## Rheumatism

Is a blood disease and only a blood remedy can cure it. So many people make the mistake of taking remedies which at best are only tonics and cannot possibly reach their trouble. Mr. Asa Smith, Greencastle, Indiana, says: "For years I have suffered with Sciatic Rheumatism, which the best physicians were unable to relieve. I took many patent medicines but they did not seem to reach my trouble. I gradually grew worse until I was unable to take my food or handle myself in any way; I was absolutely helpless. Three bottles of S.S.S. relieved me so that I was soon able to move my right arm; before long I could walk across the room, and when I had finished one dozen bottles was cured completely and am as well as ever. I now weigh 170."

### A Real Blood Remedy.

S.S.S. cures Scrofula, Cancer, Eczema, and any form of blood troubles. If you have a blood disease, take a blood medicine—S.S.S. (guaranteed purely vegetable) is exclusively for the blood and is recommended for nothing else. It forces out the poison matter permanently. We will send to anyone our valuable books. Address Swift Specific Co., Atlanta, Ga.

## CONSUMPTION

By its timely use thousands of apparently hopeless cases have been permanently cured. So proof-positive am I of its power to cure, I will send FREE to anyone afflicted, THREE BOTTLES of my Newly Discovered Remedies, upon receipt of Express and Postoffice address.

## Bottled Up!

Whether in the form of pill powder or liquid, the doctor's prescription for blood diseases is always the same—mercury or poison. These drugs bottle up the poison and dry it up in the system, but they also dry up the marrow in the bones at the same time.

The suppleness and elasticity of the joints give way to a stiffness, the racking pains of rheumatism. The form gradually bends, the bones ache, while decrepitude and helplessness prematurely take possession of the body, and it is but a short step to a pair of crutches. It comes falling of the hair and decay of the bones,—a condition truly horrible.

Contagious Blood Poison—the curse of mankind—is the most horrible of all diseases, and has always baffled the doctors. Their potash and mercury bottle up the poison, but it always breaks forth again attacking some delicate organ, frequently the mouth and throat, filling them with eating sores. S.S.S. is the only known cure for this disease. It is guaranteed purely vegetable, and one thousand dollars reward is offered for proof to the contrary. It never fails to cure Contagious Blood Poison, Scrofula, Eczema, Rheumatism, Cancer, or any other disease of the blood. If you have a blood disease, take a remedy which will not injure you. Beware of mercury; don't do violence to your system. Don't get bottled up! Our books sent free to any address. Swift Specific Co., Atlanta, Ga.
