LEAVE IT WITH HIM

Yes, leave it with Him; the lilies all do;
And they grow;
They grow in the rain, and they grow in the dew—
Yes, they grow;
They grow in the darkness, all hid in the night,
They grow in the sunshine, revealed by the light—
Still they grow.

They ask not your planting, they need not your care
As they grow.
Dropped down in the valley, the field—
anywhere—
Yet they grow.
They grow in their beauty, arrayed in pure white;
They grow, clothed in glory, by heaven's own light—
Sweetly they grow.

The grasses are clothed and the ravens are fed
From His store:
But you who are loved and guarded and led,
How much more
Will He clothe you, and feed you, and give you his care!
Then, leave it with Him; he has everywhere,
Ample store.

Yes, leave it with Him; 'tis more dear to his heart,
You will know,
Than the lilies that bloom or the flowers that start
'Neath the snow.
Whatever you need, if you ask it in prayer,
You can leave it with Him, for you are his care—
You, you know.

A BUSINESS ORGANIZATION FOR TOWN

Everywhere the question is broached the need is recognized for a live business and trade organization for the town.

Undoubtedly the city has lost much trade territory because of lack of interest for trade is a fickle dame whose charms come only in full force to those who welcome and court her.

An air of charm and a source of undivided delight comes from her presence.

To win her fancy diligence and initiative, energy and enthusiasm are needed, but the progressive know that she is worth the race.

Lets organize for the good of the town. Talk the matter and lets go forth to welcome Miss Trade, Goddess of Prosperity.

ABIDE RESULTS OF PRIMARY IN GOOD FAITH

The people of Warren county have spoken. Messrs. Morrison, Cook and Stacy have received a majority of the votes. They are now the nominees of all the democrats of Warren.

We are publishing a tabulated statement of the vote, giving the vote by precincts.

It is now the duty of the democrats to rally to the support of Mr. Morrison and of the other candidates of the Party and roll up a handsome majority.

If there ever was a time in the history of the Party when it could appeal to the voters it is in this campaign. Prosperity abounds, and it is unbounded prosperity. The empty dinner pail is no longer the slogan of discontent. The farmer has come into his own. Men who under the Republican administration could hardly pay taxes on their property are now owners of their homes and riding in automobiles.

CHEAP PAINT Cheap Stoves

If you want Cheap Paint that will not last order it from catalogue houses or give your order to some agent. Paint manufacturers that make the best grade of paints will not allow their goods to be sold by agents going through the country. The same thing will apply to Stove Manufacturers. It is usually a lack of intelligence for people to buy from agents traveling around through the country. Nine times out of ten they will stick you.

BUY AT HOME. You will get better goods at a saving in price, quality considered, and you will be a better citizen for the county in which you live.
