

A Colyum Of Thoughts From Here There, Yonder

(By W. BRODIE JONES)

The American Legion is destined to be a powerful factor in the public weal of this country. It would be opportune for every service man in Warren to affiliate with the Association whose ideals are purely American.

The meeting here Monday should draw former soldiers, sailors and marines from every section. The welfare of the county would be forwarded as well as the citizenship of the membership benefitted by a loyal banding together for the common good.

Fall has fell.

It's time to put 'em on.

"There is no home without hearts."

Where is the Thanksgiving turkey? One could be more thankful if it was gobbling in the pen.

It is a fact of history that the next generation of the men following the French Revolution were two inches shorter in stature.

Remor has it that Hyman's bells are soon to ring.

A letter from Joseph Powell now in a Raleigh hospital discloses that he was one of the heaviest losers in the recent five million oil fire in Texas. Joe may lose the coin but his supply of cheerfulness is unlimited.

Dr. Frank Crane urges a Silence day—all right, doc, but you forgot the ladies.

An optimist is one who can swallow trouble without complaining of indigestion.

A Refusal to Bluff

"The reason you don't admire Wagner's opera is that you don't understand them," said the undaunted enthusiast.

"Well," commented the candid person, "isn't that reason enough?"—Washington Star.

The Reason

Even that priceless treasure, the antebellum dandy servant, is not without flaw. A lady in southern Maryland was much aggrieved with Thaddeus, the old colored cook and handy-man, who had been with the family since before the war, and whose hot biscuits were a source of as constant delight in the household as his habit of scratching his head was a source of constant distress. One afternoon, after serving luncheon to some "real quality folks," his mistress asked him:

"Thad, why do you scratch your head so much? You never stopped all during dinner."

"Kase, Missy I'se de only one dat knows whaw mah haid itches," was the reply.—Harper's Magazine.

It looks like the Republican party is not willing to keep faith with France, England and Japan and accept the League of Nations Covenant as these great Powers have done, but must enter, (as President Wilson stated in one of his speeches) "with hand on the door-knob ready to run" if any obligation is incurred. We do not believe that the American people endorse any such method. We are big enough and great enough to assume obligations in the interest of World peace and should do our part willingly.

A failure to join our allies in helping to have World peace, is one cause of the great unrest among all Nations.—Contributed.

NEW RULING ON INSUR'NCE

SERVICE MEN MAY REINSTATE POLICIES WITHOUT

Examination If Within Period Ending December 31st But Two Monthly Payments Still Necessary.

A series of decisions issued by the Director of the Bureau of War Risk Insurance with the approval of the Secretary of the Treasury provides more liberal conditions for reinstatement of lapsed or canceled insurance.

The provisions of Treasury Decision No. 47, allowing eighteen months from the date of discharge for reinstatement upon payment of only two months' premiums on the amount of insurance to be reinstated, are retained. The decision is liberalized, however, by a new provision that men out of the service are permitted to reinstate by merely paying the two months' premiums without making a statement as to health at any time within three calendar months following the month of discharge.

After the three months following the date of discharge have elapsed, a statement from the applicant to the effect that he is in as good health as at the date of his discharge or at the expiration of the grace period, whichever is the later date, will be required together with a written application for reinstatement and the tender of two months' premiums on the amount of insurance he wishes to reinstate.

In order to give all former service men whose insurance has lapsed or been canceled, a fair chance to reinstate their insurance, including men who have been out of the service eighteen months or more, and who are therefore barred from reinstatement under the former ruling, a special blanket ruling is made which allows all ex-service men to reinstate their insurance before December 31, 1919, provided that each applicant is in as good health as at date of discharge or at expiration of the grace period, whichever is the later date, and so states in his application. Of course it is necessary that he tender the two months' premiums on the amount of insurance he wishes to reinstate.

Service men who reinstated their insurance by payment of all back premiums prior to July 25, 1919, when the decision requiring payment of only two months' premiums went into effect, upon written application to the Bureau may have any premiums paid in excess of two applied toward the payment of future premiums. For example, if after a policy had lapsed for six months, a man reinstated and paid six months' premiums instead of two, he may secure credit for four months' premiums.

The provisions for reinstatement do not protect a man until he actually reinstates. If he waits he may not be in as good health as he was at the time of discharge and consequently may not be able to secure reinstatement.

Don't put off reinstatement. Do it now!

A REAL NUGGET

DOUBLE CAPACITY PLANT

WARRENTON EQUIPED FOR TEN TON OUTPUT DAILY

Machinery Expected For New Plant In Few Days; Building Under Way and Work Progressing Favorably.

When old November is placing a briskness in the air and Jack Frost is playing around many doorsteps, the question of ice is not appealing but in anticipation of a warm time to come the town is providing double capacity at its north Warrenton ice plant.

Supt. J. M. King and assistant James C. Moore are making preparation to install a duplicate plant on the town property. The building is being enlarged and all preparations made for the new machinery which is expected in a few days. The addition will guarantee the production of ten tons of ice in a twenty-four hour period. The same storage room will be used for both plants, the demand of the previous years being foundation for the belief that the supply created will be immediately used and that there is no necessity for double storage room.

Estimates are that the new equipment and building will aggregate an expenditure of \$5,000 and provide ice in abundance for the town, county and adjacent trade prospects.

