

# A Colyum Of Thoughts From Here There, Yonder

**He Needed the Money**

Sailors lounging about the rail of an American destroyer that was anchored in a small Philippine harbor were throwing pennies into the water for a crowd of dusky, naked youngsters to dive for. It was a lively scene. No sooner was a penny thrown into the water than a native boy dived and brought it to the surface. Many a times a penny did not reach the bottom before a boy caught it.

On the wharf the native mayor, surrounded by his fellow townsmen, was awaiting the arrival of the American naval officers to whom he was going to tender a grand reception. He watched the diving with keen interest.

A reckless sailor had been throwing quarters and then half dollars into the water. Then some one threw overboard, one after another, a handful of big, glistening silver dollars. What a scrambling! It seemed that every boy in the town was either in the air or in the water.

Suddenly a dusky messenger came dashing breathlessly down the wharf and shouted to the group of sailors, "Will you lads please stop throwing those dollars? The mayor's getting nervous; he's already taken off his coat!"—Youth's Companion.

**What the Mind Did Not Know**

An occasion when ignorance was bliss is recalled by Mr. Newton McTavish in the Canadian Magazine.

I recall one woman, he says, who always used all her own butter on her table. But one unfortunate day she discovered a dead mouse in the crock of cream. Not daunted, however, she did the usual churning and produced a fine-looking roll of butter. But she couldn't eat it, though she knew the butter would satisfy anyone who did not know about the mouse. So she took it to the storekeeper, told him the truth, and asked whether he would exchange it for a roll from his cellar.

"You know," she said, making a slight misquotation, "for what the mind doesn't know the heart won't grieve for."

"Oh, that's all right!" replied the obliging storekeeper. "I'm glad to accommodate you."

He disappeared into the cellar and a moment later reappeared with a roll of butter similar to the one he had taken down.

The woman thanked him and departed. A few days later she was in the store again.

"How did you like the butter I gave the other day?" the storekeeper asked.

"It was just lovely," said the woman, "just lovely. I couldn't have told it from my own."

"Neither could I," said the storekeeper. "You know that what the mind doesn't know the heart doesn't grieve about. That butter was your own."

**MISS FRAZIER ENTERTAINS**

Miss Frazier was charming hostess last Thursday evening from eight until twelve at a party in honor of her sister and friend Miss Mann.

Various games afforded amusement. Beautiful music was rendered by Miss Pinnell and others.

As it was Leap Year Miss Frazier write the names of each boy on a slip of paper; the girls tried their luck by drawing a slip of paper. Then the girls ushered the boys to the dining room, where delicious cake and cream was served.

At a late hour the guest left for their homes declaring Miss Frazier a charming hostess.

## GIVES DELIGHTFUL MRS. HARRY WALTERS ENTERTAINS SHOWER PARTY.

Mrs. W. A. Graham and sister Miss Mariam Boyd entertained Monday afternoon from four to six o'clock in honor of Miss Willie Grey Macon, Warrenton's fair bride-to-be.

The guests were received and handed a heart-shaped card upon which each guest wrote her name. The contest was then to take each letter of the name and write directions how to manage a husband commencing each paragraph or sentence with the letters in order of their location in the name of the guest.

Immediately following the Contest as to who could best manage a husband on paper, Miss Sue Williams, dressed as an old-time antebellum "Mammy" brought in gift boxes of fruits and preserves for the pantry shelf.

The Bride's cake, upon a table looped with arches of yellow tulle and golden rod and lighted with four candle sticks tied with yellow tulle and Golden rod, was cut first by Miss Philena Macon, sister of the bride-to-be, followed by the other guests. Miss Sue Williams "cut" the ring, Miss Sue Burroughs the Fleur-de-lis and Miss Sarah Macon, the thimble, amid much merriment.

Delicious refreshments consisting of iced canteloupe cut in fancy shape and filled with ice cream, and heart-shaped yellow mints and bride's cake. Beside each plate was a bouquet of Nasturtiums, and a little bag o'rice.

The Prize direction "How to Manage a Husband" was written by Miss Graham of Charlotte. She was presented a bouquet of Snap Dragons. The Bride's prize, a box of Kitchen towels, was presented in gracious manner by Mrs. John C. Burwell.

A large number of the friends of the bride were present and the afternoon was delightfully and happily spent.

## Colored Ministers And Teachers Are Urged to Report.

To the ministers, teachers, and prominent members of the colored race of Warren:

It is important that every member of your race who was a soldier in the recent war be named in the county honor roll which will be preserved in the State Hall of History and also published for the schools and libraries of the State. It is impossible, in the limited time allotted to this work, to secure an absolutely correct roster without general cooperation. It is in recognizing of this fact that I therefore call you to Warrenton next Wednesday afternoon, August 25th, at three o'clock for a short meeting at the Court House. I urge that you attend without further invitation and place your time and efforts behind this worthy move on the part of your county and State.

Truly yours,  
W. BRODIE JONES,  
Collector War Records.

## DELIGHTFUL PLAY AT OPERA HOUSE THURSDAY NIGHT

A delightful play, "Our Aunt from California," was given in the Warrenton Opera House last Thursday night by local talent under the auspices of the Warren Fair Association. The parts were well taken and perfectly acted and the play furnished many a smile to the audience. Especially was this true when Sallie, eldest daughter, impersonated the aunt from California to that worthy lady's face. Besides the play readings, instrumental and vocal music was enjoyed.

This is but one of the means the fair association is using to arouse interest in the fair. During the fair the business men of Warrenton will give a barbecue to the fair workers. Other plans will be announced later.

Mrs. R. P. Walters and daughter, Elizabeth, of Deland, Fla., are pleasant visitors in the home of Dr. and Mrs. H. N. Walters.

Misses Ria and Laura Alston are spending a few days in Greensboro.

Miss Alice and Ann Taylor, of Sudan, Va., are pleasant guests in the home of Mr. and Mrs. W. N. Boyd.
