ARE YOU

Are you just the same at home as you are upon the streets
 Just as smiling and as pleasant and as sweet?
 Are you just the same at home to your family as you are to the comrades and the strangers that you meet in shop and car?
 Are you just as kind and thoughtful to your children and your wife
 As you are to total strangers in this every day of life?
 Are you just the same at home as you were down town today?
 Just as happy and as hopeful, just as full of joy and play
 Are you just the same at home to the loved ones that need it so,
 Just as comforting and cheering, just as full of fun and glow
 Are you just as true and loving to the ones that need your care
 As you were to some acquaintance in the hurry-burry there,
 Are you just the same at home as you were with us tonight
 In the sparkle of revel in the glamour and the light
 Are you just the same at home as you are to friend and foe
 Whom you meet along the highway in the paths you have to go.
 Are you just as fond and tender to the hearts you owe it to
 As you are to all the others as they smile and bow at you.—Selected.

DR. M. H. P. CLARK HURT

Wilmington, July 30.—Dr. M. H. P. Clark, 60 years old, one of the most prominent dentists here, was seriously, if not fatally, injured early to-night when a heavy touring car, driven by John Markiton, collided with him at the intersection of Third and Chesnut streets, dragging him a distance of thirty-five feet. The car was pulled from off him and he was hurried to the hospital for treatment.

It was impossible to determine his condition late tonight. Markiton, who refuses to say anything, was being detained at police headquarters tonight until the condition of the injured man could be determined.—News & Observer.

RED CROSS AT MACON

On Friday evening, August 3rd, at five o'clock in the Macon High school building, officers and members of the Warrenton Chapter American Red Cross will meet with those interested in Macon, and it is hoped a Red Cross Auxiliary will be organized.

Mr. Tasker Polk will deliver an address upon Red Cross work, and the meeting is to arouse interest and to present the excellent channel for patriotic service offered through the Red Cross.

The government has stated that the only way "our boys" can receive packages after leaving America is through the Red Cross—our National mode of service. Thus the duties and the field of true service is broadened, and the Red Cross' place brought home to the American people.

Norlina and Ridgeway have auxiliaries, and are actively engaged in this work. Macon will do her bit!

It is hoped and it is believed that a large crowd of Macon people will be in attendance Friday.

SOCIAL EVENING

The Warrenton American Red Cross was hostess to "the Sammies" Tuesday night from 8 until 10:30 on the Court Green.

The young ladies of the Red Cross dressed as nurses entered heartily into games, songs, and choruses with the soldiers, and for two and a half hours the boys were socially entertained. The merry and frequent laughs spoke of what a good time they were having.

Ice cream and cake were served by "the nurses" and thoroughly enjoyed by members of Company H.

As the evening rapidly came to a close, and as the ladies were leaving for their homes, the boys gathered together and to a familiar tune rendered a parody whose off repeated words we caught: "the Red Cross girls have gone, we hope they will come Another Night."

This was the first social event for the soldiers, and was a credit to the enterprise and ability of the local Red Cross.

FIRST 264 MEN NOTIFIED

EXAMINATIONS BEGIN TUESDAY, AUGUST 7TH

The Quota for Warren County is 132. The Board's first call as directed by Adjutant General is for 264 persons. These are the first 264 names of the Liability list (which is printed below). Should these names by reason of physical disability, or exemptions not furnish the necessary quota, sufficient other names to fill up the quota will be immediately summoned in the order of their Liability numbers.

Each person will be notified by mail, but the Regulations hold it to be sufficient notice to all concerned that the posting of the Liability list is personal notice. This list is posted in the entrance to Polk Law Building, Warrenton, and all registrants are advised to look at this list.

Physical examinations of these 264 men will begin 9 a. m. next Tuesday, August 7th., and will be taken according to their Liability number and will continue daily thereafter until all are examined. Notices mailed to each person advise them what day and hour they are to appear. They will be examined at the Court House.

