SERIOUSLY.

Are you in need of a suit of clothes? Do you intend buying a suit or overcoat? Yes, to both these questions, then why don't you buy now. I have sold hundreds of suits and overcoats this season, consequently have a number of broken lots—suits—one two and three of a kind. These I have put the knife into, up to the hilt. Have put prices down almost half. Come and examine

NOTICE!

We have heard it remarked that the closing out of I. W. Abe stock of good a cost was the same old Jew story, (i. e.) pretending to sell at cost, and getting same old prices or even more. Now we wish to say Mess. Coplin & Suskin's gave us the cost mark, and told us to sell all goods at cost, and all shop-worn stuff at less, if necessary. This we are doing to a letter without limit or reserve. A visit to the store will convince you.

One of our physicians received the following unique note from a patient: "Dear Doctor: Are macknesia powders good for a sick stomach, for a person that throws up nothing but gall? I think ——— has caught cold, if they are good, give sister 10 cents worth, and talk loud to sister, for she is as deaf as a post.

A gentleman from Aurora informs us that more hogs have been killed in that part of the county than in years, and the farmer that has not made his own meat this year, is an exception to the general rule. The fact is our people have at last returned to the good old times "before the war," the lean and hominy period, and although cotton is only five cents a pound, the people are sitting back in contentment and happiness, with no evil forebodings, as to how much of the next year's crop they would have left after the mortgage for supplies had been paid.

The bill introduced into the Legislature by Representative Davis of Hyde to repeal that portion of the oyster law that permits dredging in certain limits has created quite a stir among our people. A meeting was held in the City Hall Wednesday night to protest against the repeal and a committee of citizens were appointed to go to Raleigh to lay the matter before the General Assembly. Yesterday Capt. A. W. Styron was circulating a petition among our citizens protesting against the Davis amendment. We hear the citizens of Elizabeth City, New Bern and Beaufort will also send up petitions against the measure.