Pile Em Up.

After years of patient straphanging he had ceased to complain, and resigned himself to the inevitable. He did not expect a seat in exchange for his fare as he journeyed home by subway from the city.

However, one evening he felt bound mildly to expostulate with the individual who was sitting in the seat below the strap to which he was pathetically clinging.

"Excuse me, sir," he said in a gentle voice, "but would you be so kind as to move your suitcase from the aisle. I can scarcely find room to stand."

"Move my suitcase?" said the other with a gasp. "What on earth do you mean, sir? Those are my feet."

"Is that so?" was the reply. "Then perhaps you would be kind enough to pile them one above the other.—Muskogee Phoenix.

"My son is an awful expense to keep at college."

"That's nothing; wait till he gets out."—Cornell Widow.

NEARLY 1,000 GREAT MEETING R.C. MEMBERS

RESULTS NOT YET REPORTED FROM MANY SECTIONS

Colored Schools of the County Do Good Work; Public Health Nurse To Be Procured At An Early Date.

The Third Red Cross Roll Call has been extended thru tomorrow by an order from headquarters and the workers of the county are urged by Chairman Davis to take advantage of the extension.

Indications now are that the county will have an enrollment of twelve hundred or more. Numerous townships have not been heard from and yet practically a thousand members have been reported.

Warrenton, Hawtree, Norlina, Ridgeway, Macon, Vaughan and upper Nutbush indicate that the drive has been well conducted. The activity of the colored schools is highly gratifying to the committee.

In Warrenton the campaign has been managed with interest and enthusiasm by Mrs. Kate P. Arrington as chairman. Booths were run successfully in each drug store and personal canvassing done by Mrs. Arrington, Mrs. Thomas H. Williams, Mrs. W. D. Rodgers, Jr., Mrs. H. F. Jones, Mrs. J. A. Hornaday, Mrs. V. F. Ward, Mrs. V. D. Alston, Mrs. M. C. McGuire, Miss Dora B. Beck, and others.

The results would now indicate that the whole time public health nurse for which the committees worked may be procured. This worker will devote her entire time to the public health of Warrenton.

SERVICE MEN TO ANSWER CALL OF LIMER POST 25

Organization Will Be Main Purpose of Executive Committee; Purposes of the Legion To Be Given the Assembled Men.

The Executive Committee of the Legion is expecting a large number of former service men to come to Warrenton Monday for a real get together meeting. They are basing their hopes upon the fact that the appeal is for organization of a 100 percent American association and the belief that the men who fought for the country or evidenced the willingness to fight will also manifest an interest in the peace time program.

The Legion is already a factor in America's life which is manifesting an influence for public welfare in this country. A glance at the summary of activity which is afforded by the daily press will convince those inclined to be skeptical. It is not a political unit to forward the ambitions of any man but is an institution to preserve and foster the true American principles of right, honor, justice which all men recognize as basic without regard to party or creed. It has the opportunity, and with the personnel of men entitled to membership no one doubts that it will be exercised of freeing this country from the radicalism already manifest and of shaping the future in a spirit of true representative democracy and virile, energetic action for the good of all.

The fact that it is to be composed in the main of men who were civilians before the great war assure that its purposes will not be tarnished by militarism or its record spotted by any thought of advantage to its membership afforded thru the power of organization.

It is the appeal which it presents as a means of service to America without any appreciable sacrifice which leads the local executive committee to expect a good attendance at the meeting on the 17th. Indications would appoint that the faith is well founded and that a representative, interested and patriotic group will rally in response to the call—not to arms—but to service thru influence.

WISE ITEMS.

On Armistice Day a thanksgiving service was held at the Wise High School. Patriotic songs were sung, and Rev. E. W. Baxter of Warrenton delivered a very able, helpful and altogether interesting address. Judging from the careful attention given to him both by the school children and by the others present, Mr. Baxter's address made a deep impression. Miss Rankin gave a demonstration in decorative cake icing on Thursday Nov. 6, at the schoolhouse before the Betterment Association and some of the High School pupils. There were about thirty present.

The members of Sharon Church are lined up to go over the top in their quota of the seventy-five million dollar campaign. Mr. C. W. Perkinson is Campaign director.

All final reports in Hawtree for the Third Red Cross Roll Call are not in, but at the present writing the membership numbers about 150. The first white person in this township to enroll for 1920 was Miss Mary Perkinson, and the first colored person was Clarence B. Harris.

Mr. King and Mrs. Perkinson wish to thank all those who have assisted them in their task for the Red Cross, especially grateful are they to the following: Miss Malissa Hicks, Mrs. C. W. Cole, Mr. H. L. Jobe, Mrs. Ben Newell, Mrs. W. W. Cawthorne, Miss Lena White, Mrs. M. H. Hayes, Mrs. W. M. Rochelle, of Wise, and Mrs. J. D. Newell, of Oakville.

MRS. A. W. HICKS DEAD

We regret to announce the death of this good lady who passed away at her home near Warrenton on Monday morning, November 10th. Mrs. Hicks leaves a husband and nine children who mourn her death. She was tenderly laid to rest in Norlina cemetery Tuesday afternoon in the presence of many sorrowing friends, Rev. E. R. Nelson officiating.

The sympathy of the Record and of many friends is extended to the husband and devoted children.
