

Local and Personal

Mr. Jno. Woode was here Friday. Mr. Jno. Limer was here Friday. Mr. B. P. Weaver was here Friday. Mr. R. Mulchi was here Friday. Mr. D. P. Limer was in town today. Mr. Jim Burroughs was here Friday.

Deputy Sheriff Carter was in town Monday. Mr. Arthur Powell, of Alston was in town Saturday.

Mr. W. E. Hawkes, of Hawtree was in town Saturday. Mr. Nat Shearin and daughter, Miss Pattie were here Monday.

Miss Mary Weston, of Macon, visited Miss Elizabeth Hunter recently. Mr. J. Henry Thompson, of Hawtree, was in town on business Saturday.

Miss Elizabeth Boyce, of Lattieton, spent the week-end with Miss Mariam Jones. Mr. Sidney Williams of Essex visited his cousin Mrs. Davis Peck this week.

Dr. Furney Yarborough, of Louisville was a pleasant visitor in town last week. Miss Mary Elsie Thomas spent the week-end with Mrs. William Diron in Wake Forest.

Mr. and Mrs. Louis Scoggin and children of Louisville are visiting relatives in town. Miss Daly Rose, of Norlina, is spending the week with her uncle, Mr. Jim Burroughs.

Miss Mary Speed Massenburg left Tuesday for Baltimore to take charge of her millinery duties. Miss Mary Perkinson, of Wise, was in town Monday, spending the day with Miss Lottie Bell.

Mr. W. C. Ellington has moved. He is now occupying the home formerly occupied by Mr. Norfleet Thomas. Mr. L. Joblin left Sunday for Baltimore and New York markets to look up some bargains in spring and summer goods.

Miss Annie Robinson passed through Warrenton Saturday on her way to Palmyra Springs, Va., to attend the Reid-Robinson marriage. Quite a number of our young people were at "Fleming's" (the Roller Mills) pond last night skating. They enjoyed the even very much, and reported plenty of good ice.

The many friends of Mr. J. S. Pritchard, of Sandy Creek, were pleased to see him in Warrenton yesterday. He has been confined to his home for some time by serious sickness. Mr. Page Perkinson drove over from Wise Monday and served as member of the Board of Commissioners. These young-old gentlemen, who saw service in '61 don't mind a little thing like zero weather.

County Commissioner Myrick arrived on time at Warren Plains Monday morning on Shoofly, but having no train or automobile present to convey him in to town, came in afoot, with more comfort than if he had ridden. Mr. W. T. Carter, County Census Taker accompanied him. Miss Mary R. Burroughs and Mr. Howard Alston, of the Warrenton Department Store Co., returned from the Northern markets Sunday. We presume they bought their spring goods with good judgement and taste, and that they will tell the readers of the Warren Record about it in the near future.

Thermometer this morning on Mr. J. M. Gardner's porch was Four above zero; on the street down town at 7:30 a. m. it registered 6 above zero. This has been the coldest weather we have had in a number of years. The Richmond Dispatch says that in 1889 it registered one below zero in that town, and in 1912 two above. We have no information of the reading for 1917.

Mr. G. G. Egerton, of Shocco, was in town this evening. He was so much interested in War news, that he came over to town to get the "latest". The latest is that the President is hoping for Peace; but that all preparation is being made to be ready in case we have so dreadful a calamity as war with Germany—or any other Nation. But there are things worse than war, and it is this one thing which makes war probable.

Mr. R. B. Boyd's home had a narrow escape from a serious fire Sunday night. To protect his bathroom fixtures from freezing he placed a lighted oil stove in the bathroom. During the night he went up to look after the stove, and concluding that it was not giving out enough heat turned the blaze higher and left. The next morning he found that the curtains and other inflammable material had caught on fire and burned up, and fortunately no other damage.

Sergeant Stephen Burroughs surprised his many friends here by coming in Sunday from the Border on a furlough. He reports the boys are doing their full duty (as we all expect ed), but anxious to get back to the "Old North State. We trust that Sergeant Burroughs will not have to

return, as we see it intimated in the Press dispatches that the soldiers will be recalled from the Border to Coast Guard duty in North Carolina, and possibly Fortress Monroe, Va. * * * * *

Since writing the above General Funston has revoked all orders for the Guard to return to their homes.

CARD CLUB MEETS

The Card Club met with Mrs. Buxton Williams this afternoon from three at five o'clock. Auction Bridge was played and the afternoon much enjoyed.

THE RED ROSES ENTERTAIN

The Red Roses had an entertainment Thursday night of last week and not only had a most delightful time, but added a large crowd of enthusiastic workers for our school. Miss Elizabeth Hunter was voted the most popular girl present and received as a donation a delicious cake. Quite a number of couples engaged in a "Cake-walk." Miss Ethel Chandler and Mr. Alfred Ellington (both in fancy costumes) were declared the most expert couple, and received a handsome cake with a RED ROSE surmounting it. The candy and Iet Cream Booths did a nice business, and the whole affair wound up pleasantly with an old-fashioned Square Dance. Quite a nice sum was realized. The next RED ROSE event is Friday night at Opera House where Mrs. Renshaw, as Reader; Miss Louise Allen, of Richmond, and Mr. John Harris, of Warrenton will sing for us. This promises to be a source of much delight, and a large and appreciative audience is expected, including a number of Country school folks and friends.

MACON ITEMS

Mrs. Kennon Rodwell, of Richmond, visited in the home of Mr. J. E. Rodwell several days last week and returned to her home last Sunday. Mrs. Alice Rodwell after a month's visit to Mrs. Louise Rowan, of Hamlet, returned home last Saturday.

The Sewing and Literary Club met last Wednesday afternoon in the home of Mrs. Herbert Scholz. There was a fair attendance.

The Community Club met last Friday afternoon in the school house and talked over matters pertaining to the progress and welfare of the community.

Rev. R. H. Broom filled his regular appointment here last Sunday, and held a church conference. Mr. I. H. Bounds who is bossing the erection of the new school building was called to Florence, S. C., to attend the funeral of his father. We extend condolence and sympathy.

Messrs. J. D. Newell and J. P. J. Miliam were here last Sunday attending church. The effects of liquor were audible here several days last week in the loud and boisterous profanity of a certain party on the street.

Misses Minnie and Blanche Harris, of Embro, were here last Tuesday, having been called home by the illness of their mother. The bad roads continue and we are still motioning for a good-sized bond issue to improve them.

There will be some interesting speaking at the Dairy School to be held at the school house the last Saturday in the month. Come out and hear it!

Misses Mary Weston and Lucy Byers attended the Teachers' meeting in Warrenton last Saturday. They also gained reputation as pedestrians. Capt. Louis Cain, passenger conductor on the S. A. L., says we have the best looking school building on his run from Portsmouth to Raleigh. Mr. W. G. Egerton is the builder.

Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment. Applied in Salve Form Over Throat and Chest Relieves by Inhalation and Absorption. Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth.

Overland Model 75 B 31 1/2 Horsepower. Speedy and Easy Riding. There's little comfort in most low priced cars. You can't use their speeds. They jostle you—they ride roughly—they don't hold the road. It's long 41-inch, easy riding, shock absorbing cantilever rear springs. In addition the 75 B Overland is a longer car—104-inch wheelbase. And it has 4-inch tires. Its smoothness and ease of riding at any speed would do justice to a much larger and heavier car. Come in and let us demonstrate. That's the best kind of proof. W. R.
