

# A Colyum Of Thoughts From Here There, Yonder

Kinds words have far reaching influence. The belief in what makes up the Worth While in Life is largely due to the experience of the individual with other individuals. Hence the value of kindness.

No one is further from the truth than to think that words of praise are unnecessary, that they produce certain characteristics of the swell head, that expressed thoughts of kindness should only come from the sentimental, and that beneath every word of praise for another there is in some way a detraction of one's own qualities. This is false.

True it is that—  
"Kind words are more than coronets,  
And simple faith than Norman blood."

Praise properly placed is the spur of action. Few people are spoiled by words of kindness spoken. Many souls are in sorrow for lack of these kind testimonials of friendly interest.

Don't delay any action which will make the world a better place in which to live.

Speak today. Tomorrow one may be found in care of the undertaker.

"Why are we forever speaking  
Of the warriors of old  
Women are living around us  
Full as noble, full as bold.  
Decorations do not tempt them  
Diamond Stars they laugh to scorn,  
These will wear a cross of Glory  
In the resurrection morn."

The fussy stationmaster found a fellow villager standing with his feet on the edge of the platform, nonchalantly smoking.

"Don't you know," said the ticket master, "that the Chicago express will go by there in a minute at the rate of sixty miles an hour?"

The other slowly turned his head and taking the pipe out of his mouth, replied: "You're darned feerd for your train."—Chicago Daily News.

"I'm afraid Editor Spoffit of the Toadvine Clarion is a straddler in this campaign."

"Why so?"

"The policy of his paper reminds me of the kind of weather we are having."

"And how's that?"

"It's wet one day and dry the next."

One step won't take you very far,  
You've got to keep on walking;  
One word won't tell folks what you  
are,

You've got to keep on talking;  
One inch won't make you very tall,  
You've got to keep on growing;  
One little "ad" won't do it all,  
You've got to keep 'em going.

The critic seemed struck with the picture. "This snow-storm painting is very fine, indeed," he said to the artist. "It almost makes me feel cold to look at it."

"Yes, it must be realistic," admitted the other guy. "A fellow got into my studio one day in my absence, looked at the picture, and unconsciously put my fur overcoat on before he went out."—Pittsburgh Chronicle Telegraph

**Gritty Girl**

Jenkins and his best girl were motoring a considerable distance to see one of the last-round Cup-ties, and the margin of time was very short.

With about twelve miles to go, he bade defiance to all police traps and turning to the girl of his heart, exclaimed: "We're going at fifty miles an hour. Are you brave, dear?"

The girl, as she swallowed a quantity of dust, replied with emotion: "Yes, dear; I'm full of grit!"—London Tit-Bits.

**Traps and Trappers**

Tourist—"My good friend, do you earn your living by simply trapping and skinning animals?"

Trapper—"Yep! It runs in the family. I got a brother in Philadelphia in the same business!"

Tourist—"In Philadelphia?"

Trapper—"Yes! He owns one of them apartment-houses."—Philadelphia Evening Bulletin.

**A Privilege**

"Colonel, I heah, sah, yeh, have laid in a new supply of liquor, an' I understand it is right high in price nowadays." "My deah Majuh, I—ah—paid \$9 a quawt for it, sah!" "Ain't that a trifle expensive, Colonel?"

"Not in my estimation, sah. It is th' fust time I have evah had th' privilege of payin' somewher' near th' figure I have always considered it wuth."—New York Evening Post.

A SEMI-WEEKLY NEWSPAPER DEVOTED TO THE INTERESTS OF WARRENTON AND WARREN COUNTY

## JONES NAMED SENATOR

Executive Committee Took Action Upon Assurance of Hawkins' Resignation

GOVERNOR REFUSES TO CALL SPECIAL ELECTION

Governor Accepts Resignation In Story In Observer But Informs Jones That "He Will Await Hawkins' Final Decision."

Pursuant to a call of the Chairman of the Democratic Executive Committee for the County, the Committee met yesterday at 12 M. The Chair stated the purpose of the meeting to be the selection of a democrat to succeed Senator Hawkins, resigned on account of ill health as Senator of the 16th district.

River, Six Pound, Hawtree, Smith Creek, Sandy Creek, Shocco, Fork, Fishing Creek, Warrenton and Norlina were present.

On motion of Mr. B. B. Williams the Chair appointed a Committee of three to draw up suitable resolutions of sympathy for Mr. Hawkins in his present illness, and of thanks for his services as a democrat in the councils of the Party.

On motion Howard F. Jones was nominated to succeed Senator Hawkins as Senator from the 16th Senatorial district, all members of the Committee voting for Mr. Jones.

