General News.

The appropriations made by the 55th congress aggregate \$1,566,890,016.28, of which \$482,562,083.47 was chargeable to the war with Spain.

The United States armored cruiser Brooklyn has received orders to sail immediately for Hampton Roads to take Rear Admiral Schley to Europe.

General Gomez has asked General Brooke to reduce the American army of occupation to 10,000 men, retaining 10,000 Cubans in the service of the military government.

For a reduction in taxation on property three cents on the one hundred dollars lower than the tax levied by the last "reform" legislature. That legislature levied a tax of 46 cents on every one hundred dollars valuation of property, but this legislature has levied only 43 cents.

One of the most gigantic combinations yet attempted by commercial organizations in the United States was completed Thursday. It is a consolidation of all the smelters and refiners of precious metals in the United States. The capitalization of the new combine is \$46,000,000.

In an interview at Alexandria, Egypt, Cecil Rhodes predicted that within a century the United States would have advanced the work begun in the acquisition of Cuba until it controlled all of the American hemisphere except Canada. He expressed admiration at the work already done.

It now appears that Alger is to be sacrificed on the altar of the Republican party. He does not want to get out, but there is a strong following among the Republican leaders who say Alger must be gotten rid of at any cost. The recent hissing event in Boston has made his retirement almost a necessity.

The next census will be under the direction of the secretary of the interior and will furnish some fine pickings for the pie brigade. More than 300 supervisors are to be appointed by the president and then there will be district supervisors, county supervisors, township supervisors, etc., world without end.

Under the army bill, as passed, the regular army will consist of 62,000 men, and 35 additional regiments will be organized to serve until 1901. These regiments will not be volunteers but will constitute a provisional army under the direct control of the president, who will appoint the line officers, preference being given to officers of volunteers.

One of the Ohio colonels struck some venerable canned beef during his army experience. It was labelled 1898, but when these labels were removed others were found under them showing the date of 1888. They were probably testing the keeping properties of this beef.

But it is not stated that, like some other things, it improved with age.

The Cuban Assembly had a stormy session at Marianos. Attacks were made on General Gomez, it being charged that he had been bribed by the Americans. It was finally decided unanimously not to accept the \$3,000,000 offered by President McKinley as total payment for the army. It was estimated that \$15,000,000 would be necessary, and it was decided to raise a loan of \$12,000,000 which, with the \$3,000,000 offered by the Americans, would be sufficient. A commission was appointed to propose terms of the loan.

LARGE FORCE ENCOUNTERED.

Considerable Part of Our Troops Engaged With Filipinos.

Manila, March 7.—An advance was made yesterday morning by Hale's brigade on Santolan and Mariquina. The Colorado, Nebraska and Wyoming regiments, with eight guns of the Utah regiment and two companies of the Oregon regiment were engaged while the twentieth infantry was held in reserve. A gunboat also took part in the fighting. Wheaton's brigade, consisting of the California, Washington and Idaho Volunteers and the Sixth Artillery, joined in the fighting. Eight Americans were wounded.

It is the common talk among prominent Republicans that Senator Pritchard will be the next Republican candidate for Governor. They openly say there will be a great fight in the State and as Pritchard is the head of the party in the State he must lead them, and there will be plenty of friends for campaign purposes from the national committees.
