**NOTICE.**  
Beginning on February 1st, 1899, we will begin to operate a business strictly upon a cash basis. For years past we have incorporated the credit system, but upon a careful study and reflection think our interest demands a cash plan, and we have resolved to inaugurate such a system beginning on the above date. Goods will be sold at the closest figures, and we believe our patrons will take advantage of the small margin in profit. We earnestly solicit all those we have favored in the past and are now doing, to call on or before the above date (Feb. 1, 1899), and liquidate their indebtedness. We are ever ready to fill your orders and trust this notice will be taken in the right spirit and that all will act accordingly.

Yours for success,

## WINE OF CARDUI

### How a Woman Suffers.

HOWELL, IND., Nov. 26.  
I will always praise Wine of Cardui. It has done me more good than all the medicines I have ever taken in my life. Please send a book about female diseases to the ladies whose names I enclose.

Mrs. MINNIE STODGHILL.

### McKee's Wine of Cardui

It isn't necessary for a woman to give particulars. When she says she has "female troubles", other women know what that means. It means days and nights of endless suffering. It means headaches which no tongue can describe. It means that terrible bearing and dragging down in the lower abdomen. It means agonizing backache, and shoulder ache, and arm ache, and aches in the lower limbs. It means nerves on edge—the blues—despondency and loss of hope. It means debilitating drains that the doctors call leucorrhoea. It means martyrdom—sometimes even death seems preferable. And still Wine of Cardui will utterly put those diseases and pains to rout. It has cured thousands of cases when nothing else on earth would. To the budding woman, to the bride, to the wife, to the expectant mother, to those going through the Change of Life, this Vegetable Wine is a blessing.