Mr. Jones, being Secretary of the Committee and not desiring the official notification to the Boards of Election of Warren and of Vance Counties to be certified by himself, as he was the nominee, requested the members present to sign said certificate of nomination, as follows:—"Court House, Warren County, N. C. To the Boards of Elections of Vance County, N. C., and of Warren County, N. C.

"This is to certify that at a meeting of the County Democratic Executive Committee of Warren county, held pursuant to the call of the Chairman this the second day of August, 1920, a quorum being present and voting, that Howard F. Jones was nominated and declared to be the nominee of the Democratic Party for the unexpired term of Hon. M. J. Hawkins Senator 16th Senatorial District, resigned."

Mr. J. W. Burroughs, Chm. of Shocco Township was present and voting, but did not sign the Certificate. Judkins, Roanoke and Nutbush were not represented.

The nominee requested an expression of the views of the citizens of each precinct in respect to the adoption of the 19th Amendment—known as the Woman Suffrage Amendment. It was the sentiment of the Committee that the Democrats of Warren county were opposed in large majority to the adoption of the 19th Amendment, and the nominee expressed his intention to vote the sentiments of a majority of the democrats of the County upon this question.

HOWARD F. JONES,  
Secty. Democratic County Executive Committee.

SUFFRAGE LOSES VOTE IN SENATE

Suffragists who have been counting on the vote of Senator M. J. Hawkins to help put across the Federal suffrage amendment in the State Senate when that body meets in special session, checked his name off the list yesterday when he tendered Governor Bickett his resignation. The time is too short now for another election to fill the vacancy in time for the special

session, and the Sixteenth Senatorial district will not be represented in the special session. Governor Bickett stated yesterday that he will call no session.

Senator Hawkins notified Governor Bickett that his resignation was necessary on account of ill health.

While no pledge had been received from Senator Hawkins recording him definitely on the side of suffragists, it was stated yesterday in responsible circles that he had voted for suffrage in the Senate last year, surprising the champions of the cause who had put him down as an anti. They had no reason to believe that he would be other than pro-suffrage at the special session.—News and Observer.

A Statement to the Executive Committee and to the Democrats of the 16th Senatorial District:

The Governor of North Carolina having been quoted in the News and Observer as being unwilling to call an election in the 16th Senatorial District to fill the vacancy caused by the resignation of Senator Hawkins, I called the Governor over the telephone this morning with a view of getting the facts, and herewith submit the conversation between the Governor and myself:

"Governor, the News & Observer this morning quotes you as saying you would not call a special election in the 16th district to fill the vacancy caused by the resignation of Senator Hawkins. Are you correctly quoted?"

The Governor—"Yes; I told them so. What is the use in calling an election when the man couldn't get here in time to take part in the session?"

"But Governor, it is mandatory. The Statute requires the Governor to call the election."

The Governor—"Well! I will consult the Attorney General, I haven't had time to look into the matter, and besides Senator Hawkins notified me last night that he desired to withdraw his resignation, and of course, I will have to await his final decision in the matter, and in the mean time I will consult the Attorney General as to the law. Whom am I speaking with?"

"This is Howard Jones, the nominee of the party to succeed Senator Hawkins."

The Governor—"I understand. Well; I will wait Senator Hawkins' final decision, and in the mean time will consult the Attorney General."

"That's all right, Governor. Of course, if Senator Hawkins has not resigned, there is no desire to urge him to do so; but if he has resigned our people here wanted to be represented."

HOWARD F. JONES.

August 15th Opening Date; Provision Made For Ladies And Plan Guarantees Pleasant Outing At Low Costs.

Daniel W. Terry, Publicity Officer of the American Legion in North Carolina, is calling to the attention of members of the Legion in this State the opportunity offered them for an inexpensive vacation trip of two weeks at Morehead City in August.

The Government has offered the North Carolina Department of the Legion the use of Camp Glenn, near Morehead City, for a summer camp for members of the local posts and their lady relatives.

The camp will open on August 15 for members of the local posts who may wish to take advantage of the opportunity to spend two weeks at the seashore and escape the high rates being charged by resort hotels. Barrack rooms, screened and provided with ample shower baths, will be free to all who wish to go. Board will be furnished on a cost basis, but it is expected that the board will not cost more than one to one and a half dollars per day. Requests have been made for reduced rates on the railroads, but the request has not yet been heard from. However, even if the reduced rates are not secured, the outing will be an exceedingly cheap one.

The encampment will begin Sunday, August 15, and continue for two weeks, but those going need not remain the full time unless they desire to do so. They will pay board only for the number of days they remain in camp. The Local Post Commanders are asked to bring this matter to the attention of their posts immediately and ascertain how many of their members and lady relatives wish to go to camp. All who expect to attend are asked to forward to C. A. Gosney, Treasurer Encampment Committee, Raleigh, N.
