.

Rev. Mr. Langston is holding a protracted meeting at Lake Comfort. He is assisted by Jerome, of Fairfield.

Rev. J. B. Parsons is holding a very interesting meeting at Swan Quarter. He has had four additions so far.

Mr. and Mrs. Wm. Credle are visiting Mr. M. S. Credle and family.

Mr. Geo. I. Watson, of Lake Landing, was in our town recently. He is one of Hyde's most successful merchants.

Horse racing seems to be all the talk among the men. We have a race almost every afternoon.

There was to have been service in the Court House at 8 o'clock Friday morning, but owing to circumstances unavoidable the preacher or would-be preacher did not show up at the appointed time.

Miss Lucy Credle and brother of Haslin, are visiting their aunt, Mrs. J. W. Hayes.

Mrs. Ed. Bullock has returned to her home at Belle Porte. Mrs. Martha Weston accompanied her.

Winsteadville Items.

Our quiet little community has again been made sad with grief and sorrow. Death has taken from our midst Mrs. William Pedrick, who departed this life on the 27th, ult. Mrs. Pedrick was 52 years old and leaves a devoted husband and four children to lament her death.

Our farmers have finished laying by their crops and are busily engaged in cleaning out their canals and tributaries and hauling compost in their stables and barn lots to avoid buying so much worthless guano that is so detrimental to our crops in severe rainy weather. The farmers are still going ahead with but few fair winds in their favor. There has been but little of the mortgage system this year, and particularly the chattle mortgage. The mortgage system is not such great burden on the people as some think. The mortgage trust is, in many instances, of great prosperity; for instance, a man wishes to purchase the lands adjoining his own, and he borrows \$2,000 to purchase it. This doesn't indicate that he is going backward; it means that he is prospering and has confidence in himself and the future.

Our steam saw mills have all shut down.

Sand Hill Items.

Crops are looking fine. Rev. J. R. Rowe lost his horse last week.

Mr. C. C. Kayton is going in the brick business.

The Idalia dentist, H. H. Ross can beat Bro. Latham, of Long Acre with sunflowers. He has one ten feet high with 64 heads. Who can beat it?

A God-send is Ely's Cream Balm. I had a cold for 3 years. Two or three times a week my nose would bleed. I thought the sores would never heal. Your Balm has cured me.—Mrs. M. A. Jackson, Portsmouth, N. H.

I was so much troubled with catarrh it seriously effected my voice. One bottle of Ely's Cream Balm did the work. My voice is fully restored.—B. Liepener, A. M. Pastor of the Olivet Baptist church, Phila. Pa.

Firemen, Reflect.

Members of the Phoenix Hook and Ladder Fire Co., No. 1 are hereby notified to assemble in City Hall, Thursday evening, August 10, '93, at 8 o'clock sharp. Important business to be transacted. Absentees will be fined.

T. P. HOWARD, Foreman. I. T. KINNIN, Secretary.

Like a ship without a rudder is a man or a woman without health and the necessary strength to perform the ordinary duties of life. When the appetite fails, when debility, and a disorder condition of stomach, liver, kidneys, and bowels assail you, take Ayer's Sarsaparilla.

even the first dose. Ayer's Pills rank higher in pharmacy and are more generally used than any other cathartic. Sugar-coated, purely vegetable, and quickly dissolved, this is the ideal family physic, and should be in every domestic medicine-chest. They are a sure remedy for biliousness, nausea, costiveness, indigestion, sluggishness of the liver, jaundice, drowsiness, pain in the side, and sick headache; also, for colds, fevers, neuralgia, chills, and the diseases peculiar to southern latitudes. For travelers, whether by land or sea, Ayer's Cathartic Pills are indispensable, and should never be omitted in the outfit. To preserve their medicinal virtues in all climates, they are put up both in bottles and boxes.

THE USE OF

Ayer's Pills are everywhere recommended by leading physicians. "I have been using Ayer's Pills for over twenty-five years, both personally and in my practice, with the best possible results, and recommend them in cases of chronic diarrhoea, knowing their efficiency from personal experience, they having effected a cure when every other medicine had failed."—S. C. Webb, M. D., Liberty, Miss. "I have never used anything that did me so much good for dyspepsia as Ayer's Pills."—G. W. Wilson, Spottsylvania Co. H., Va. "I have repeatedly employed Ayer's Cathartic Pills both for liver affections and to correct stubborn costiveness, with beneficial results."—Dr. Pareja Garredo, Prof. of Medicine, Granada, Spain. "For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered their natural action."—Wm. H. DeLaucett, Dorset, Ont. "After many years' experience with Ayer's Pills as a remedy for the ailments caused by derangements of the liver, peculiar to malarial localities, justice prompts me to express my appreciation of this medicine."—S.
