

**NOTICE TEACHERS**

To City and County Superintendents:  
To relieve the present situation and to prevent any embarrassment that might arise from the necessary delay incident to the investigation of the records of the teachers now in service with a view of issuing regular certificates, the State Board of Examiners and Institute Conductors has made the following rules and regulations governing the renewal of high school and five-year State certificates, and the issuance of temporary certificates.

**High School Teachers' Certificates**  
1. All high school teachers' certificates expiring in 1917 may be renewed in accordance with the published rules and regulations of the former State Board of Examiners.

**Five-Year State Certificates**  
2. All five-year State elementary school certificates expiring in 1917 may be renewed in accordance with the published rules and regulations of the former State Board of Examiners.

**First-Grade County Certificates**  
3. First-grade county certificates expiring in 1917 may be extended to June 30, 1918, provided the conditions heretofore required for the renewal of such certificates have been complied with, but such extensions of first-grade county certificates will be made only upon the recommendation of the county superintendent of the county in which the certificate was issued, or approved, and upon the approval of the superintendent of the county in which the holder of such certificate may be employed to teach for the year ending June 30, 1918. And when a first-grade county certificate is so approved, and thus extended, it shall, for the time of its extension, be valid only in the county in which the original certificate was issued, or approved, or in the county in which the holder of such certificate teaches.

**Superintendents' Certificates**  
4. To city superintendents, county superintendents, and assistant superintendents who were in service March 5, 1917, the Board will issue temporary certificates for a period of two years; that is, from July 1, 1917, to June 30, 1919.

**Certificates for Grade Teachers in City Schools.**

5. Temporary certificates, valid until June 30, 1918, will be issued upon the recommendation of the superintendent to teachers in city, town, or other specially chartered schools. The grade of certificate in each case will be determined by the recommendation of the superintendent, as provided for in section 3 of the act creating the Board. Upon recommendation of the city superintendent in any city school in which teachers from this State, or from other States, may be employed to teach, the Board will issue temporary certificates for the grade recommended, valid until June 30, 1918.

Before authorizing the issuance of any permanent certificates, the Board will require each applicant to file with its secretary a formal application for the grade and class of certificate desired, which application shall contain a certified statement as to the applicant's qualifications, preparation, professional training, and teaching experience.

Please notify your teachers of these rules and regulations.

On the following page you will find blanks for your convenience in giving the information desired in connection with the issuance of temporary certificates. I shall appreciate your filling them out and returning them at your earliest convenience.

Very truly yours,  
—E. E. SAMS,  
Secretary State Board of Examiners.

**VEGETABLE GARDENING**

Let us Work While it is Summer. Winter Cometh.—Governor Bickett.

The potato. Fraser.  
Squashes. Gregory.  
Tomato culture. Tracy.  
Any of the books listed above may be borrowed from the Library Commission for four weeks. The only expense is the postage both from and to Raleigh.

**THE GOVERNOR APPEALS**

To the people of North Carolina:  
The week of June 10-16 has been designated as National Recruiting Week for the United States Marine Corps. Four thousand enlistments have been called for during that week. This number of recruits, I am informed, are absolutely necessary in order that this efficient branch of the Nation's military service may do the job assigned to it now with the same thoroughness and high degree of efficiency as has marked the work of the American Marines on every sea and in every land from 1798 to this crucial hour.

North Carolina's quota of recruits needed is only seventy. Of this number the Raleigh recruiting station is asked to furnish fifteen men; the Durham recruiting station, fifteen men; the Winston-Salem recruiting station, twenty men; and the Charlotte recruiting station, twenty men.

I call upon the people of these four cities and of the whole state to rally to the Marine Corps during the week designated. Indeed, it ought not to require a week; a day should be long enough to raise the State's full quota of recruits for this great arm of our country's defense.

The Marine Corps is one of the oldest and most efficient branches of the military service, and any young man should count himself fortunate to be enlisted in it. The Marine is a soldier and a sailor too. The advantages he has in the variety of experience and training are unexcelled. He is drilled as an infantryman; he is trained as a naval gunner; he becomes a good field artilleryman; and he learns to manipulate the machine gun. He is in the landing party from war ships, and is the first to go on expeditionary duty. Surely, the young man who wants to serve his country in the hour of need cannot find a better place to render effective service than in the United States Marine Corps among the soldiers that go to sea to defend the rights of Americans and maintain the honor of the Flag throughout the world.

I, therefore, urge the young men of North Carolina to present themselves at the various recruiting stations in the state ready to volunteer for this service on the morning of June 11th. I sincerely hope that the young manhood of he State will respond so quickly to this call that North Carolina will be able to report her full quota raised in a single day.

—T. W. BICKETT,  
Governor.  
The Richmond, Va., "Marine Corps Recruiting Station" makes this request: "Will you please request the papers in your territory to copy, as a patriotic duty."—The Warren Record.

**HILLIARD-WHITE COMPANY**

We have just received by express a shipment of Men's and Women's Walk-Over

Shoes, in the new styles that were bought at the old price and they have been marked accordingly. We can save you money on shoes.

We carry the celebrated line of Leonard-Shaw and Dean shoes for men and the Drew shoe for women, which are known as the Peerless Lines. Our shoes have a mission and they will make good.

**Men, Your Attention Please!**

We have just received a large shipment of Underwear, Shirts, Hats and Ties in the newest patterns and styles. They are beauties and the prices are right.

**Flies Breed in Filth**

**Red Devil Lye Eats Filth**

**Kill the Cause**

Germ-carrying flies bring disease direct to your home from the privy and outhouse. They wipe their germ-laden feet on your food, bathe in the baby's milk and leave many forms of sickness—then come the doctor's bills—and you know what that means.

Flies carry on their feet filth and the germs of typhoid fever, malaria, consumption—perhaps infantile paralysis and other dread diseases.

**Red Devil Lye Destroys The Fly Eggs**

SPRINKLE RED DEVIL LYE FREELY once or twice a week in your privy or outhouse. You can't use too much. It will clean up these places, remove the foul odor and stop fly-eggs from hatching.

RED DEVIL LYE is also simply wonderful for making soap, conditioning hogs and making compost for fertilizer.

**The Hawaiian Singers and Players & Chautauqua Feature**

Aloha Oe, the Kohala March, the Ka-li-ma Waltz and the sacred Hula Dance are some of the numbers which this most talked of attraction in America will present here in their two concerts, third day of the Chautauqua.

They will appear in native costumes. They will play the steel guitar and the ukulele. They will give a song and story demonstration of the native life of the Hawaiian in the far-off south seas. It will be like an afternoon and an evening in Hawaii.

The Chautauqua is bringing ten other great musical numbers, lecturers and entertainers in a mammoth five-day program. This is only one of eleven. The cost is 'way low on the season ticket plan. Season tickets are on sale in the stores. Get yours today.
