## OLD-RELIABLE L. B. SUSKINS. SERIOUSLY.

Are you in need of a suit of clothes? Do you intend buying a suit or overcoat? Yes, to both these questions, then why don't you buy now. I have sold hundreds of suits and overcoats this season, consequently have a number of broken lots--suits--one two and three of a kind. These I have put the knife into, up to the hilt. Have put prices down almost half. Come and examine

of the most beautiful and useful things ever made. We are now closing out of L. W. Suskins' stock of goods at cost with the same old Jew story, (i. e.) pretending to sell at cost, and getting some old prices or even more. Now we wish to say Mess. Coplin & Suskin's gave us the cost mark, and told us to sell all goods at cost, and all shop-worn stuff at less, if necessary. This we are doing to a letter without limit or reserve. A visit to the store will convince you.

Those who were so fortunate as to attend services at the City Hall yesterday morning and evening had the pleasure of listening to powerful discourses by the pastor Rev. Dr. Nash. His congregations are larger each Sabbath, and we have not heard better sermons in years. The doctor has gained a deep and lasting place in the hearts of our people.

J. H. Thompson who for the last year occupied the barber shop adjoining Dr. Gallagher's drug store, has opened up a shop on Market street adjoining the store of Mr. J. M. Mayo. Thompson is one of our best barbers, in the late campaign voted the Democratic ticket, and we bespeak for him a share of the public patronage.

Dr. Billinger, manager of the Gas works, tells us machinery is now on the way here to double the capacity of the chemical and gas works. Carpenters began this morning to construct a mammoth building for this purpose. This enterprise is one our citizens should encourage. Home labor is employed and our city receives all the benefit.

The factory did our town more good when it was in operation here several years ago than any other manufacturing enterprise. We believe it will do so again. Lets resolve as a town to keep it going. Strike while the iron is hot.
