vote persistently for free silver.

And now it is creeping, out that the great business revival that was paraded after the election is no great thing after all: Beyond the starting up of some factories that had he should vote with his party on stopped to coerce the workingmen this question if he was re-elected. there are but few genuine signs of unprovement. There is no real ' boom" on hand yet. There are some signs the other way.

Hon. James a Williamson, former ly of Davie county, this State, but now a resident of Tacoms, Washington, has been elected Judge of the Superior Court in that State at salary of \$3,000 s year. In the same election and on the same ticket, a fusion of all silver forces, Hon Patrick H. Winston was elected Attorney General of Washington. North Carolinians win honors whereever they go.

"The vote for silver in the last election," said Col. C. G. Bradshaw of Montana, 'was the American vote The foreign vote, those fellows who have only been here a year or two. and don't even know how to writ their name in English. voted for McKinley to a man. That's where, the big campaign fund we hear so much about went, and the result in the States having the largest amount of foreign population proves that most conclusively. All this talk about the Bryan States having the greatest percentage of illiteracy is the merest rot. Why, the census figures show that in Colorado. Washington, Idaho, Montana, and Nebraska the percentage of illiteracy is less than in any of the New England States, New York or Pennsylvania."-Washington Post
