AFTON ITEMS.

Miss Annie Robertson, of Littleton, N. C., is visiting Mrs. J. K. Pinnell. Mr. James Montgomery went to Warrenton on business Monday.

Mr. Varion Mabry called on his best girl Sunday afternoon.

Mrs. Bettie Green, of Battleboro, N. C. spent last week with her nephew, Mr. D. C. Williams, and family.

Mr. Boyd Reams went to see his grand-father, Mr. J. L. Curl, of Warren Plains, Sunday. We regret that he is quite sick and hope he will soon be up and around.

EMBRO ITEMS

We are having some wet weather now, and the farmers are not doing much work on the farms around here.

Mr. Ernest Watkins, of near Macon, passed through our burg one day last week.

Nearly all of the people of this place attended the meeting at Reedy Creek this week.

Master Ollie Stallings had a very disastrous fall from a tree one day last week, hurting his head very badly. We are glad to say that he is getting on very well at this writing.

Miss Myrtle Stallings spent last Thursday night very pleasantly in the home of Mr. G. G. Harris of this place.

Mr. Spence West, of Grove Hill, was taking a young lady of this place from Sunday School last Sunday, and not looking where he was driving, (of course) the horse ran over a stump throwing him over the spatter board. It did not hurt the young lady at all, and he said it did not hurt him. We hope he will look where he drives next time.

Best wishes to the Warren Record.

IN SOME SAD HOUR

In some sad hour I'll hold your trembling hand
And plead the passing moments for delay,
When one of us must pass beyond the real,
And one must stay.

It matters not to us which it shall be—
Who first shall tread alone the hidden ways;
But God be gentle in that lonely hour
To one who stays.

—H. E. Harman.

ENGINEERING SCHOLARSHIP

The editor has just received notice from the North Carolina State College of Agriculture and Engineering at West Raleigh that this county is entitled to one free engineering scholarship, the value of which is \$45.00 per year, renewable for three years additional.

Some ambitious boy among our people ought to get this prize.

Those interested should call upon the County Superintendent or write to the College for particulars.

"The Devil was turned out of Heaven for knocking his home town."

WARREN COUNTY MEN SELECTED BY DRAFT

THIS LIST CONTAINS ALL NAMES IN ORDER OF SELECTION

For the benefit of those who have their numbers and know about the order in which they are likely to be called for examination under the Selective Draft Law it may be stated that the next official move to be made, according to the regulations, is:

The determination by the Governor of the quotas to be called and furnished by the several local boards. In Warren County this number is 152.

This will determine how many men from your district must go into the service. The possibility of exemptions will necessitate the examination of two or three times as many men as are needed.

The War Department's bulletin for the information of registrants reads in part:

As soon as quotas are assigned to each State and each board, each board will call up persons whose cards are in its jurisdiction instructing them to present themselves for examination. This call will be posted at the office of the local board and the papers will be requested to print it. A notice will also be mailed to you, but the posting of the list at the office of the board will be deemed sufficient notice to charge you with the duty of presenting yourself.

The law therefore makes it your duty to inform yourself when you are called. The mailing is for your convenience, but if the letter never reaches you, you cannot make that an excuse.

Watch the lists at the office of your board and see when you are called for examination.

You must report for physical examination on the day named in your call.

(a) If you are found physically disqualified the board will give you a certificate which will explain to you what your further duties are.

(b) If you are found physically qualified and file a claim for exemption within seven days after your call you will be given ten days after filing your claim of exemption to file proof in support of your claim of exemption.

(c) If you are found physically qualified and file no claim for exemption, or if you do not appear for physical examination, your name will be posted to the district board as one who was called for military service and was not exempted or discharged.

On the eighth day after call, or within two days thereafter, copies of the list of persons so posted to the district boards will be given to the press with a request for publication, will be posted in a place at the office of the local board accessible to the public view, and notice will be mailed to you at the address on your registration card.

Therefore watch the notices posted in the office of the board about ten days after the day you were called and make arrangements for the prompt receipt of mail.

The above instruction from the War Department therefore PUT IT UP TO YOU.

WISE ITEMS.

Mrs. T. J. Holt is at Virginia Beach for a short sojourn. Dr. Holt and Master Hugh went down and spent last Sunday.

Miss Blanche Hicks, of Littleton, spent the week-end with her parents, Mr. and Mrs. L. E. Hicks.

Miss Mattie Hicks is at Johnston-Willis hospital for treatment. We trust that she may come home much improved in health.

We are glad to report that the condition of Mr. C. C. Perkinson and his daughter is so much improved that the nurse who has been in charge returned to Richmond last Tuesday.

The farmers are depressed over so much rain.

A protracted meeting will commence at Sharon Church next Sunday night at 8:15 p. m. Mr. Johnson will be assisted during the services by the Rev. Mr. Trueblood, of Roanoke Rapids.

Since so many of our Warren County boys have been called to serve their country, the war seems a reality indeed, and a very serious reality too. There are many women in this community who are also endeavoring to serve their country in a quiet and unobtrusive way by the conservation of the food supply. Some who have never before taken any particular interest in canning and preserving are trying to see how much they can save for future use. Do not let your garden grow up to weeds now. Keep on planting and keep on canning. If you do not feel able to buy all the cans you can fill, there are other ways of taking care of your surplus. You can put vegetables up in brine, and you can dry or evaporate your fruit. In the July number of the Ladies Home Journal directions are given for putting up food in brine by a new method recently discovered by the government chemist and experts. Our county demonstrator can also show you how to brine or evaporate your produce.
