**NOTICE.**  
Beginning on February 1st, 1899, we will begin to operate a business strictly upon a cash basis. For years past we have incorporated the credit system, but upon a careful study and reflection think our interest demands a cash plan, and we have resolved to inaugurate such a system beginning on the above date. Goods will be sold at the closest figures, and we believe our patrons will take advantage of the small margin in profit. We earnestly solicit all those who have favored in the past and are now doing to call on or before the above date (Feb. 1, 1899), and liquidate their indebtedness. We are ever ready to fill your orders and trust this notice will be taken in the right spirit and that all will act accordingly.  
Yours for success,

**WINE OF CARDUI**  
**HEALTHY OLD AGE.**  
LARGE, BENTON Co. ARK., Aug. 4.  
I am 49 years old and have been suffering with Change of Life. I had flooding spells so bad that none thought I could live. My husband got me Wine of Cardui and it saved my life. I am like another person since taking it.  
MRS. E. B. TOWNSEND.

It is the devout wish of nearly all people to live to a ripe old age. None of us want to die young. This universal desire can be realized if care be taken of the health in early and middle life. A little precaution then will add many years to our existence. Death can be kept away a long time. Happy, healthy old age will be the lot of the woman who promptly corrects the ailments which afflict her sex. In youth, Wine of Cardui will take the female child safely over the dividing line between girlhood and womanhood. As a wife she needs it to help her through the trials of pregnancy and childbirth with as little discomfort as possible. At the Change of Life it will help her over the dangerous place that appears in her pathway between 40 and 50. Then will come many years of truly blissful existence. She will grow old slowly and gracefully. To the last she will preserve that charm and beauty which are always characteristic of perfectly healthy grandmothers. It is for women alone to decide whether they will be healthy or sick. The remedy for their sickness is close at hand.