Claims in respect to any cause for Exemption may be made by any person who has been called by the Board: until you are called, or posted, by the Board do not apply for exemption. Application for such claims is to be made at the office of the Local Board.

HONOR

I would not teach that boy of mine
 That only victory is fine,
 Nor preach material success
 To him as glorious, unless
 He gains it with his head erect,
 His honor, and his self-respect.

I first would have him learn that he
 Of self must always victor be,
 That failure's not a thing of fear,
 If he retains a conscience clear;
 That there's more joy in grim defeat,
 Than victory that marks a cheat.

I want to teach my boy to choose
 The path of honor though he lose;
 I'd rather he'd come home at night
 And say to me: "I lost the fight,
 But I stood up and let it go
 And never struck one unfair blow."

SPOKE AT BROWN'S

Following a Union meeting at Brown's Baptist Church Sunday, Mr. Tasker Polk delivered an instructive and interesting address upon the Red Cross and its work.

A large, attentive and interested crowd heard Mr. Polk. Following the address a contribution was taken for the Red Cross, and \$33.10 was liberally donated by those present.

There is no evil in the world without a remedy when reason, and justice and charity combine for the task.

COMPANY H. HAPPENINGS

Men Willing and Anxiously to Learn COMPANY H. NOW TRAINING 113 MEN FOR UNCLE SAM

Over across the sea mighty forces are contending for right. Democracy, hitherto unknown in many European countries, must be established upon the earth. Right must prevail; might must be overthrown. The United States has entered this war for Democracy, for rights of humanity, and we are fighting for a world peace that will be lasting.

Company "H.", 3rd N. C. Infantry, has become a part of our Federal army. It is daily preparing to throw its weight into the scale for justice, equality, and truth.

Last Wednesday the company mobilized here. Warrenton then began to realize that we were actually at war; that self-sacrifice was the cost we must pay in order that right should prevail upon the earth.

Over one hundred and ten "rookies" mobilized here Wednesday, and until Friday Company H. had over one hundred and fifty enlisted men. Friday physical examinations of all men commenced. The examinations were made in the armory, and were very stringent. It was remarked that this examination was much more thorough than that given to the company at Camp Glenn last summer before leaving for the Border.

The company came through the two-days examination period with a total enlisted strength of one hundred and thirteen—reservists not counting. Squad drills were commenced Monday. The men are all anxious to learn and are drilling about five hours a day. The first company drill was held Wednesday morning.

The men are being fed in the old Postoffice building, opposite the Episcopal church. The company mess is being conducted by Mr. Elmer Green.

The men are sleeping in the armory and in the boarding department of the John Graham High school in the rear of his home.

Uniforms and guns have not been received as yet, and over half of the men are drilling in citizens clothes. It is not known here when the uniforms and guns are to be furnished. It depends upon the length of the stay here whether the company will be supplied here or at Greenville. It is not known how long the men will stay in Warrenton.

Tuesday night company H. enjoyed a lawn party given upon the Court House Square by the Red Cross. The cream and cake served were delicious, and the men accepted it with many thanks.

Main street is full of soldiers, and the town bears a military appearance.

IMMEDIATE WAR NEEDS

The following notice has been received by the Red Cross Chapter:

Based upon recent cable advices from our allies the following supplies are urgently needed and all chapters are asked to ship to the nearest Branch Warehouse of the Red Cross Supply Service whatever supplies they may have on hand corresponding to this list and to speed up their work rooms on these particular articles. The production of bandages and surgical dressings should not be allowed to fall off. The needs are:

350,000 bath robes or convalescent gowns; 100,000 pairs of bed sacks; 700,000 handkerchiefs; 650,000 hospital bed shirts; 450,000 suits of pajamas; 300,000 shoulder wraps; 800,000 pair socks; 250,000 pairs ward slippers and many other needs.

The greatest game is life—play it square. Don't be a slacker.
