B. L. SUSMAN,  
Opp. City Hall. 117 Market Street

Two weeks ago we bought 10,000 Rolls of Wall Paper at just 40 per cent less than the same paper can be bought for to-day. This is because a big trust now controls the wall paper factories of the country and have forced prices up. We propose to fight this trust with low prices just as long as our 10,000 Rolls of Wall Paper hold out. The wisdom of purchasing now must be apparent to all.

## Rheumatism

Is a blood disease and only a blood remedy can cure it. So many people make the mistake of taking remedies which at best are only tonics and cannot possibly reach their trouble. Mr. Asa Smith, Greencastle, Indiana, says: "For years I have suffered with Sciatic Rheumatism, which the best physicians were unable to relieve. I took many patent medicines but they did not seem to reach my trouble. I gradually grew worse until I was unable to take my food or handle myself in any way; I was absolutely helpless. Three bottles of S.S.S. relieved me so that I was soon able to move my right arm; before long I could walk across the room, and when I had finished one dozen bottles was cured completely and am as well as ever. I now weigh 170."

## A Real Blood Remedy.

(guaranteed purely vegetable) is exclusively for the blood and is recommended for nothing else. Forces out the poison matter permanently. We will send to anyone our valuable books. ## Bottled Up!

Whether in the form of pill powder or liquid, the doctor's prescription for blood diseases is always the same—mercury or perchloride. These drugs bottle up the poison and dry it up in the system, but they also dry up the marrow in the bones at the same time. The suppleness and elasticity of the joints give way to a stiffness, the racking pains of rheumatism. The form gradually bends, the bones ache, while decrepitude and helplessness prematurely take possession of the body, and it is but a short step to a pair of crutches. It comes falling of the hair and decay of the bones, a condition truly horrible.

Contagious Blood Poison—the curse of mankind—is the most horrible of all diseases, and has always baffled the doctors. Their potash and mercury bottle up the poison, but it always breaks forth again attacking some delicate organ, frequently the mouth and throat, filling them with eating sores. S.S.S., is the only known cure for this disease. It is guaranteed purely vegetable, and one thousand dollars reward is offered for proof to the contrary. It never fails to cure Contagious Blood Poison, Scrofula, Eczema, Rheumatism, Cancer, or any other disease of the blood. If you have a blood disease, take a remedy which will not injure you. Beware of mercury; don't do violence to your system. Don't get bottled up! Our books sent free to any address. Swift Specific Co., Atlanta, Ga.
