W. T. Turner, colored, appeared before the Board, representing the Betterment Association of that school, and stated that the Association had on hand and in Bank \$60.00 for the purchase of desks, and desired aid from the Board. The Board directed him to turn over that amount to the General School fund and that the Superintendent would then purchase one hundred dollars worth of desks for the school.

Dr. John H. Harrison, chri. board of Trustees of Littleton School district, appeared before the Poard asking that the sinking Fund belonging to the district be placed in the Bank of Lipleton at 4 per cent compounded quarterly. The Board directed this to be done whenever the Bank gave bond to cover the amount deposited from time to time, it being in accordance with the State-wide Bond Act for School buildings. All members voting aye.

The Board took recess to 2.30 p. m.

The Board convened at 2:45 p. m. Mr. A. B. Wilson, of River No. 2, was instructed to have certain necessary repairs made at a cost not to exceed \$15.00.
